HIGHLAND PARK USO NEWS

In spite of the downpour of rain, the musical comedy product, "No, No Nanette," put on by the Chi-Teachers College on June 19 played to a full house, 150 men and 100 U. S. O. girls. Other popular events of last weekend included the Saturday Night Hop, with 135 dancers attending. Andy Jacobs was there with his orchestra of local musicians, and played such stirring music that 26 men were too tired to leave the building, so stayed for overnight sleeping. The next morning Mrs. Truax and her committee served a pancake and sausage breakfast to the boys.

The feature movies, with short subjects, are proving to be successful Sunday night features. Last week Ray Milland and Claudette Colbert were shown in, "Arise My Love," and next Sunday another full length picture, "There Goes My Heart," starring Frederick March and Virginia Bruce will be shown.

A group of small boys known as Rudy's midgets stole the show from recent USO entertainment held in Chicago, and now this amazing jug and whistle band is coming to Highland Park on Wednesday, June 24. Miss Sunde Love will also be present, to entertain with humorous skits. On Saturday, June 27, USO clubs throughout the nation are observing Children's Day, and our program will feature movies and a program by children, from 7:30 to 8:30 P. M., with the cooperation of Mr. X. A 3 act comedy is also planned, followed by the regular Saturday Night Hop at 9 P. M.

Beginning the weekend of July 4, Mrs. Brown will be planning regular Saturday night variety shows for the Club. She has been arranging entertainment for Great Lakes and is handling Sunday variety shows for Waukegan. With her help, even better entertainment can be promised our guests.

June 30 Deadline For Offset Credit Against U. S. Tax

Employers who still owe 1941 contributions to the State under the Illinois Unemployment Compensation Act have until June 30 to obtain offset credit against the three per cent Federal Unemployment Tax, State Labor Director Francis B. Murphy advised today.

"If 1941 contributions, together with interest due, are not paid by that date, employers who are delinquent face the prospect of not only owing this money to the State, but the entire three per cent to The Federal government as well," Director Murphy warned.

"Employers who pay delinquent 1941 contributions by January 31 of this June 30 deadline can obtain offset credit of 81 per cent against the Federal tax," he said. "To obtain credit, contributions must be received by the Division of Placement and Unemployment Compensation by that date, or be postmarked not later than midnight of June 30."

Only employers who paid their 1941 contribution by January 31 of this year were given credit for the full 90 per cent against the Federal tax, the Director explained. Employers who have not settled up by June 30 will be required to pay the full amount due both State and Federal governments.

Under the Illinois law, interest at the rate of one per cent a month is charged on all contributions that are not paid on time. Contributions due the State for 1941 became delinquent after January 31 of this year.

Checks for payment of contributions should be made out to the Director of Labor and mailed to the Division of Placement and Unemployment Compensation, 222 West North Bank Dr., Chicago.

Highwood USO News

For the first time in history Highwood will be heard over the air! Mark Love, opera star formerly with WGN and now program director for station WHIP in Chicago, will bring his Curtias Candy Money Bags Quiz program to town on Wednesday, July 8, the locale being the Highwood U. Eight o'clock has been set as the opening hour of the broadcast.

At that time arrangements will be discussed for a weekly broadcast from the club. Furnishing talent for the project, should it materialize, would be the Military Players, who meet every Tuesday and every Thursday at the clubhouse under the direction of Pvt. Bob Umans, who toured for five months as Willie in a revival of "The Family Upstairs" and played it in New York. He has done summer stock and variety work in New York and Florida, television work for RCA and radio with CBS. He was featured in "New Faces."

Many Highland Parkers are assisting with scenery work in the group. They are George Straub, designer and painter for Braeside Players, Roy du Chateau, designer, and Bert Ray, layout man. Mrs. E. I. Payne of Chicago, radio actress over WHIP under Mark Love, is advising the group while Miss Esther Sachs of Chicago, who runs her own drama studio, will do makeup and assist with directing, as will Miss Gertrude Wagner of Highwood. Miss Jean Levy, stage designer, will do sketches for the scenery.

He's proud of the job he is doing—and we're proud of him for the way he does it.

The freight handler is symbolic of all railroad employes. Imbued with the spirit of helpful cooperation, they are "all out" for Uncle Sam.
