

Continue Work on Knapsack Libraries

Because the soldiers at Fort Sheridan desire more knapsack libraries, plans are being made by girls of the Highland Park high school to continue the making of these libraries during the summer months.

The collection of the magazines will be done by Ernie Manassi, many of which are obtained from the local U. S. O. centers.

The organization of a group of volunteer summer workers will be handled by Cynthia Howe and Dobby Evans. They will endeavor to enlist the aid of a number of girls who will be able to spend several hours a week on this project.

Speaking at the Dad's Smoker last Tuesday, Martha Lefler stressed the fact that more magazines were needed to complete 600 Knapsack Libraries by the end of this week. Many of the dads responded by donating to the school several piles of dated magazines.

According to Mrs. Martin, all that is needed to make the summer work a success, is space in which to work and a supervisor.

At the present time the job of putting the stories together has been divided among several girls' sessions. Miss Weidin's girls are taking all the stories from "Colliers." Cartoons are being placed in book by the girls in Miss MacMartin's senior session. Small magazines, such as "Cosmopolitan," "Redbook," and "Liberty" are being inspected and stories from these magazines are being used by Miss Anderson's junior girls.

Seguin-Logan and Neilds' Open Softball Season Friday Night

Tomorrow (Friday) night, under the lights at Sunset Park, a crowd of over 1200 is expected to fill the bleacher seats to watch two Highland Park rival teams, Neilds Sport Shop and Seguin and Logan, clash in the opening night softball game of the season.

In the Neilds lineup there will be two new players, who last year played on the Great Lakes team and are now stationed at Glenview. These new members are Bernie Worack, an outfielder and Johnny Nolan, pitcher. The game will be called at 8:45. Following is the lineup:

Neilds	Seguin and Logan
L. Gumbiner, ss	C. Hart, ss
A. Sordy I, 3b	E. Hall, c
J. Sheahan, c	J. Hickey, 3b
B. Peterson, cf	Geo. Hall, 1b
T. Inman, 1b	J. Cote, 2b
E. Inman, rf	F. Dalle Valle, rf
P. Brennan, lf	F. Ronzani, lf
J. Sasch, 2b	B. Laing, cf
B. Worack, rc	P. Schneider, p
B. Hall, p	C. Slack, rc

Summer Program For Boys-Girls Being Formulated

Summer plans for Boys and Girls Hobby Clubs at the Community Center are now being made by the Summer Activities committee under the leadership of Mrs. David Levinson.

Resolutions of condolence, cards of thanks, obituaries, notices of entertainment, or other affairs where an admission charge is published, will be charged at regular advertising rates. Ivan N. Adair, Editor and Publisher; Ben Droste, Managing Editor; Chas. R. Adair, Circulation Manager.

Christian Science Lecture Given Tuesday Evening

A lecture on Christian Science entitled "Christian Science: The Religion of Comfort and True Friendship" was given Tuesday evening at the Deerfield School Auditorium by Oscar Graham Peeke, C.S.B. of Kansas City, Missouri, member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, under the auspices of First Church of Christ, Scientist, Highland Park. Mr. Peeke spoke substantially as follows:

Christian Scientists regard the Bible as their guide to that true state of existence about which Jesus so loved to teach. The opening chapter in that sacred volume records God's spiritual and only creation; also it is there indicated that God intended that man's existence should be inestimably grand and idealistic, for the statement is made that God created man in His own image and likeness, and that He gave man dominion over all the earth. The teachings of Christ Jesus and of Christian Science amplify that statement, and unfold its infinite meanings. These teachings are humanity's beacon lights; they need to be understood. They show us how to live healthfully, happily, peacefully; how to establish true and lasting friendships, how to live in the comfort of God's abundant goodness.

In the light of Christian Science it is seen that mortal, material existence is a dream of life, substance, and intelligence in matter, and that it is therefore separate from, and unknown to, God. The textbook of Christian Science, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, makes this quite clear to those who study it in connection with the Bible. We learn from these books how to awaken from the mesmeric belief of material living. In this textbook Mrs. Eddy states (p. 14), "Entirely separate from the belief and dream of material living, is the Life divine, revealing spiritual understanding and the consciousness of man's dominion over the whole earth. This understanding casts out error and heals the sick, and with it you can speak 'as one having authority.'"

Christian Science Healing
In Christian Science healing the basis of thought must always be perfect God and perfect man. Having this basis of perfection, the purpose of Christian Science extends far beyond the healing of physical disorders. The principal part of its work is to lead humanity out of the darkness of sinning sense, into the light and joy of God's kingdom, here on earth. Naturally, healing sickness, restoring the so-called incurably diseased and dying to lives of usefulness, is a great and necessary step in this direction, for much bodily discord is brought on by sinful living; and healing is accomplished by overcoming the errors in the human consciousness which cause such discord. All discordant conditions, of whatever nature, are due to wrong thinking of some sort. Even many of the medical doctors are admitting that today.

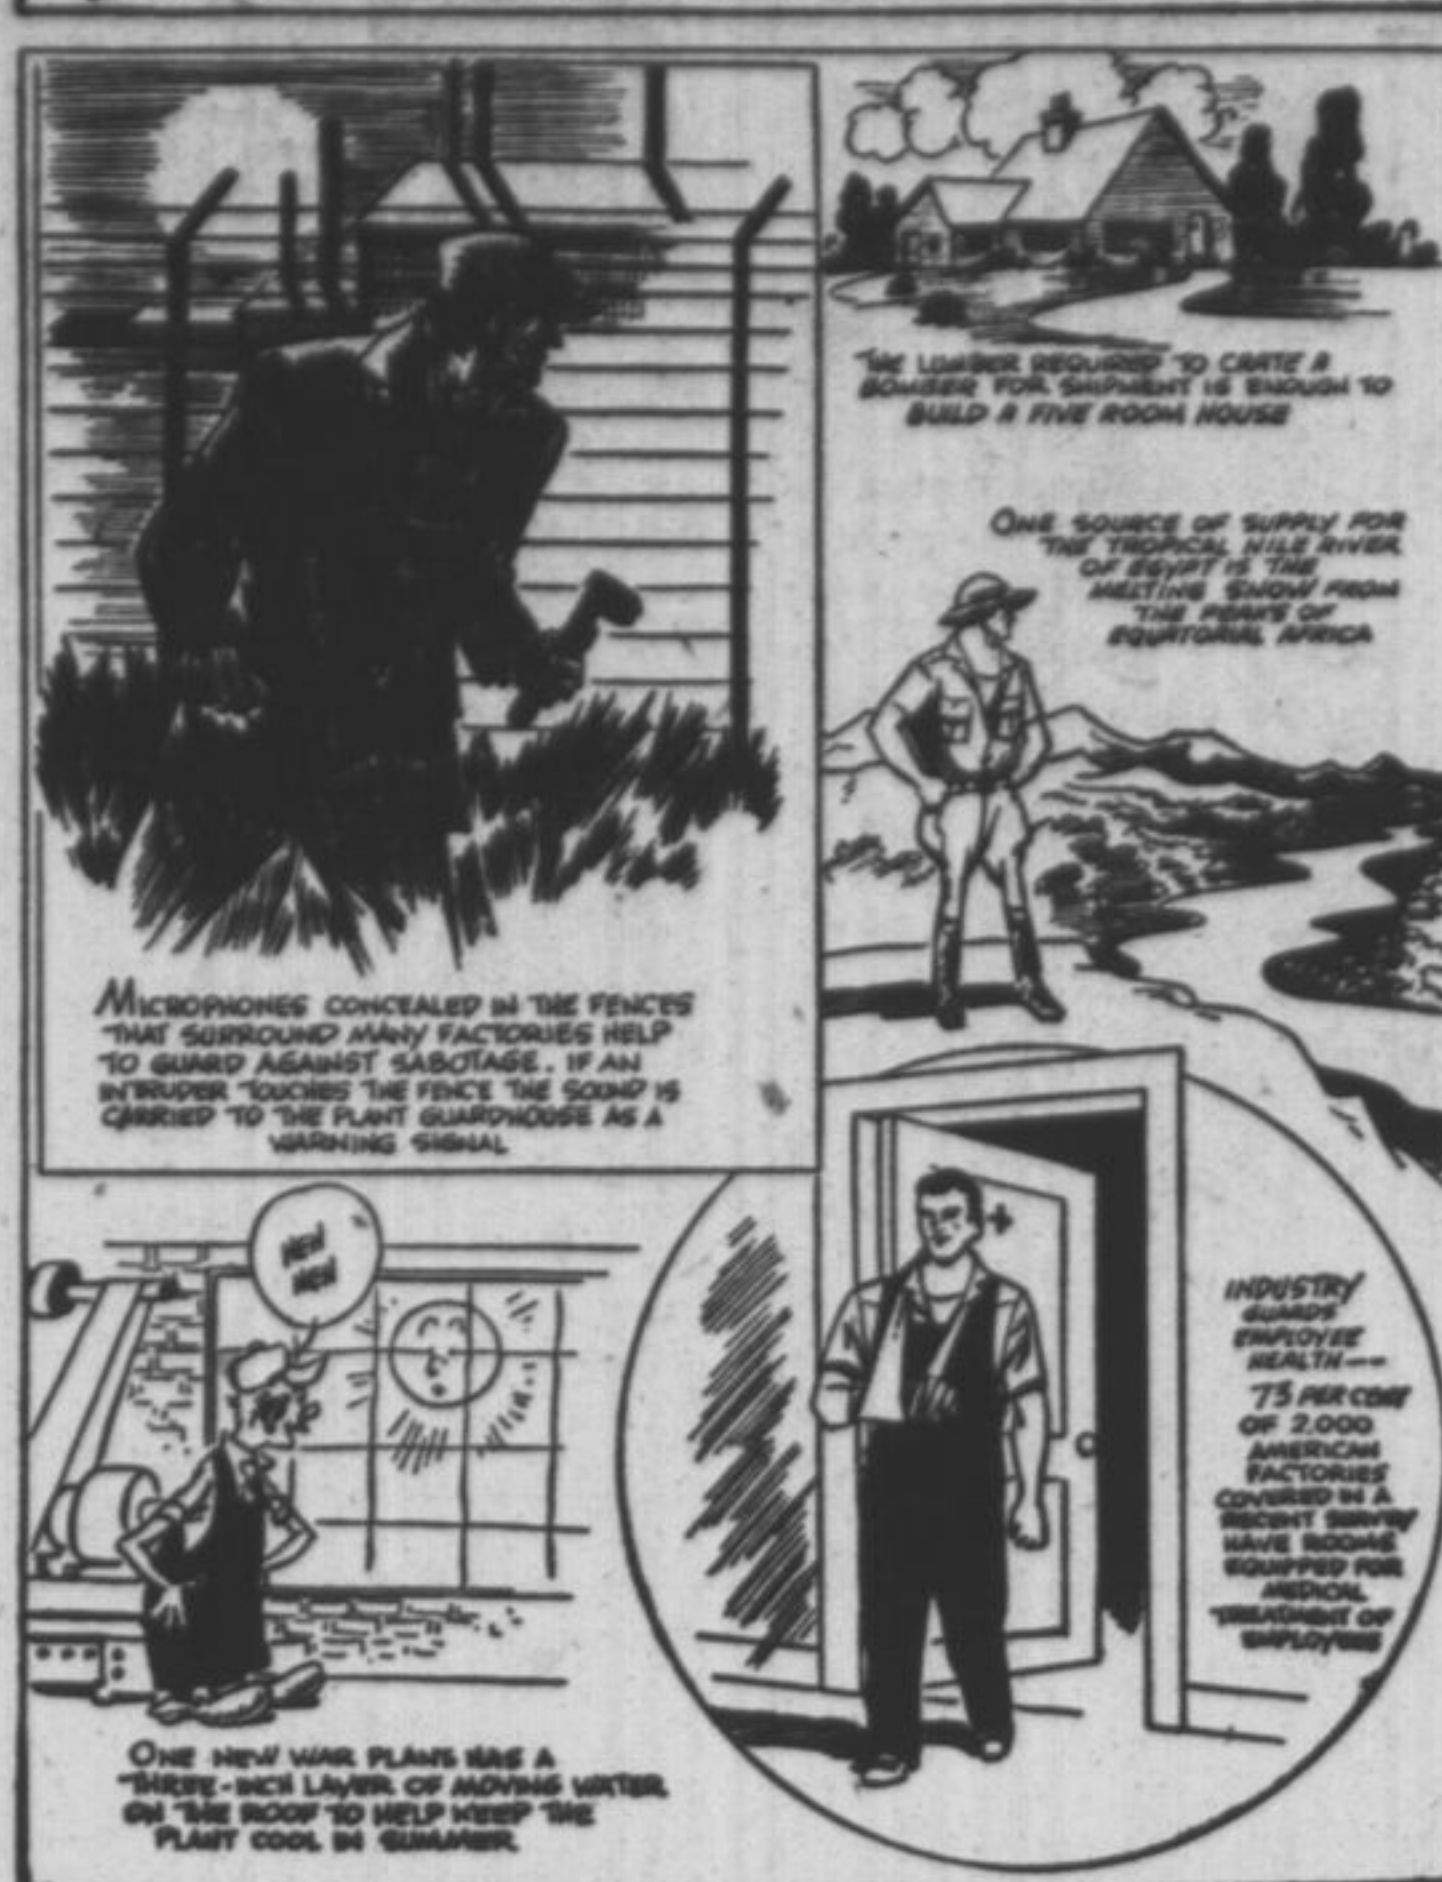

Christian Science has nothing in common with any curative system in which the human mind is a factor. The human mind cannot heal. Its use, either as will power or suggestion, can only effect a temporary cure; and the last state of the patient is worse than the first. Such so-called healing was

Bonn and Weddell Awarded Scholarships

Betty Weddell and Dorothy Bonn, seniors at the Highland Park high school, were announced last Friday as the winners of the girls club scholarship.

Because the two girls' qualifications were so parallel, the committee, consisting of Miss Morgan, Dr. Spears, Miss Griswold, Mrs. Peers, Shirley Wing, president of the club, and Sue Curtis, treasurer, decided to divide the money in half, giving the girls \$100 each.

THE POCKETBOOK OF KNOWLEDGE

Betty Lou Danver Tommy Brown Wed

Mr. and Mrs. H. C. Danver, 714 S. Ridge road, announce the marriage of their daughter, Betty Lou, to Tommy W. Brown, 353 Bloom street, Highland Park, on September 13, 1941.

Midget Auto Aces In Opening Races Sunday at Riverview

Seven states are represented among the ace drivers who have filed entries for the program of eight events, which will inaugurate the season of midget auto racing next Sunday night (May 17) at the Riverview Speedway, on Addison street near Western avenue.

Among the out of town stars who will challenge Chicago top liners are Myron Fehr, Frank Buraney and Gus Klingbiel of Milwaukee, Pete Nielson of Los Angeles, Eddie Kracke of Omaha, Neb., Art Hartefeld of Detroit, Roscoe Hough of Fort Wayne, Ind., and Ted Hartley of Roanoke, Indiana.

Heading the Chicago area entries are Ted Duncan, who will defend the season title he won last year at the north side speedway; Ray Richards of Highland Park, who has copped more long distance races than any other midwest pilot including the 1941 national 100 mile title; Tony Bottenhausen, runner-up last year for the Three A midwest big car championship; Emil Andres, veteran Indiana polis 500 mile race driver, and Cowboy O'Rourke, former Evanston titleholder and winner of many important sectional events, who returns to active competition after having been on the retired list for a year owing to a crack-up.

With the opening of the outdoor season, the team feud, which enlivened the indoor season recently closed, will be resumed with Duncan, Bob Muhleke and Bettenhausen, pilots of Nuntz-Nichols Offenhausers, opposing the famed Leader Card trio of Richards, Fohr and Nielsen. The latter team had the upper hand indoors with Fohr and Richards finishing one-two in the point ratings for the midwest title.

Time trials are set for 7:30 p. m. and the first race for 8:30. spoken of in Jesus' day as casting out devils by Beelzebub.

The method in Christian Science is the same as that made use of by the Master. The Christian Science practitioner must always discern, in place of a sick mortal, the perfect man, spiritual and immortal. If his thought is clear enough to do this, he will readily heal the patient. The spiritualized consciousness which discerns and mentally declares the spiritual reality of man's being acts powerfully on the sick mentality, uncovers and drives out the mental error and restores harmony to the body.

Piano-Violin Winners To Be Heard June 5th

The winner of the Senior, Junior, Primary Divisions of Piano and Violin artist contests of the Society of American Musicians, will be heard in a recital at Kimball Hall on Friday evening, June 5th, Bertha Ott Award. The participants are Bertine Corimby and Jean Morgan, violinists (Senior Division) Ruth I. Tengwall, Violinist (Junior Division) Robert Jesmer, Jean Stern, pianists (Primary Division) Amo W. Cappelli, Irene Eckert and Dina Rose Koston, pianists (Junior Division) Joan Rottinger and Lillian Najarian, pianists (Senior Division).

Korn-Crafton Recital May 27 At Kimball Hall

Dorothy Korn organist and Perry Essig Crafton, violinist, winners of the young artist contest, Society of American Musicians, will be heard in a joint recital at Kimball Hall on Wednesday evening, May 27th at 8:30 Bertha Ott Award.

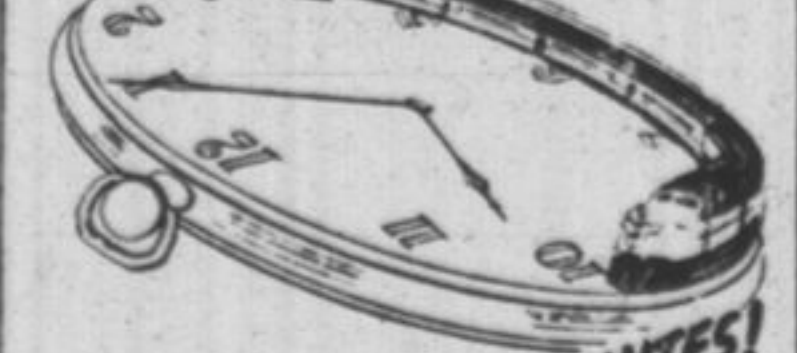

Miss Korn is a native of Michigan City, Indiana, and at the age of six her talents as a musician started with the piano. Later came her interest in the organ thru the inspiration of her father, August Korn, whose activities as organist centered in choir and church work. Mr. Crafton is a native Chicagoan and received all of his musical education here. He is concertmaster of the Civic Orchestra and on May 18th will appear as soloist with the Illinois Symphony Orchestra.

PROGRAM

Two New First Aid Classes Are Forming

In response to many requests to the Civilian Defense headquarters and to the Red Cross Aid staff; two first aid classes are now being formed, one a morning class and the other an evening class.

The morning class will meet on Tuesday mornings at 9:30 at the Community Center. It will start on May 19. The class instructors will be Mrs. M. B. Todes and Mrs. B. G. Davis.

The evening class will meet on Wednesday evenings at 7:30 and meets at the Fire Station on Green Bay Road. The starting date is May 20 and the class instructor will be Ray Sneed.

This is an excellent opportunity for many who want to get their first aid training at this time. The class work consists of 20 hours of first aid training and the American Red Cross issues certificates to those who successfully complete the course.

Interested persons should register for these classes at the Civilian Defense Headquarters, City Hall; telephone 1400.

Musical Arts Piano Series Tickets On Sale

Seats in Orchestral Hall for the 1942-43 Musical Arts Piano Series went on a "first come, first serve" basis today as the pre-campaign for renewals ended, according to Ralph McAllister, director of the Adult Education Council, sponsors of the series.

The first four weeks of the annual subscription drive gave precedence to last year's subscribers renewing the seats they occupied during the past season. Plenty of good seats are now available to new subscribers.

The season pass to the distinguished Tuesday cycle of great piano music gives Chicagoans six recitals by top-flight pianists at "less than movie" prices.

Pianists engaged for next season are Claudio Arrau, Artur Schnabel, Rosalyn Tureck, Guionar Novaes, Rudolph Serkin, and "Chicago's outstanding young pianist", recently selected in public competition, Miss Dorothy Crost.

Subscriptions are on sale at the Adult Education Council's offices, 224 S. Michigan Avenue. Reservations may be made by calling Harrison 9047.

HELEN C. GOLDEN

The Glencoe Theatre and the Highland Park Press invites you to be their guest at the Glencoe Theatre. If you will call at the office of the Press, 516 Laurel Avenue, you will be given a pair of passes, which may be used any time this week.
