## Training Courses for Summer Recreation Under Way at YWCA

Training courses for volunteers who are to participate in Highland Park's summer recreation program opening next week are in full swing. One thousand registrations were sent through all the elementary schools informing children and parents of activities sponsored by Community center, Highland Park high school, Y.W.C.A. and the jointly sponsored day camp at Sunset park and a big response has been received.

On Tuesday, Miss Laura Cross, Y.W.C.A. secretary, offered a training class for the volunteers who will staff the sewing and cooking classes and Grammar School Girls' club. The volunteers included Mesdames, Dwight Davis, E. G. Stuppel, St. Johns, B. J. Bevan, Savin, Theodore Fischer, C. J. Sandel, E. N. Greenbaum, Lawrence Stein, and Miss Ann Arenberg, who will be the swimming instructor.

Two cooking classes will meet on Tuesday mornings at 9:30 and Thursday mornings at 9:30. The sewing classes will meet at the same times. The Girls' club will meet Tuesday afternoons and will have a varied program of outdoor and indoor activities.

Miss Eleanor Schmitt, Girl Scout secretary, will train volunteers for the Sunset park day camp on Friday at 9:30 at the Y.W.C.A. At that time, the program will be set up and volunteers assigned to their various groups and activities. Volunteers include Mesdames A. S. Alschuler Jr., E. N. Greenbaum, Tousey, Paul Mathews, J. Allshrow, Harold Bennet, George Postels, Louise Howigan, A. S. R. Barker, Frank Selfridge, and Wilkenson. High school girls who will assist leaders include Jean Watt, Mary McFee, Janet Smally, Jean Gatewood, Jean Heinrichs, Marjorie Elmore, Joanne Lillie, Ann-Rose Murfey and Beverly Schmitt. The day camp will open at 9:30 a.m. June 16 at Sunset park.

Wednesday evenings have been set aside for high school students at the Community center and all high school age young people are invited to come to the first open house on June 16 at 8 o'clock. At that time, they will get together to organize a high school informal dance club for the summer and to make plans for conducting the club as they want it.

### Sponsored By Council

The Co-ordinating council, which has sponsored the joint recreation program for the community, is conscious of the fact that because of limited personnel and no funds it cannot do all that the community needs. The younger group of children has been completely left out of the program. The Co-ordinating council hopes that perhaps a co-operative group of mothers will demonstrate what a neighborhood can do by pooling its joint resources and possibly giving impetus to a program which can be helped by community resources next summer.

Extra copies of the recreation schedules circulated through the schools may be obtained at the Community center, Public library or Y.W.C.A.

## Annual Meeting of First Church of Christ Is Held

The Christian Science board of directors today placed "prayer" at the top of the list of defensive and offensive weapons that free-thinking peoples are counting upon to win the global war against oppression and suppression.

Incoming President of The First Church of Christ, Scientist, in Boston, Massachusetts

In a statement to the annual meeting of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, the directors first emphasized the word "prayer," then followed with the "miracle of deliverance" which is to be accepted, they said, as the logical answer to righteous prayer.

Thus, deliverance from the hand of the oppressor was seen by the directors to be no miracle at all, but rather a simple witnessing to the fact that power springs from the prayer of understanding.

The directors also announced the election of Mrs. Daisette D. S. McKenzie of Cambridge, Massachusetts, as president of The Mother Church for the ensuing year, succeeding Mrs. Elisabeth F. Norwood, of Brookline, Massachusetts.

## Voter's League Formulates Plans For Coming Year

Department heads of the Highland Park League of Women Voters met recently for an all-day luncheon meeting at the home of Mrs. Louis Haller, president, to formulate plans for the new year. Because of the coming primary elections in the spring, one of the major emphases of the league's program will be on "Who Picks the Men That Run for Office?" with members studying the caucus and the political party as agencies by which candidates who are to run for office are elected.

"An innovation will be small meetings within neighborhoods to foster informal discussion," states Mrs. Haller, "to minimize transportation difficulties among our large and widely scattered membership." The league school, a series of educational programs open to the public, will be opened again in the fall.

Department chairmen who were present were Mrs. J. S. Baker, newly appointed program chairman, Mrs. O. T. Knight, business office, Mrs. Richard Loewenthal and Mrs. Myron Gutman, co-chairmen of the department of foreign policy, Mrs. Ferdinand Kramer, chairman of the department of economic welfare, Mrs. Leonard M.
