Blackhawk Society Entertains Fifty At Birthday Party

At the birthday party held by the Blackhawk Society Sunday, April 12, at the home of Mrs. Mary Helmsold in Deere Park.

Many members of all age groups attended, excepting 12 members away at college.

This annual event always enjoyed by the group, celebrates the founding in April, 1895 of the National Society C. A. R., and the organizing in 1931 of the local Blackhawk Society of C.A.R. in Highland Park.

David Maley, president, presided at the business meeting at which a full report of the activities of the society was given. A summary of earnings and disbursements covering a period of 2 years, was presented, in one report by the Treasurer, Edward Peterson, and proved very interesting.

A detailed report of the dedication exercises of the Highland Park Service Men's club was given by Jacquelyn Day, secretary. A report of the Christmas dance and other events was given by Helen Sarett, program chairman. The nominating committee announced a complete slate of candidates to be presented at the election of officers in June, and invited other nominations. The names of eight new members as sent to the State Archives of the C. A. R. were read by Marie Helmsold, membership chairman.

It was announced that the Senior Group would be asked to, take part in the Memorial services and processions at the D. A. R. congress to be held at Medinah temple and the Stevens hotel May 3 thru 7, and that members of the Junior group have been requested to appear in costume at one of the sessions as they did during the state convention last year.

David Maley closed the meeting with a request that the senior president, Mrs. Helmsold, read to the group letters from heads of various civic organizations of Highland Park, and from national officers of the Children of the American Revolution and the approved schools committee of the D. A. R., which praised the group for its patriotic work. The expressions were received with pleasure by the young people.

The presence of many parents of members, who came at the invitation of the children, added greatly to the enjoyment of the party which followed the meeting. Three large cakes decorated with red white and blue—one bearing eleven candles—were cut in honor of the day.

The assisting hostesses were: Mrs. Marc Law, Mrs. R. L. McManus, Mrs. E. B. Elmore, Mrs. Garfield Day, Mrs. James MacMurphy.

WHAT'S DOING AT FORT SHERIDAN

Miss "Mess" Hall

Those flowers that may now be seen gracing the table nearest the door in the Fort Sheridan Service Club, didn't just grow there. In fact, it required the combined efforts of an unidentified taxi driver; Mrs. Gertrude Taugher, Army hostess; the Military Police, and Mrs. Emmons Blaine, 104 E. Erie Street, Chicago, to get them there.

The taxi driver appeared at the Hostess office with the bouquet of flowers and announced that they were for a "Miss Hall."

Mrs. Taugher learned, after inquiring all over the Post, that there had been several Captains Hall living on the reservation during the last few years, but none of them was here now.

The taxi driver was told that he'd have to take the flowers back to Mrs. Emmons Blaine, the sender, for a more complete address.

It was some three hours later that the MP's at the West Gate phoned Mrs. Taugher. They had some flowers a taxi driver had delivered, they said. The flowers were for the MESS HALL.

Guitarist

When Mrs. William Minton, 4126 West Harrison Street, Chicago, donated a guitar to the Fort Sheridan Service Club, she hoped it would help some soldier to enjoy himself. She could understand these guitar players because her husband who had joined the Army a short while before had left the guitar behind.

Last Tuesday night a young man borrowed the guitar from the Service Club, took it over into a corner, and thoroughly enjoyed himself for an hour or so. Then he returned it with an affectionate pat and said, "Never thought I'd see this particular guitar for some time."

The soldier was Pvt. William Minton.

Doctor Hazel will show a very complete all-technicolor film depicting the technique used in the administration of Pentothal Sodium, a new research product now being widely used by anesthetists. The new intravenous anesthetic has proven itself of inestimable value during the present world war. Its application in the home defense program will be stressed.

Take Papers To Station Salvage Box

Large wooden boxes will be placed at the Northwestern railroad stations at Highland Park, Ravinia and Braeside and one at the Ravinia school this week to receive old newspapers and magazines. Proceeds from the sale of papers taken to these boxes will be used for Civilian Defense expenses in Highland Park.

Citizens who are not having their old papers collected by school children or charity trucks are asked to bundle them up and take them to the most convenient of these boxes. It will be easy for commuters to take along a bundle of papers each morning and deposit them in the box at the station, knowing that the paper will be used for war salvage.

These boxes were made by the high school boys under the direction of Mr. Schneider of the manual training department. Permission to put the boxes on station property was given by Northwestern railroad officials.

Directions for the preparation of paper for these boxes are placed on the tops of the boxes, and citizens are asked to follow them carefully. These boxes are NOT for rubbish, crumpled papers, or cigarette stubs!

These boxes are another evidence of the cooperation of high school students in Civilian Defense activities.

The dozens of posters about town which have called attention to Clean Up For Defense week, Save Your Tires Campaign, and collection boxes for tubes and medicine bottles have been made by high school art students under the direction of Miss Lucille Wood.

Funeral services were held Wednesday morning at the Kelley chapel, 27 North Sheridan road for Mrs. Charlotte Cushman Ratcliffe, wife of Myron F. Ratcliffe, Vine avenue, who was found dead at her home Monday. Burial was in Charlottesville, Va.
