Benefit Bridge Parties Will Be Given For Bluejackets

The Highland Park chapter of Bundles for Bluejackets has been asked to furnish 1000 Christmas stockings toward the quota of 65,000 to supply the recruits in this area with a Christmas remembrance. Each stocking will contain candy, gum, a game, and other small items of interest to the boys.

In order that no boy at Great Lakes will be forgotten at Christmas time, the Highland Park committee is organizing a series of benefit bridge parties to raise the money for their quota of stockings, and, also to raise additional money for the wool fund for sweaters, scarves, mittens, watchcaps, etc.

Mrs. Thomas Creigh, Highland Park chairman of Bundles for Bluejackets, has organized a committee of twenty-five to sponsor the parties. Several of the committee members, as well as Mrs. Creigh have a special interest in working for the Bluejackets, for they have sons of their own in the navy. Mrs. Creigh's three sons, Lieutenant (jg) John D. Creigh, Ensign F. Connor Creigh and Ensign Frederick T. Creigh are on active duty. Mrs. Raymond Herman, vice-chairman of Bundles for Bluejackets, has two sons serving the navy; Randolph Herman who is in training at a naval training station, and Ensign Grant Herman. A third son, Hamilton, is in his last year of training as an aeronautical engineer.

Mrs. George Childs, the treasurer of the committee, has two navy sons, Lieutenant (jg) Robert L. Childs and Ensign William C. Childs. Mrs. Everett L. Millard's son, Ensign Everett L. Millard, and Mrs. Howell Murray's son, Ensign Howell Murray Jr., are also serving in the navy. Ensign Howell Murray Jr., was recently cited for bravery in action while on convoy duty.

Many Highland Park people who have made contributions toward the comfort kits have received thank you letters from the navy boys who received the kits.

Anyone wishing to contribute to the fund for the Christmas stocking or for wool may send their contributions to the treasurer, Mrs. George Childs, 850 N. Sheridan road. Knitters are, also, needed. Call Mrs. Thomas Creigh, H. P. 189, for wool and instructions. The need for funds and for knitters is urgent, states the committee.

Recreation Program For Children Is Discussed By Council

Mrs. Carroll Binder, appointed by Mayor Frank Ronan as chairman of youth activities of the civilian defense, discussed "Our Recreation Program—What It Has and What It Hasn't," at a meeting of the Highland Park coordinating council Wednesday evening. Two years ago Mrs. Binder headed a committee of the coordinating council which made an extensive survey of the actual physical facilities in Highland Park for recreation purposes. This survey paved the way for the establishment of the U. S. O. which the Coordinating council initiated in Highland Park and maintained for several months. It was extensively used by Nick Young, first director of the U. S. O. in organizing activities for service men here.

The new youth activities committee proposes to study recreational activities offered various age groups in Highland Park exclusive of service men and to offer suggestions for an adequate supervised recreation program for every season of the year.

Following Mrs. Binder's talk the delegates representing the 72 organizations in Highland Park answered a roll call telling the special war activities of each group represented.

Report on Calendar Mrs. Theodore Osborne reported on the community calendar which for the past two years has been used by every organization in Highland Park. The calendar records all civic, church, school, service and social activity in order to avoid conflict in dates. Mrs. Osborn keeps two copies continually up to date. One copy is available to the public in the Chamber of Commerce office.

The Community Christmas tree on the corner of Laurel and St. Johns avenues will be host for the third time at a carol singing before Christmas. The date will be announced later. School children gave their pennies to buy the Community tree two years ago. Mrs. Helen Mannings, who for many years was the conductor of the high school orchestra, will be in charge of the carol singing this year.

At the last executive meeting of the Coordinating council the following officers were elected: Mrs. James Stannard Baker, chairman; Mrs. Walter Rubens, recording secretary; Mrs. J. Sigurd Johnson, corresponding secretary; Mr. "X", treasurer. Other members of the executive board are Paul Behanna, Mrs. Theodore Osborn, Eugene Pfister, Robert Roebber.

Army Sergeant Is Killed In Highwood By Hit-Run Driver

A soldier temporarily stationed at Fort Sheridan was killed late Friday night by a hit-and-run driver in Highwood.

The other men, who jumped clear of the car told police that they attempted to stop the motorist but were unable to.

Brown was picked up by two passing motorists, Jack Eckhardt and Albert Jager of Wisconsin, and taken to the Highland Park hospital, where he died Sunday night.

Brown lived in Los Angeles with his mother, Mrs. Mary R. Brown, 747 S. Crocker street. His body has been shipped to California for burial.

Explain Purpose Of Thanksgiving Community Dinner

Many people have heard mention of the Annual Community Thanksgiving dinner at the Moraine hotel, on Monday, Nov. 23, at 7 p.m., but they do not exactly know its purpose. John Munro, president of Kiwanis Club, who are sponsors of this event offers the following information:

"The purpose," according to Mr. Munro, "is to create the best in good fellowship amongst all men in Highland Park. This is best created when men of all faiths, from all sections of our own home town come together wholly to enjoy the company of their fellow friends and neighbors in eating and singing and visiting together.

"This is one of the many things we should be thankful for. And that's why we hold this event at Thanksgiving time. And that's why we want to be told about that blessing by representatives of our religious life."

This year Dr. J. D. O'Neil of the Immaculate Conception parish, Dr. Louis Sherwin of the Presbyterian church, and Dr. Charles E. Shulman of the North Shore Congregation Israel will speak on the Thanksgiving theme.

Tickets for the dinner are available from all organizations, Gsell's in Ravinia, Woolworth's, or the Moraine hotel, H. P. 4444.

At this time local men may entertain a service man.

Because of the limited size of the ballroom, tickets will be limited. Reservations should be made early.

LEGION AIDS IN DIRECTING ARMY ENLISTMENTS

Young men of 18 and 19 are enlisting in the army in ever-increasing numbers, but the army has been growing at such a tremendous rate that even greater numbers of young men are needed to preserve the balance between age groups.

The American Legion has been asked by the War Department to supervise and direct the civilian assistance in this recruiting program. All prominent fraternal labor, civic, parents' and young men's organizations have been requested to cooperate fully with the Legion in this work.

In order that young men, who reside in this community, may secure complete facts regarding voluntary enlistment in the nation's armed forces, Dumaresq Spencer post will give such information. This service will be available every day, except Sunday, at the Chamber of Commerce where Past Commander Harry E. Eichler will answer all pertinent questions.

According to Commander William J. Acker, inquiries may be made by telephone by calling H. P. 1939 or 4171. Arrangements will be made to have Legionnaires on duty at the Legion office, 21 North Sheridan road, at least several nights a week.

The Legion will not do any actual recruiting, but will give information about the various types of service open to enlistments and which the volunteer may select.

Former German Lt. To Talk On Concentration Camps

From four of Hitler's cruelest prisons, Ernst Winkler, a former lieutenant in the German army, will bring the truth about Nazism to the Ravinia Woman's club and their friends at an open meeting Wednesday, Nov. 11 at 8 p.m., in the Village house.

The public is invited to hear Mr. Winkler's story and to ask questions of him when the meeting is over. Light refreshments will be served following the lecture. There is no admission charge.

Imprisoned by the Gestapo for his activities in the Catholic Youth movement in Germany, Mr. Winkler spent four years of privation and torture in the concentration camps, then made an escape with his family to this country.

He left Europe with a letter from Sir Samuel Hoare, then British ambassador to Spain, which said, "Mr. Winkler is a refugee from Nazi oppression for whose good faith I can personally vouch. As an enemy of the present regime in Germany I trust he will be treated with all consideration by naval patrols and other British authorities."

When his article, "Four Years of Nazi Torture," appeared last February in the American magazine, the circulation of the magazine increased by more than 700,000. His story, told on the "We, The People" radio program, broke all precedents by being continued for three consecutive weeks. The story has now been published in book form as a historic record of the methods used by the Gestapo.

Mrs. Ellis P. Schmidt, chairman of the house committee, is in charge of the informal reception and tea to be held after the lecture. Those in charge of the tables are: Mrs. E. L. Andrews, Mrs. John Barbee, Mrs. T. V. McDavitt and Mrs. M. J. Scheamecker.

For several weeks the morning roll call has been taken in pitch darkness.

Food Given By Three Local Persons

The following persons from Highland Park gave their blood at the Red Cross Blood Donor center, 5 N. Washburn avenue, Chicago, during the period from Oct. 20 to Oct. 22, and have been added to the community's honor roll:

Fred J. Greenbaum, 901 N. Sheridan road, third time donor; Albert G. Weil, 757 County Line road and Ruth Achterberg, 260 Prospect avenue.

Because of the patriotic response of the Highland Park community to the Red Cross blood donor service in August, the mobile unit is returning to the Highland Park Woman's clubhouse next week, Nov. 9, 10, 11, (Armistice day) and 12, for the convenience of local blood donors.

Donors may register for morning appointments from 9:40 a.m. to 11:30 a.m.; afternoon appointments from 1:20 to 3 p.m. by telephoning H. P. 5515 in the daytime or H. P. 480 in the evening. The unit returns by invitation of the victory committee of the Woman's club, which is in charge of all arrangements.

Following is a letter to Mrs. Herbert R. Smith, chairman of the victory committee, Highland Park Woman's club, on mobile unit's first visit to Highland Park in August.

We Did It Before — And We'll Do It Again THE AMERICAN RED CROSS Chicago Chapter August 12, 1942

Dear Mrs. Smith: We wish to express to you our appreciation for the outstanding job you did in organizing Highland Park for our mobile unit. The five days we spent there set a record in many respects. The four hundred and ninety-eight pints of blood represents the mobile unit's largest take for any five day period. In addition to that, we have never been more comfortably housed or enjoyed a more carefully organized preparation.

Your citizens deserve great credit for the conscientious way in which they kept their appointments. It was a pleasure to serve them and your efficient committee. To you and to Mrs. Pertz, however, go our deepest thanks, for we realize all that we owe to your efforts.

We shall look forward with pleasure to being invited back again.

Very truly yours, Arno Hohn, Director Blood Donor Service

The donation is a simple matter, and is handled by a staff of competent doctors and nurses. After asking a few questions and performing a simple examination, the physician on duty determines whether the donor may safely give his or her blood. From five to ten minutes is required for taking the blood, after which the donor takes a brief rest, is given refreshment and is presented with a bronze button indicating that he has given his blood.

Each day, the blood donated by volunteers is shipped to a laboratory, where it is processed into liquid plasma. The plasma is then dried and sent to army posts and naval stations and vessels throughout the world, where it is injected into the veins of a wounded soldier or sailor in need of a blood transfusion. No military medical unit goes onto the battlefields without a full supply of plasma.

Week's List Following is this week's list of blood donors:

George Scheuchempflug, Marjorie Sheldon, Mrs. Kelloff Speed, Patricia Speed, Alex Stuppel, Mrs. Elaine Struss, Mrs. M. G. Schamberger, Samuel Smith, Germaine Schramm, Mrs. Frances Schneider, Mrs. Mason G. Armstrong, Mrs. Arthur Swanson, Ethel Swanson, Irving E. Meyerhoff, Mrs. M. Felleisenfeld, Mrs. Loris W.
