## Last Week Of Symphony Music At Ravinia Park

The eighth annual Ravinia festival, with the Chicago Symphony orchestra, goes into its sixth and final week of symphony music with the Tuesday, August 3, concert.

George Szell, noted European conductor, will continue on the podium and Arthur Rubinstein, famed Polish pianist, will give two concluding performances of a series of four.

Rubinstein will play the Rachmaninoff "Concerto No. 2" on Tuesday, August 3, and the Beethoven "Concerto No. 4, G Major" on Saturday night, August 7. Szell will conduct the Chicago Symphony at all four of next week's Ravinia presentations—Tuesday, Thursday and Saturday nights and Sunday afternoon.

Two firsts will mark the final week of symphony music. On Tuesday evening the orchestra will present "Prayer, 1943," by William Howard Schuman, 33 year old New Yorker. The youthful composer has had his work played by the New York Philharmonic Symphony orchestra and several years ago the Chicago Symphony gave Chicagoans his American Festival Overture.

Another Ravinia first next week will be the orchestra's performance of the revised Ballet Suite No. 1 from "The Birthday of the Infanta" by Chicagoan John Alden Carpenter. Rubinstein's presentation of Beethoven's concerto on Saturday night will complete a full evening of that composer's work. In addition to the concerto, the orchestra will play Beethoven's "Overture to Egmont" and "Symphony No. 5, C Minor."

Ravinia's seventh and closing week will feature the Budapest String Quartet.

## Man Dies of Heart Attack on Tracks

A man identified as Franklin Barber, address unknown, died of a heart attack Tuesday afternoon on the North Shore Line tracks, south of Moraine road viaduct, where he was working as a member of a section crew.

Cards found on his body gave several different addresses in Chicago and other cities. No relatives have been located. He was thought to be between the age of 65 and 70 and it was the first day he had worked for the North Shore. The body is at Kelley's Funeral home.

## RECEIVE BIDS FOR MAIL MESSENGER

Sealed bids for mail messenger service are being received at the Highwood post office until Aug. 2 for carrying mail between the North-Western station and the post office. For further information call at the

## Archery Club To Demonstrate Tonight at U.S.O.

Members of the Highland Park Archery club, under the leadership of Dr. George L. Weil, club president, will give archery demonstrations and instruction at the Highland Park USO, 21 North Green Bay road, tonight (Thursday) at 7 o'clock.

The USO, is equipped to offer archery as a regular service, if sufficient interest is demonstrated. Members of the Highland Park Archery club have offered their services as instructors.

Mrs. M. Clarence Goldman, 505 North Linden avenue, is chairman of the committee from the Johanna lodge which will serve a sandwich-salad supper at the Highland Park USO, on Sunday, August 1. These suppers, served in buffet style, have grown in attendance until from 300 to 400 service men and women, as well as a large group of GSO girls attend.

Mrs. Ray D. Smith, 233 Laurel avenue, conducts a class in ballroom dancing every Monday at the Highland Park U.S.O. under her tutelage the class attracts groups of from 16 to 40 service men. Members of the Highland Park G.S.O. assist Mrs. Smith.

Another feature of Monday's entertainment is the country dancing. Mrs. Smith has been able to develop a great deal of interest in this type of dancing and more than 200 service men regularly appear to enjoy the square sets, reels, and "Rye" waltzes. A group of Highland Park G.S.O. have registered to attend the country dances.

Mrs. Willard B. Dunham, 1503 Westview road, heads the committee of local women who provide refreshments every Monday. It has grown to be an established custom that on the last Monday of each month, birthday cakes are provided to mark the birthdays of all service men born in that month.

Exmoor Country club provides entertainment and refreshments at the U.S.O. the first Tuesday of each month. These arrangements are made by a committee, under the leadership of Mrs. Herman A. Zische, 100 Hazel avenue.

## Richard Mansell Died In Hospital At Age of 63 Years

Richard Mansell of Clavey road died Sunday night in the Highland Park hospital at the age of 63 years. He had been ill since last fall.

Mr. Mansell came to the United States from England, where he had studied sculpting, many years ago. He was a representative of a motor car company for France and was employed by an Evanston automobile agency before joining the sales force of the Sears-Roebuck and company store in Highland Park in May, 1931. From that time on he was employed by Sears.

Surviving is his widow, Eola. A son, Robert, died in 1932 at the age of 13 years.

Funeral services were held Wednesday afternoon from Kelley's chapel. Burial was private.

## New Office Hours For Aide Registration

Women interested in volunteering for Red Cross nurses' aide work will make application during the first five days of the week at the office of the nurse's aide corps, 529 South Wabash, Chicago. This office will be closed on Saturdays until September 11, when Saturday interviewing will be resumed.

On August 2 and 3, there will be evening interviewing until 7 p. m. (and likewise on the first Monday and Tuesday of each month thereafter until further notice).

## Church Young People Plan Beach Party

The Senior Young People of Redeemer Lutheran church, West Central and McGovern avenues, have arranged a soldier-sailor beach party for Thursday, July 29, leaving the church at 8 p. m.

The arrangements are under the direction of Miss Clara Olson. Miss Loretta Brandt is the counsellor. Older young people of the church and their friends, Lutheran soldiers and sailors and their "buddies" are invited to join the fellowship.

## You Must Have Motor Vehicle Use Tax Stamps

Carter H. Harrison, Collector of Internal Revenue, stated that there has been a lagging in the sale of Motor Vehicle Use Tax Stamps for the fiscal year of 1944. He added that this was due to a large extent to various rumors of there being a repeal of the tax law.

The Federal Motor Vehicle Tax Law is still in effect, he said, and it is incumbent on motor vehicle users immediately to purchase stamps for their vehicles.

The law provides these stamps must be purchased and displayed on the vehicle on or before July 1 of the fiscal year. Mr. Harrison, however, stated that he would take no action against non-purchasers or against those who are not displaying the stamp until after July 31.

He warned all car owners to purchase their stamps immediately, and called attention to the provisions of the law which provide a twenty-five dollar fine for failure to purchase or display the stamp after it has been purchased.

Mr. Harrison stated that immediately after the first of August he will assign deputy collectors to make an intensive drive against delinquent purchasers, and that in flagrant cases the matter would be referred to the United States District Attorney for presentation to the Federal Courts.

These stamps may be purchased at all Post Offices, the main office of the Collector of Internal Revenue, United States Court House, Chicago, and at all division offices at the following locations: in Chicago—7919 South Ashland Avenue, 6555 Cottage Grove Avenue, 3256 North Pulaski Road, 4607 Sheridan Road, and 18 North Hamlin Avenue; outside of Chicago—28 Island Avenue, Aurora, 5701 Cermak Road, Cicero, 1564 Sherman Avenue, Evanston, 150 East 154th Street, Harvey, 120 Scott Street, Joliet, 600 Madison Street, Oak Park, Federal Building, Rockford, Federal Building, Rock Island, and 214 West Washington Street, in Waukegan.

Mrs. E. G. Jacobson, New President of Deerfield Auxiliary

## Two Local Men Complete Course At Illinois Tech

Henry Dubin, 363 Cedar avenue, and Kenneth H. Klee, 525 N. Linden avenue, who might have become "forgotten men" of the war, are now ready to volunteer their services to the war effort.

They have completed a war training course in "fundamentals of industrial engineering" at Illinois Institute of Technology, and are now prepared to go to work as supervisors in war plants.

The 45 men in Mr. Dubin's and Mr. Klee's class are middle-aged business men—their average age is 39—who are peace-time leaders whose businesses have been closed or restricted because of priorities and rationing—salesmen, contractors, accountants, etc.

To convert their talents to war work, these men enrolled in Illinois Tech's industrial engineering course for "white collar" men. They learned supervisory techniques, industrial methods and procedure, and actual machine work.

So badly is this personnel needed that Mr. Dubin, Mr. Klee and their classmates were trained free, with the costs of the course being paid by the government. The United States Office of Education, through its Engineering, Science and Management War Training program, underwrites the course.

## Deerfield Plans Victory Garden Fall Harvest Festival

Deerfield will be host to neighboring communities when it stages its Victory Garden Fall Harvest and Preserving festival exhibition in the big hall of the Deerfield grammar school. There will be complete classes for all vegetables, flowers and preserving, with ribbons awarded for the winners. Exhibits are tentatively planned for the scrap and grease drives.

A complete schedule is in preparation and will be published soon. There will be unrestricted competition open to all individuals and communities within transportation range of Deerfield and all who have Victory Gardens are invited to bring and enter their vegetables, preserving and flowers. Combined with the festival and included in it will be a regional exhibit of the Illinois State Gladiolus society.

There will be special prizes for junior gardeners and new gardeners, with cash prizes for the youngsters in addition to ribbons.

County Victory Garden Chairman Mrs. T. A. Connors of Lake Forest and R. M. Harvey, chairman of Victory Garden committee of Deerfield, met with Mrs. A. R. Warner, garden chairman of the Woman's club, Erwin Seago of Community Services, Mrs. Robert Johnson and Mrs. W. B. Metcalf, respective chairmen of the Scrap drive and Grease drive, Mr. Pottenger, president of the Chamber of Commerce, Mrs. B. Siljstrom, chairman of food preserving, Frank D. Burroughs, vice president of the Illinois Gladiolus society and B. O. Johnson of the garden committee. Mayor Carlson, Village Trustee Mercurio, and D. A. Cole, president of the Civic association, give the project their wholehearted and enthusiastic approval and will cooperate.

## Mrs. E. G. Jacobson New President of Deerfield Auxiliary

The regular meeting of the Deerfield unit of the American Legion auxiliary was held Monday evening, July 19, at the Bungalow church with the president, Mrs. Mary Welch, presiding.

Mrs. Agnes Tennermann, Americanism chairman, reported on Illinois Girls' State and introduced Miss Norma Jacobs, the unit's candidate to Girls' State. Miss Jacobs gave an account of the activities of the last session of Girls' State.

Mrs. Gladys Jacobs, national defense chairman, reported 200 cookies sent to the U.S.O. at Highland and donated by Mrs. Frank O'Connor, Mrs. Clarence Huhn and Mrs. Edward Segert.

The past presidents' parley dinner at Highwood was attended by Mrs. Mary Welch, Mrs. Bessie Cruickshank, Mrs. Agnes Tennermann, Mrs. Florence Jacobs, Mrs. Gladys Jacobs and Mrs. Lillian Myer.

The unit is making a public appeal for phonograph records to be sent abroad to soldiers, sailors and marines stationed there. Donations will be accepted at the Georgian shoppe.

Mrs. Carl Scheer chairman of the nominating committee, announced recommendations of the following slate which received an unanimous vote: President, Mrs. Vida Jacobson; first vice-president, Mrs. Catherine Slown; second vice-president, Mrs. Elsie Anderson; treasurer, Mrs. Lillian Pottenger historian, Mrs. Regina Behrens; chaplain, Mrs. Cora Merrill; sergeant-at-arms, Mrs. Sophia Klemp.

Delegates to state convention to be held in Chicago in August are Mrs. Mary Welch or Mrs. Carl Scheer, also Mrs. Vida Jacobson, incoming president. Mrs. Gladys Jacobs and Mrs. Lillian Pottenger, alternates. Delegates to tenth district meetings: Mrs. C. Slown, Mrs. B. Cruickshank, Mrs. E. Anderson, Mrs. F. Jacobs and Mrs. R. Hunt. Alternates: Mrs. M. Welch, Mrs. G. Jacobs, Mrs. L. Pottenger, Mrs. S. Klemp and Mrs. L. Meyers. Mrs. Sophia Klemp and Mrs. Gladys Dunham were the evening's hostesses.

## Saturday Services At N. S. Congregation

Sabbath services will be conducted by Rabbi Richard C. Hertz on Saturday morning, July 31, at 11 o'clock at North Shore Congregation Israel. He will also preach a brief sermon. Throughout the summer, services are being held on Saturday mornings at the temple, Lincoln and Vernon avenues, Glencoe. Visitors are always welcome.

## Importance Of Waste Fats Is Stressed By Local OCD

### Change In Dates For Renewing B, C Gas Books

Holders of "B" and "C" supplemental rations for passenger cars and "E" and "R" non-highway uses no longer are required to apply for renewal of their ration at the date specified on the cover of the coupon book.

Holders of these supplemental rations may continue using their stamps until they are exhausted, unless there is a change in the purposes and uses to which the vehicle was put at the time the stamps were issued. The former expiration period is now the earliest date at which renewal may be made. Persons who run out of stamps before the renewal date are in danger of going without.

### Equalize Rationing

Equalizing of gasoline rationing throughout the United States east of the Rocky Mountains will be recommended by the Petroleum Administration for War within sixty days. This action, aimed to spread the burden of war equally among all people, will probably result in some increase in gasoline rations in the east and some decrease in the middle west and southwest, according to Petroleum Administrator Ickes. It is not anticipated that there will be enough gasoline for driving which is not necessary.

New tires will not be rationed as spares in the next few months, except to such persons as firemen and doctors, OPA announced recently. Drivers that do not have a fifth tire usable for a spare occasionally may get a certificate for a used or recapped tire for that purpose.

Members of the armed forces holding applications for supplemental food rations while on leave or furlough no longer need to waste time looking for the local rationing board in the area in which they are visiting, but may go to any board to obtain extra food certificates.

## Rifle Classes Announced By Club and OCD

The department of marksmanship of the Highland Park O.C.D., in conjunction with the Sheridan Rifle and Pistol club, will hold their summer outdoor rifle classes on August 8 and 15.

All necessary equipment will be furnished by the Sheridan club. The classes are registered by the National Rifle association. Individual instruction is given to all students by qualified National Rifle association instructors.

The lecturers for the August school are Jack Long and Denton Bench. Mr. Bench won the Lake County instructor match held on the Sheridan range on July 4 when he scored 1185 out of a possible 1200.

Application can be had at any of the stores where the display card is shown. All applications are to be sent to Jack Long, 1897 Burton avenue. Remittance should accompany the application and be made payable to Sheridan Rifle and Pistol club, Inc.

The class hours are as follows: Aug. 8, 8 a. m. to 12 noon 1 p. m. to 5 p. m.; Aug. 15, 8 a. m. to 12 noon 1 p. m. to 5 p. m.

The school will be held on the outdoor range of the Sheridan club, located on County Line road, one half mile west of Waukegan road in Deerfield.

The only qualifications necessary to attend these classes is citizenship. No application will be accepted unless the applicant is a citizen of the United States of America.

The ladies, as well as the men, are urged to attend these classes, as there will be several women instructors in the group.

These classes are especially valuable to those who expect to be called into the armed forces as it is a basic course in rifle shooting. All firing is with caliber .22 arms.

Registrations close on Friday, August 6. Certificates will be issued by the National Rifle association to those who successfully complete the course.

## Guest Speaker At Redeemer Church

The Rev. Norbert Meyer, student at Concordia Theological seminary in St. Louis, Mo., will be the guest speaker at Redeemer Evangelical church, West Central and McGovern avenues.

The Rev. N. Meyer is entering his second year of preparation for the ministry. He makes his home in Des Plaines.

Not long ago a housewife said, "But even if I could save one tablespoon of waste fats a day—that would be only a pound in a month's time and just one pound isn't really important, is it?"

When that pound of waste fat is taken to the meat dealer it is on its way to war and has enough terrific power (in glycerine) locked up in it to:

Fire four 37 mm anti-aircraft shells  
Fire three anti-tank shells  
Make one and one half pound of gunpowder  
Blow up a bridge and stop an invader  
To send a shell screaming toward an invasion objective  
To load twelve cartridges  
To make the cellophane bags for three gas masks  
To provide a priceless ingredient for tannic acid salve to heal cruel burns  
To fire 10 rounds from a 50-calibre airplane cannon.

One Pound a Month  
One soldier cannot win a war but millions of fighters can. If the thirty million American households saved just that much waste fats—one tablespoon per day—one pound per month—

That would fire 120 million anti-aircraft shells  
Fire 90 million anti-tank shells  
Make forty-five million pounds of gunpowder

Blow up thirty million bridges if the enemy had that many to blow up. It would send thirty million shells screaming toward an invasion objective.

It would load 360 million cartridges  
It would make 90 million cellophane bags for gas masks  
It would help make thousands of pounds of tannic acid to soothe and heal cruel burns

It would fire 300 million rounds from a 50-calibre airplane cannon.  
It would load 360 million cartridges Blast Axis

In other words, from the kitchen scraps of America—in a united home front—the housewife—the woman without uniform, could provide enough ammunition explosives—FRYING PAN DYNAMITE—to blast the Japs and their Axis partners into the oblivion of unconditional surrender.

This program through the work of this vast home front army, helps shorten the war.

Don't take one single drop of these fighting greases away from our fighting boys.

## Harold Nelson New Member of Rotary Club

Harold L. Nelson was inducted into the Highland Park Rotary club Monday by Mayor Joseph B. Garnett. This totals three new members of the club, as Col. John T. Rhett and Lt. Col. Fred M. Distelhorst of Fort Sheridan were recently installed by Paul Behanna, Rotary president.

"Physical Training of High School Boys for War" was the topic discussed Monday by Robert Kendig, physical director of the Highland Park high school. During the past two years, the methods now in vogue at the high school have been successful in the building up of high school boys physically. An obstacle course, located in the ravine of the high school, has been in use since the new program started.

Major George Hinn of Hamilton field, Calif., a Highland Park man now home on furlough, was a special guest at the meeting.

## BIRTHS AT THE HIGHLAND PARK HOSPITAL

Mr. and Mrs. Sidney Bierfeld, 409 Woodlawn avenue, Glencoe, twin boys, July 21.

Lt. and Mrs. William Peters, 683 Harvard court, girl, July 23.

Mr. and Mrs. Frank Dalla Valle, 700 Deerfield avenue, boy, July 24.

Mr. and Mrs. Gordon Pett, 659 Chicago avenue, girl, July 22.

Mr. and Mrs. Clyde Peter Salyards, 216 North avenue, Highwood, girl, July 25.

Mr. and Mrs. Fred Grimm, 125 North avenue, Highwood, boy, July 25.

## Three Give to Blood Donor Service

The following persons from Highland Park gave their blood at the Red Cross Blood Donor service, 5 N. Wabash avenue, Chicago, during the period from June 30 to July 3:

Milton Schwartz, 1031 Wade street; Joseph Wertheimer, 834 S. Linden avenue, third time donor, and George Klinger, O.R.D. Automotive school, Ft. Sheridan, sixth time donor.
