

### OCD Cooking School To Give Away Prizes During Class

Five shopping bags of groceries and additional prizes will be given away at the Lever Bros. Wartime Cooking school to be held Friday afternoon of this week, May 21st, at the Highland Park Y. W. C. A. The class will begin promptly at 1:30 p. m. Classes will also be held the two following Friday afternoons—May 28th and June 4th. This school which is being brought to the community under the auspices of the Consumer Information Service of the Office of Civilian Defense is a fine opportunity for both experienced and inexperienced cooks to learn how to "straighten out" their present complicated food problems. How to stretch food rationing points will be discussed by a nationally known Home Economist, Miss Ann L. Olson, who will conduct all three sessions of the school. Miss Olson will give many actual demonstrations and since she is said to be a superb cook as well as a delightful lecturer, the time allotted to each class—an hour and a half—promises to be all too short. Admission is FREE and arrangements have been made to care for children for the small sum of twenty-five cents for each child.

Housewives who have not previously registered at the local Office of Civilian Defense for the school may do so at the local Y. W. C. A. "class room" before the demonstration. This request has been made since a large attendance is expected.

Mrs. H. F. Doty, wife of Col. Doty of Fort Sheridan, won the table lamp. Mrs. John Wilbur won a hat especially designed for the benefit. About eighty-five door prizes were awarded to the large group of women who filled 150 tables of bridge. Exmoor generously supplied score cards, pencils, and table reserve cards. Dessert and coffee was served. Mrs. Ralph Bard, Jr., served as chairman in charge of collecting the prizes for the benefit.

The Bluejackets report that they have plenty of yarn for knitting. A call has gone out for sweaters and knitted helmets for the boys stationed in the Aleutian Islands. Call Mrs. Thomas Creigh at H. P. 189, for yarn if you can help supply this demand with finished garments.

### Red Cross Seeking Nurses For Army Nurse Corps

The Sixth Service Command has requested the Chicago Chapter of the Red Cross to procure 250 additional nurses for the Army Nurse Corps immediately, it has been announced by Lieutenant Colonel Pearl C. Fisher, supervisor of Army Nurses in the Sixth Corps Area.

The nurses are needed for potential foreign assignments and to replace Army nurses who have left the area for overseas duty.

Upon entering the Army Nurse Corps, a nurse becomes a commissioned officer with the same pay, rights and privileges as other Army officers. A nurse joining the Army becomes a second lieutenant, with pay and allowances totaling \$216 a month.

Registered nurses who are between the ages of 21 and 45 who are citizens of the United States or one of the United Nations are eligible for Army duty.

Nurses are asked to enroll for the Army Nurse Corps at the Red Cross Recruiting Station, 529 S. Wabash avenue, Chicago. ### Over 850,000 Books Are Given To Service Men

Over 850,000 books for service men have been contributed by citizens of Chicago and suburbs since the opening of the Victory Book campaign January 5, according to Carl B. Roden, local chairman of the drive, sponsored jointly by the U.S.O., American Library association and American Red Cross. This is 85 per cent of the 1,000,000-book goal set for the area.

To date, reports Roden, 75,000 volumes have been distributed to service men. Most of the book shipments have been to camps and posts within the Sixth Service command, and all these points have now been fully supplied. More than 12,000 books have been sent to Seattle, and 35,000 have gone to War Relocation camps in the far west. Still more books are placed each week in U.S.O.'s six troops-in-transit lounges in the railroad stations where service men help themselves. These books can be returned at any U.S.O. lounge or club enroute, or at any library or Victory Book deposit box.

At Victory Book headquarters, 69 East Lake street, volunteers from local libraries and Gray Ladies of the Red Cross work day and night inspecting, sorting and arranging for transportation of the books. Local trucking concerns transport the packaged books, without charge.

### Dr. Emory Gordon Passes Away June 17th

The sudden passing of Dr. Emory Clark Gordon Monday, June 17th, 1943 was a great shock to the community, he had been complaining only two or three days and turned his practice over to his son, Dr. A. W. Gordon for a couple of days. He has practiced in Highland Park since 1925.

He leaves his wife Hattie B. Gordon, son Dr. A. W. Gordon, two daughters, Mrs. Karl L. King Kirwin, Kansas, and Mrs. F. Ramond Wheeler Ottawa, Kansas, and six grand children.

The following eulogy pronounced recently by Dr. Gordon at the grave of a friend rightly should be said of him and in part is as follows:

"I know that in times like this, how futile and how vain it is, to try to gild a grief with words, and yet we ought to try to take from every grave its fear. Here on this plane of life we call earth, life and death are equal things, and all should be brave enough to meet what all must meet.

"We do not know, we cannot always say which is the greater blessing—life or death. We of Christian faith believe and trust that the grave is not the end of life, but rather the door to another and better world. We believe that death gives all there is of worth to life; night here is somewhere else a dawn.

"If those we love and press against our hearts could never die, perhaps that love would perish from the earth. It is better far, to live life's brief span of years on this terrestrial globe, where death is king, than have eternal life where love is not."

And in closing, Dr. Gordon spoke these words in reference to his friend which also seems fitting to say of him:

"Were I to tell of his sterling character, his genuine American principles, I would not be able to add one thing to what you already know, for his daily life reflected all these manly attributes. He added to the sum of human joy, and were each one for whom he did some kindly deed, or spoke a word of sympathy and cheer to bring one flower to his grave, he would sleep tonight beneath a wilderness of flowers."

### HIGHWOOD U.S.O.

Fun reigned at the Highwood N.C.C.S. operated U.S.O. club on Saturday night when most of the boys were led to believe that "Sarge" Meyers had taken unto himself a bride.

The St. Mel's auxiliary who sponsored the party had in attendance a charming and good natured widow in the person of Mrs. Alice Cleary of Chicago. Mr. and Mrs. Wilson had spread the word around in their community about this Mr. Meyers who has done so much for the boys at Fort Sheridan.

In the course of the evening a mock marriage was arranged between the "Sarge" and Mrs. Cleary. At a given time the orchestra was instructed to play the wedding march in honor of the "Old Sarge's" marriage. After the serving of the refreshments by Mr. and Mrs. John Wilson, Mrs. Mary Johnson, Mrs. Cleary and Elenor Brett, many of the boys were still of the belief that the marriage ceremony was a fact, and asked for a piece of the wedding cake. And all were told that the cake being served was just that, due to the fact that a real wedding cake entailed too many hardships due to the rationing problem.

The chaperons for the evening were the Mrs. Clara Lenzini, Mrs. A. Capitani, Mrs. Cesare Tanoli and Mrs. Maurie Bostlotti from Highwood and Mrs. Loesch of Highland Park.

Husband (answering phone): "I'm sure I don't know. Why don't you try the weather bureau?"  
Wife: "Who was it?"  
Husband: "Must have been a sailor. He wanted to know if the coast was clear."

An annual financial report to Employees of North Shore Gas Company was recently mailed to the homes of all members of our company. This report explained in detail our sales of fuel gas, coke, and other bi-products, then it showed where the money was spent. The management of North Shore Gas Company believes that a fully informed employee organization is a happier, more efficient organization.

A mid-western manufacturer lost his cook when she took a job in a war plant. In this case he found it was his own war plant.

Your Gas Company has lost help too, and there are more of us going to war soon. We expect to lose 3 more of our expert service men next month. They will make valuable soldiers but we (and you) will miss them—

Try This—You May Get the Answer:  
"Take your age—Multiply by 2; Add 5; Multiply by 50; Subtract 365. Add loose change in your pocket under a dollar; Add 115. The first two figures in the answer are your age and the last two the change in your pocket."

We lost out because we did not have any loose change in our pocket. Recent increases in the prices of Gas making coal and oil took our loose change.
