

What's Doing In DEERFIELD

Ensign and Mrs. William H. Williams are announcing the birth of a daughter, Susan Bradford, on December 22 at the Palo Alto hospital in San Francisco, California. The girl is the first grandchild of Dr. and Mrs. Walter Bradford Metcalf.

The St. Paul's Woman's Guild met at the home of Mrs. Fred LaBahn January 7.

At the next meeting of the Deerfield Woman's club on January 12, Mrs. Charles E. Piper, chairman of the garden department, plans to present movies of Victory Gardens. Mrs. Piper will have charge of the program.

The Deerfield Chapter of the American Red Cross reopened its work room in the Deerfield Grammar school on January 4. Volunteers for sewing, knitting, and surgical dressings are needed.

The Bundles for America group of the Woman's club, under the chairmanship of Mrs. Robert L. Johnson, announces that 410 stockings were distributed in Chicago Christmas Eve.

Lieut. Comdr. Charles E. Pope has returned to duties at Mare Island, California, after his first visit with his family since his enlistment for active duty in July.

Jack Johnston, son of Mr. and Mrs. William D. Johnston, is stationed at Camp Butner, North Carolina.

Another Deerfield man stationed at Camp Butner is Sergeant Ray Mertens.

A surprise farewell party was held Sunday for Marshall Fredricks, who will enter service at Camp Grant.

Bjarne Stolle is now stationed at Drew Field, located at Tampa, Florida.

George Stanger has completed his radio instruction course at St. Louis, Mo., and will be located at Boca Raton, Florida, as a civil service instructor.

On New Year's Day at the Bethlehem Evangelical church, Lena Mable Thompson and Seaman Earl Borre exchanged wedding vows with the Reverend Earl J. Brusio officiating.

The bride wore the traditional white satin gown and her finger tip veil was held in place with a halo. Miss Lorraine Thompson, sister of the bride, was maid of honor. Bridesmaids were Mrs. Lewis Thompson and Mrs. Arthur Balmes of Wilmette. Attending the groom was Seaman Richard Jones as best man, Herbert Detman of Glenview, and Arthur Bettman.

A reception was held at the Masonic Temple before the young couple left for a short wedding trip.

The bride is the daughter of Mr. and Mrs. Gerry Thompson, the groom is the son of Mr. and Mrs. Joseph Borre of Wilmette. Seaman Borre is stationed at Great Lakes Naval Training Station and reported back to duty January 6.

Clifford Stanger has returned to duties at Camp Cooke, Lompoc, Calif., after visiting his father, Floyd Stanger, at the home of his grandmother, Mrs. George Stanger.

Corporal B. A. West, whose wife is the former Jean Pettis, has been released from the army hospital at Camp Livingston, Pa., following a broken neck. Corporal and Mrs. West make their home in Tucson, Ariz.

Private Frances Schessler, son of Mr. and Mrs. Joseph Schessler, former Deerfield family, was able to stop off to visit his wife, the former Pearl Wilson, on his way to California. The Joseph Schesslers now make their home in Wilmette.

CHRISTIAN SCIENCE CHURCHES

"God" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, January 3.

The Golden Text was, "Unto the King eternal, immortal, invisible, the only wise God, be honour and glory for ever and ever" (I Tim. 1: 17).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "O taste and see that the Lord is good; blessed is the man that trusteth in him. Many are the afflictions of the righteous; but the Lord delivereth him out of them all" (Psalms 34: 8, 19).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "To grasp the reality and order of being in its Science, you must begin by reckoning God as the divine Principle of all that really is. All substance, intelligence, wisdom, being, immortality, cause and effect belong to God. These are His attributes, the eternal manifestations of the infinite divine Principle, Love. No wisdom is wise, but His wisdom; no truth is true, no love is lovely, no life is life, but the divine; no good is, but the good God bestows" (p. 275).

Emergency Rations

packed at high speed with Electric Power

Advance anti-tank units eat healthfully when they are out in the desert, miles from nowhere. The full day's ration—weighing only 2 lbs. 1 oz.—provides 3,250 calories.

Speeding miles ahead of the main unit and supply depot, aviators, paratroopers and advance mechanized units must carry emergency rations in their pockets or packs. These rations developed by the U. S. Army Quartermaster Corps contain concentrated, appetizing foods to maintain the strength, vitality and efficiency of our men.

Not only in the production of these concentrated foods, but in the packaging, too, electric power is an essential factor. As the electric conveyor moves along, each food item is added until the ration unit is completed. Then, by means of a modern electric machine, the container is dipped into molten wax to protect the freshness of the food.

(Above) With the aid of vital electric power, hundreds of thousands of emergency ration units are turned out in a single day by the efficient war workers of this plant.

(Left) This illustration shows the items included in the K-Dinner Unit. Though compact, this K-Dinner offers the calories and body-building elements of a full-course dinner.

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS
Supplying Vital Electric Power for War Production in Northern Illinois
