

Soldiers to Entertain By Presenting Comedy on Oct. 2

Fort Sheridan soldiers will make their appearance behind the footlights when they turn the tables and "help" others they know, by giving to the USO.

Under the direction of Pvt. Bob Umans of New York, the soldiers together with the help of other members of the Military Players will present the comedy hit, "The Family Upstairs" on Friday, Oct. 2, 8:30 p.m. at the Highland Park high school auditorium.

This three-act play depicts the life of the laughable but lovable Heller family, and had a successful run on Broadway. Pvt. Umans who played the comedy lead on the professional stage, both on Broadway and on the road, will enact the same role in this production, namely that of Willie, the unpredictable son.

The part of the father will be played by Pvt. Art McKinnie of Evanston, former instructor of English at the New Trier high school. Pvt. Bill Scanlan, a reporter for the "Fort Sheridan Tower," will portray the role of Chas. Grant, the romantic lead, and Sgt. Leo A. Tremblay of Central Falls, R. I., will play the part of Mr. Callahan.

Catherine Payne of Chicago, free lance radio actress, will enact the role of the Mother and Miss Mary Casario of Highwood will be little Annabelle, the younger Heller daughter. In the role of Louise, the elder daughter, will be Miss Gertrude Wagner of Lake Bluff.

Tickets for this production are now on sale with all seats being reserved. Mail orders may be sent to the Military Players, USO, 428 Railway ave., Highwood. The entire proceeds will be turned over to the USO.

Colin Sanborn Is Commissioned In United States Navy

Colin C. Sanborn of 1612 Pleasant ave. has been commissioned a lieutenant, senior grade, in the United States navy. He served with the army in the last war and was a member of the 149th field artillery in the Rainbow division.

Since 1912, Lt. Sanborn has served as curator of mammals at the Chicago Field museum and has taken part in many of the museum's important zoological expeditions in South America. In 1938 he was awarded a Guggenheim foundation fellowship in science and went to Europe to conduct special research.

He began his active duty Sept. 1 and is now studying at Cornell university.

Governor Asks All Citizens to Register For November Election

Governor Dwight H. Green has pledged his active support of a state-wide campaign to impress upon all citizens of Illinois that it is their civic duty to register by Oct. 6 in order to vote in the November election. The Governor's statement followed a conference with members of his cabinet and civic leaders of the state.

"In November a United States senator, members of congress, certain state officers, three trustees of the University of Illinois and state senators and representatives will be elected," Governor Green said.

"We have heard those who advocate political unity as a part of war unity—entrusting to one political party the entire conduct of all our affairs—in fact a political recess which would destroy the two-party system upon which our government is fundamentally based.

"The only balance for administration by any party is the opposition of another able, strong and patriotic party. A single party, unchecked by sincere criticism and honest opposition will reach extremes.

Two-party System

"It is only through the two-party system of government that we can preserve the states' place in the national pattern and that we can remain a constitutional republic. The republican form of government assumes that men in general are better able to rule than any particular man. Our republican system is the best political order yet devised for attaining a practical maximum of self-determination.

"The only way to preserve the two-party system of government, and thus insure the continuation of our constitutional republic, is through the ballot box. All citizens qualified to vote should do so under Illinois' new permanent registration law, every voter must be properly registered.

Ashley Thomas Is Commissioned Officer

Among the 600 graduates of the officer candidate school at the Aberdeen Proving Ground, Md., on Sept. 1 was Ashley Chester Thomas, son of Mr. and Mrs. H. I. Thomas of 603 Glenview ave., and the husband of Mrs. Eleanor Thomas of South Haven, Mich.

Second Lieutenant Thomas is a graduate of Illinois Normal university and attended Northwestern university. He was chosen All-American cheer-leader in 1938 and appeared in the All-Stars vs. Washington Redskins game. He entered the army through the selective service Apr. 16, 1941.

Record Number of Officer Candidates in 'Fly for Navy' Drive

With Illinois navy air cadets leading the way, this area's intensive "Fly for Navy" drive moves into its second and last month with a record 830 flying officer candidates "signed on" during the first 31 days of the special effort. This number is almost equal to the total of 927 cadets enlisted in all of 1941.

Although slightly under the pace necessary to reach the drive's goal of 20,000 cadets, last month's record of enlistments was considered encouraging by the Naval Aviation Cadet Selection board in Chicago. The mark sets the stage for a big surge of youths this month, when the real effects of "Fly for Navy" are expected to be felt.

Illinois citizens have responded generously to the "Fly for Navy" drive with the 100-member First World War Naval Aviators' leading the way in the Chicago area. This patriotic civilian organization has been directly responsible for the formation of thir-

teen "Chicago's Own" squadrons. Highlights of the group's first month's recruiting was the induction of 220 "Fly for Navy" cadets as a feature of the Chicago Music festival in Soldier field on August 15.

Other squadrons organized in the wake of the "Fly for Navy" drive in northern Illinois include the "Blackhawk Thunderbirds" of Rockford, Waukegan and Freeport, special units each of Chicago's north shore suburbs, "Joliet's Own," and an Elgin group.

High school graduates who are unmarried and 18 through 26 years are eligible to apply for flight training in their own special squadron. Application may be filed either with members of special local "Fly for Navy" civilian committees, at the nearest navy recruiting station, or at the Naval Aviation Cadet Selection board, 141 W. Jackson blvd., Chicago.

League Upholds OPA in Enforcing Price Ceilings

The National League of Women Voters came to the defense of the OPA in its efforts to enforce price ceilings, rent control and rationing, in a dodger on inflation just released for nationwide distribution.

The 90 cents per person which it will cost to enforce price, rent and rationing regulations, the National League of Women Voters says "is cheap at the price if it keeps inflation from overrunning the country." To those persons who object that "prices haven't gone down and some have gone up," the league points out that prices were ordered reduced only if they had increased since March.

The blame for the increase in the prices of farm products the league places with Congress which provided that no ceilings could be placed on them until they reached certain levels, one of which is 110 per cent of parity. Answering the argument that a program which is driving some people out of business cannot be "fair," the league declares that they, as well as many others would probably be driven out of business "if inflation ran rampant."

The league urges that people judge the anti-inflationary measures of the OPA by the total effect of the full program rather than by the unrelated bits they see daily. "There is danger that we will not see the forest for the trees," says the dodger.

CONSERVE TO PRESERVE OUR FREEDOM
Conservation has become the national by-word the past few months... Saving now plays the leading role in the drama of patriotic duty. Since you American women spend 85% of the money earned, the success of conserving our national wealth rests with you. Buying wisely therefore gets first mention in our present struggle for victory. There is no wiser buy than a Wilson's Certified Tender Made Ham, for it doesn't cook away, so there's practically no cooking loss... no costly shrinkage, resulting in more servable ham for your table.

A Friendly Meal
WILSON'S TENDER MADE HAM WITH SPICY PEACH SAUCE* GINGERED SWEET POTATOES FRIED CARROTS AND APPLES PURPLE AND WHITE CABBAGE SALAD WITH WILSON'S MAYONNAISE ROLLS BUTTER LEMON SPONGE PUDDING COFFEE

***SPICY PEACH SAUCE**
Blend 3 tablespoons of Tender Made Ham drippings with 3 tablespoons flour, and brown, slightly. Slowly add 1 cup of water or fruit juice, and finally add 1/2 cup of spiced pickled fruit juice (drained from spiced pickled peaches). A similar sauce can be made substituting juice drained from any pickled fruit, such as pears or crabapples. Apple cider can be used if desired.

TENDER MADE HAM TIMBALES
(Uses for left-overs)
Heat 1 cup stale bread crumbs with 1 cup of milk. Add 4 tablespoons butter, 1 cup chopped Tender Made Ham, 1/4 teaspoon salt, 1/4 teaspoon pepper. Fold in 2 beaten Clear Brook egg whites and bake in well-buttered mold set in pan of hot water for 20 minutes or until firm. Do not remove from mold after the timbale has baked, for at least 5 minutes, or set in cold water for a minute. To serve... garnish with hard-cooked Clear Brook Eggs and serve with horseradish or mustard sauce.
Yours for more saving,
George Rector

Bomb 'em with JUNK

Let's blast Japan—and Germany—and Italy—with the chain lightning of destruction that can be built from the scrap in our cellars, attics and garages, on our farms and in our places of business.

Scrap iron and steel, other metals, rubber and waste materials. It will all be used to make tanks, ships, planes and the fighting weapons our boys must have. It is needed at once.

Sell it to a junk dealer—give it to a charity or collection agency—take it yourself to the nearest collection point—or consult the Local Salvage Committee... If you live on a farm, and have found no means of disposing of your Junk, get in touch with the County War Board or your farm implement dealer.

Throw YOUR scrap into the fight!
