### Highland Park USO

Highland Park U.S.O. was represented in the party given at Glenview Naval Air base Monday when four hundred North Shore G.S.O. girls in charge of Mrs. Grace Beatty acted as hostesses to eight hundred service men. The occasion was the dedication of the new recreation building. Dance music was supplied by the Glenview Naval Training station band and Mrs. Lucella Schuenemann and Mrs. Charles Mann assumed charge as senior hostesses.

Tuesday night a movie short was shown at 7:30 and craft shop instruction was directed by Frank Fischer. The photo room was open to camera fans and there was dancing from 8:30 to 11 p.m., hostess groups 1 and 2, Carolyn Gleusing and Hazel Weaver presiding.

Wednesday afternoon a card party for wives of service men will be given at 2 p.m. The A.A.T.C. dance band will furnish music for the Wednesday night dance. Winnetka G.S.O. girls will be hostesses.

On New Year's eve a special party will be given with Andy Jacobs' orchestra providing dance music. Highland Park G.S.O. girls will act as hostesses. Special favors and refreshments will be given in honor of the holiday. Refreshments will be in charge of Mrs. Frederick Price of Deer Park.

New Year's day will be informal at home for service men. Craft shop instruction will be given in the evening under the supervision of Jack Kies. The photo room will be open and Andy Jacobs' orchestra will provide dance music. Hostess groups 3, 5, and 7 will supply partners, chairmen Janice Croke, K. Humer and Del Seguin, chairmen. Refreshments will be served at 9:30 p.m.

Saturday night a keeno party will be given at 8 o'clock with prizes. Mrs. Archibald Abercromby of the Highland Park Elks club will be in charge of a group of women serving refreshments. Dancing will be at 9 p.m., a military band supplying music.

There will be overnight sleeping Saturday night and Sunday morning breakfast for servicemen served by Merwin Hopkins and Catherine Simpson.

Sunday night radio entertainers from the Coast Guard Cutters will give a program. A navy dance band will supply music for dancing from 8:30 till 11 p.m.

Cliff Aspregren's band, which has so often obliged with dance music for service men, will very shortly disperse. Cliff expects to go into service with the United States navy shortly.

### In The Nations Service

John Robert Carter, son of Mr. and Mrs. Edgar B. Carter of 2092 South Sheridan road, was recently graduated from recruit training as honor man of his company at Great Lakes Naval Training Station.

A graduate of Highland Park high school in 1934, he attended Northwestern university from 1934 to 1938 graduating with a Bachelor of Science degree in economics. At Northwestern he was a member of Lambda Chi Alpha fraternity. Employed four years at Montgomery Ward and Company, in Chicago, Carter left his job to enlist November 9 as quartermaster, third class.

A past commodore of the North Shore Yacht Club in Highland Park, Carter has participated in Lake Michigan yachting activities for ten years. He left Great Lakes on December 22 to spend a nine-day leave with his parents and his wife, the former Catherine Craig, all of the South Sheridan road address.

James P. Wheatley of 380 Briarwood place, has been commissioned a lieutenant in the Signal Corps at Fort Monmouth, New Jersey.

Edward Carrell, who enlisted as a glider pilot January 3, is in Highwood on a two week's visit with his parents, Mr. and Mrs. S. M. Carrell of Pleasant avenue. He received his preglider training at Stillwater, Miss., and his primary training at Greenville, South Carolina. When he returns to service he will go to the advanced army air force glider school at Stuttgart, Ark., for the completion of a two-weeks' course which will graduate him as a flight officer with wings.

Lieut. Ray Kuehne of the Air Corps, is at home on Glenview avenue on Christmas leave.

Frank Radonsky, who has been assigned to the 1627th service unit, R. C., at Scott Field, Illinois, for a year as first sergeant was commissioned a first lieutenant effective December 10.

A resident of Highwood for thirty-two years, Lieut. Rodonsky is a soldier with a long service record dating back to the first World War days. His record is one of almost continuous service for over 24 years.

He was transferred from Fort Sheridan December 19th of last year and as top sergeant in Area 1 at Scott Field, Lieut. Rodonsky was one of the senior non-commissioned officers in point of service at the Reception Center.

Lieut. Rodonsky is married to Eva G. Wicklander, formerly of Highwood. They make their home at Belleville, Ill.

Warrant Officer Edward L. Lloyd, Army Air Corps and his wife, the former Helen Abram are in Highland Park visiting their parents for the holidays.

Because the rapid expansion of the army and navy has created a demand for more "canned music" from home, the American Legion has approved another nation-wide collection of old phonograph records. New records will be made from the old plates.

Mrs. Robert E. Nereim will make her home with the Roy O. Nereims of Central avenue while her husband Robert is attending yeoman's service school at Great Lakes Naval Training Station.

Dr. D. E. Rossiter, a captain in the Army Medical Corps stationed at Fort Bragg, N. C., is spending the Christmas holidays with his family at their home on Lyman court. Captain Rossiter is a past chairman of the Board of Health in Highland Park, and entered service last August.

"Bill" Bigley, Highland Park high school graduate of 1937, recently graduated from the Officers' Candidate school at Camp Davis, and is now stationed at Fort Sheridan. He is the son of the Elmer N. Bigley's of South St. Johns avenue.

Nothing helps the Fuehrer more Than gossiping about the war!

One of the oldest ranking non-commissioned officers has reported to Fort Sheridan for active duty. He is First Sergeant Michael Davidson of Highland Park, who has spent 50 of his 64 years in uniform—20 years in the British army and 30 in the khaki of the United States.

In 1887—When Fort Sheridan was established, Sgt. Davidson became a trumpeter in the Royal Field Artillery of the British Army at the age of 11. During the next twenty years, 17 of which were spent in India and one in Arabia, Davidson rose to the rank of bombardier, which is equivalent to the rank of corporal on the United States Army, then corporal, sergeant, and finally battery sergeant.

The first of ten enlistments in the U. S. Army was at Fort Sam Houston, Texas, in 1908. He has served at four posts in Texas, one in Minnesota, Hawaii, Panama and two at Fort Sheridan. He retired as First Sergeant in December, 1938. In all ten enlistments, Sgt. Davidson was cited for excellent character.

Recalled from retirement, Sgt. Davidson will be on duty in the Provost Marshal's office at 20 Wacker Drive, Chicago. The day he returned to active duty, his son, William, 19, enlisted.

"I'm mighty proud of him for he's going to make a fine soldier," the veteran sergeant asserted.

American Legion posts have been authorized to place on their membership rolls the names of hero dead of the Second World War from their communities whom they desire to honor.

Sergeant William David Mann, Jr. is home visiting his parents on North Sheridan road during the holidays.

He received his wings from the R.A.F. at Dauphin, Manitoba, on the 18th of December, and will leave for overseas duty this week.

Col. Paul C. Armstrong, State Director of Selective Service, is repeating the timely advice to the young men who have passed the age of eighteen, that the registrants should at all time carry their registration certificates with them. Should the card be lost, the registrant should lose no time in reporting to his local board to get a duplicate.

Mr. and Mrs. Otto Domke of Chicago avenue were fortunate in having both their sons home from service for a visit over the Christmas holiday. Maj. D. E. Domke is in charge of the medical unit of the Caribbean division with headquarters at Miami, Florida. Lieut. Domke is stationed at Victorville, Calif., as an instructor of bombing.

Pvt. John Schafer has returned to Camp Grant after visiting his parents for three days Christmas week.

Highland Parkers who gave blood at Lake Forest college during the Red Cross' mobile unit's stay were as follows: Jerry McCaffrey, 180 Elmwood drive, Victoria C. Mailfald, 622 Glenview avenue, and Raymond Johnson, 245 Lakewood place.

### CARD OF THANKS

The Highland Park fire department wishes to thank all the citizens who remembered them at Christmas time.

Recently a War Production Board letter was sent to all North Shore Gas Company customers. It told how to conserve fuel gas during extremely cold weather when a gas shortage may occur. This letter went out to customers of other Manufactured Gas Companies as well as North Shore Gas Company. Incidentally there are over fifty companies listed by W. P. B. as critical. Thanks to the co-operation of our customers our position is improved, but we still need your help during sub-zero weather.

Ford's new tank engine is of 450 H. P. It has 200 H. P. greater power than the German tank and gives us a 50% advantage in speed.

Great Lakes shipping has hung up a new ore shipping record. Over 92 million tons of ore were hauled this year. Incidentally, 170,000 tons of coal for our Waukegan plant is brought in by those same boats each year.

We need another stenographer. Know one?

We hope you enjoy the New Year!

### "YOU WOMEN CONTROL OUR DESTINY — WITH FOOD" SAYS GEORGE RECTOR

As an American woman you can be proud of the part our country has played in its first year at war. By managing your homes well in the face of many necessary wartime readjustments, and by performing many other war duties such as the wonderful job you are doing in saving your fats and greases for explosives, you women have made an invaluable contribution to the Nation's ability to display fortitude in disaster and to help turn defeat into Victory.

**A Glorious Challenge**  
Conservation of food in 1943 is a challenge to you. Through conservation of food you can sustain our fighting forces in the field and save enough, also, to help feed the millions in the occupied countries after the war.

**America Must Feed the World**  
Do you wonder why this vast responsibility is yours?  
Food is our secret weapon—mightier than any that Hitler can bring forth—mightier than Nazi brutality or Japanese treachery. In fact, as Secretary of Agriculture Claude R. Wickard says, "Food will win the war and write the peace."

Men who eat well, fight well. Civilians who eat well can work well. Food reserves can win wavering neutrals to our side. Food can restore freed nations to a fighting vigor for peaceable reconstruction.

Think of all the food you save next year as a weapon that will bring earlier Victory. Then you will do your part to "share the meat" and other foods.

**Next Year Use Food Carefully**  
In 1943 we may not have the usual supply of certain cuts of beef, lamb, mutton, veal and pork, that have been most popular in the past. However, if you voluntarily follow the government's "Share the Meat" plan, and fully utilize the good meats that are unrestricted, we in America will still be by far the best meat-fed people in the world.

This situation calls for many changes in kitchen management. You will have to plan to buy what is available from day to day and build a well-balanced nutritious meal around it. You'll learn to serve meals fully utilizing delicious unrestricted meats—prepare interesting dishes that will help you stretch your meats. In this way there can be meat on every table every day in 1943.

**New Eating Experiences**  
There are dozens of delicious meats that are unrestricted for consumer use today. Really, they offer many new experiences in good eating. Watch this column during the coming year for the latest information and developments on the food front. I will soon suggest tempting ways to prepare and serve such favorites as Oxtails en Casserole, Broiled Figs Feet "Disable," Kidney Stew a la Rector, Sweetbreads a la King and many others.

Remember, these unrestricted meats are as rich in vitamins, minerals and nutritional values as any cut of meat you have been serving in the past. For flavor and juiciness they can't be matched.

**No Restrictions on Quality**  
While we on the home front must keep our minds on the need for conserving our supplies and of sharing with our neighbors, I want to tell you women that there will be no lowering of the high standards of quality and flavor in Wilson's Certified Meats.

For instance, if your family has a hankering for ham, and you decide to buy ham, remember that Wilson's Certified Tender Made Ham—"the Ham you cut with a fork"—is the ham by which all others are compared for flavor, tenderness and ease of preparation.

The same thing is true for Wilson's Certified Smoked Ham, for you women who prefer to completely prepare your ham in your own favorite way.

And, so it is with all Wilson's Certified Products, Genu Seal Meats, Family Style Bacon, Fowltry, Braunschweiger Liver Sausage, and that favorite, Certified Pure Pork Sausage.

**Serve the Best in 1943**  
It Costs No More

With the present price ceilings you can now buy these famous Wilson's Certified Products for the same price you formerly paid for ordinary products. Thus, you will be unfair to your family as well as yourself if you do not buy the best in 1943, and that's bound to be Wilson's Certified.

Even though you cannot get the Wilson item you desire, just when you want it, ask for it first, before accepting a substitute. It is the one sure way of enjoying to the utmost your appetite for meat. Yours for a well-fed nation,

George Rector  
Food & Nutrition Consultant, Wilson's Co.

BUY A HAM! Today, at present ceiling prices, Wilson's Certified Tender Made and Certified Smoked Ham cost no more than ordinary ham. Why not order a Wilson's ham for your New Year's Eve party or dinner?
