Memorial Day Observed By Legion Post 738

About 150 grownups and children participated in the Memorial Day program and parade sponsored by Deerfield American Legion Post No. 738 and its Auxiliary at the Deerfield Grammar School.

After the singing of the Star Spangled Banner, led by Mrs. Edna Orsborn the audience remained standing for the invocation pronounced by the Rev. Father Murphy of Holy Cross Church.

With Mrs. Dwight Merrill accompanying at the piano, Mrs. Edna Orsborn sang "There is No Death", after which Commander Fordham introduced the Rev. Bernard Vanderbeek of the Presbyterian Church whose address of comfort and inspiration was enjoyed by everyone; even the children remaining quiet and attentive throughout.

Mrs. Carl Scheer, President of the Auxiliary was introduced by the Commander and after a few words of greeting, she introduced Mrs. Edward Jacobson, the 1942 Poppy Chairman who gave a report on the proceeds from the sale of poppies and told how the money will be used to help those veterans of this present war as well as the last war, who are in need.

Mrs. Jacobson exhibited the Poppy Posters made by the School Children of Deerfield and prizes consisting of Defense Stamps were awarded to the winners; Carol Jacobson of Deerfield Grammar School and Jeanine Clavey, Nancy Shaw and Pat Kelley of Wilmot School.

The Posters made by Watler Deal of Wilmot; Barbara Hunter and Anne Corrough of Deerfield; and Pat Nall, Nancy Jamison and James McDermott of Bannockburn received honorable mention.

Mrs. Scheer handed the check received from the Treasurer of the Tenth District, representing the second prize in the District Essay Contest to Margery Cruickshank, the winner; then introduced Betty June Plagge, the Junior President, who presented an order

for a flag for the outdoor flag poles to Lester Ball for Deerfield Grammar School and to Mrs. Charles Kapschull for the Wilmot School.

Although other duties had called Father Murphy away from the assembly before the Unit President could include him in her greeting, she took this opportunity of acknowledging publicly to the representatives of Holy Cross Church, the auxiliary's gratitude to him and to them for the privilege of holding its meetings at Holy Cross School.

After the singing of "Taps" by Mrs. Orsborn, Commander Fordham requested the audience to gather at the School Flag Pole for the Flag Raising Ceremony.

The Legion and Auxiliary members, the Juniors (in their blue caps and capes), the Boy and Girl Scouts and the School Children took the places assigned to them in the parade and marched to the Deerfield Cemetery, led by Lyle Fordham, Commander; and Milton Olson, Parade Marshal; the American Flags of the Legion and Auxiliary borne by Post Commander Philip Scully and the Auxiliary President, with Comrades Uchtman and Dunham as honor guards; followed by the other American Flags and the organization flags. As in other years our Chief-of-Police, Percy McLaughlin preceded the parade and controlled the traffic. The drummer was Harry Baum.

At the Cemetery, after the prayer by Rev. H. Piepenbrok the flag-marked graves of the veterans were decorated by the school children; evergreen sprays were placed on the graves of the three Unit members buried there; a volley to the dead was fired and taps were sounded by the buglers: Charles Uchtman and Carl John Bates.

Several of the Auxiliary members also went to the Northfield Cemetery to place a spray on the grave of a former member, Mrs. Mary Huhn.

Mr. and Mrs. Trygve Nelson announce the birth of a daughter born Wednesday, May 20 in Chicago. The mother is the former Elsie Ott, daughter of the John Otts, Oakley Ave.

Train Red Cross Nurse's Aides At Evanston

Volunteer Nurse's Aides of the American Red Cross are to be trained at the Evanston Hospital and members of the new classes are now being enrolled at Red Cross headquarters, it has been announced by Mrs. Arthur Spiegel, chairman of the Nurse's Aide Corps of the Chicago Chapter, American Red Cross. Volunteers may apply at Red Cross headquarters, 616 S. Michigan avenue, or at their OCD community headquarters.

"This new training center will give women residing on Chicago's far North side and in North Shore communities an opportunity to serve near their homes in the rapidly growing Volunteer Nurse's Aide Corps," Mrs. Spiegel said. "We particularly need women volunteers who can give hospital service during the day."

The training course for Volunteer Nurse's Aides requires seven weeks, a total of 85 hours. The first 40 hours are devoted to classroom lectures and demonstrations and the final 45 hours consist of practice work in hospital wards. Evanston Hospital has offered its facilities for the full 85 hours of training.

Applicants for the service must be American citizens between the ages of 18 and 50, high school graduates, and are asked to present three references and a physician's statement of physical fitness.

Upon completion of their training, Volunteer Nurse's Aides are pledged to give two days a week of hospital service in their home communities for the duration of the war. They assist professional nurses and help relieve the shortage of nurses in civilian hospitals caused by the demands of the armed forces.

Miss Fanny Mirabella, S. Waukegan Rd., has returned home from the Molther Cabrini hospital, Chicago, where she has been a patient, recuperating from a broken ankle.

Really NEED a New Car? Liberalized rules may let you get one

If your work is connected directly or indirectly with the prosecution of the war, you may be eligible to buy a new car—right now.

Under newly liberalized rationing rules it is easier than most people think to replace cars now in use with brand-new, long-lived, gas-thrifty 1942 Buicks.

Maybe you can wash out worries about tire-life by starting afresh with a complete new set—tires that will last longer, if they're on a Buick, because new Broadrim wheels both ease the ride and lengthen tire-life.

Remember, the 1942 models your Buick dealer now has ready for immediate delivery were built to serve you through the duration and beyond.

They are wartime tough, durable beauties built to last, built to go a long, long way with a minimum of upkeep.

So if you're eligible, you may be money ahead getting a new Buick now rather than trying to make an old car "do."

Why not drop in, talk it over and see if the new liberalized rules do not entitle you to a new automobile now?

Who is Eligible to Buy a New Car?

There are seven major classifications for persons eligible to buy new cars under basic rationing rules.

These include persons engaged in the production of war materials or in the prosecution of the war, directly or indirectly, physicians, nurses, clergymen, veterinarians; car-owners engaged in public service, such as fire departments, public health, highway maintenance etc.; owners of taxicabs and other means of transportation; farmers; newspaper wholesalers; and traveling salesmen in certain fields.

Your Buick dealer will be very glad to help you determine whether you come under the rules of eligibility. He also will be glad to help you fill the proper applications.

Don't guess about your eligibility—see your Buick dealer now and make sure.

If you're eligible for a new car—Better Buy Buick!
