

Highland Parkers More Than Meet Quota On 3rd War Loan

In a last-minute buying rush, Highland Parkers supported the Third War Loan by exceeding the assigned quota of \$712,000 to the tune of \$498,000, according to a preliminary report made last Monday by Campaign Chairman A. E. Patton.

"Credit for this magnificent achievement must be divided between our people who responded so generously and the sector and block chairmen who worked night and day until our job was completed successfully," Chairman Patton said.

"It should be remembered that our war bond sales of \$1,216,000 has been paid in cash," he continued. "More than \$75,000 subscribed has not been paid in yet. The Treasury department has extended the time allowed to make such payments to October 15."

Letter Sent Mayor: Following is copy of a letter sent by Chairman Patton to Mayor Joseph Garnett at last Monday's council meeting: Dear Mr. Mayor: "Although the final figures on the sale of bonds in Highland Park during the 3rd War Loan campaign are not yet available, I am able to report to you that Highland Park DID NOT FAIL. Up to tonight sales total \$1,216,000."

"This figure is tentative. The final score will not be available until sometime after October 16th, because the United States Treasury Department will count all sales of E, F and G bonds that are paid for and the cash delivered into the hands of the Federal Reserve Bank by the close of business on October 16th. "There are still many signed orders for bonds in the hands of the bank and the post office which have not yet been completed by payment for the bonds. We hope to have most of these materialize by the middle of the month."

"The Treasury Department set Highland Park's quota of E bond sales at \$368,000. Lacking definite information from the Federal Reserve Bank, we have to estimate our sales to date. I believe we are conservative at estimating \$401,150. "The results of this campaign are very gratifying. I have never experienced finer cooperation from such a large group of workers nor have I ever seen any campaign that was better received by the residents than this one has been in Highland Park. "All of us thank you sincerely for the fine cooperation that you gave us both as an individual and as Mayor of our city. The official approval that you gave to this drive was very largely responsible for its success."

Lt. Charles Barnhart Loses Life in Air Crash in California

The news of the death of Second Lt. Charles Barnhart, only son of Mr. and Mrs. Roy Barnhart, of 232 Railway Ave., Highwood, came as a shock to his many warm friends in this community. He was known here as "Pid" or "Piddy" and the most vivid recollection pictures him as an athletic, fun-loving boy, fond of football, base ball and track. Well-liked by his school-mates, he was president of his graduation class at Elm Place School, and president of the "H" Club and Boys' Club. He was graduated in 1941 from Highland Park High School where he was for three years a member of the student council. In June, 1942, "Pid" joined the army, and was stationed at Camp Grant, Jefferson Barracks, Mo. From there he went to a mechanical school in Flint, Mich., where he specialized in carburetor. He then applied for cadet training in the air corps and was sent to Charleston, S. C., Santa Ana, Calif., graduating as a bombardier and receiving his commission at the 10th of this year. At the time of his death he was stationed at the air base in Pocatello, Idaho. Only two weeks ago he spent his furlough at home. The father, Mr. Roy Barnhart, joined the maritime service four months ago, and has been attending officers' school in New London, Conn. Mrs. Barnhart, formerly Rose Snyder, has been employed at Johns-Mansville, in Waukegan.

New Assistant Minister At Presbyterian Church

The Highland Park Presbyterian church is to have assisting the minister as director of religious education, the Reverend Professor Karl A. Roth of Lake Forest college. Professor Roth is in charge of the department of religion and of religious activities on the campus at Lake Forest. He will take time from his work there to have charge of the church school at the Highland Park Presbyterian church, giving special attention to the building of the curriculum and the development and training of the teachers' staff. A graduate of Elmhurst college, Mr. Roth later attended and completed the course at Eden Theological seminary, St. Louis. He did graduate work at Oberlin School of Theology from which institution he has his theological degree. And then he did graduate work at Northwestern university in religious education getting his masters' degree in that line of study. While carrying on his work at Northwestern, he was for five years the pastor of the St. John's Evangelical church in Highland Park. At the same time, the church announces as the counsellor of the Tuxis society, Miss Clarabeth J. Holt, director of guidance in the Highland Park and Lake Forest high schools. Miss Holt, a native of Oklahoma City, Oklahoma, attended the University of Oklahoma for four years, receiving upon her graduation the degree of B.A. in speech. Upon graduation she secured a scholarship to the University of Maryland and earned the degree of master of education in educational guidance. She is at present working on her doctorate at Northwestern. Her father and mother have both been teachers. The Tuxis society is headed by Dick McDaniel and Genevieve Mittelstaedt is the vice-president.

Luncheon to Be Held By Woman's Club Of Ravinia

Reservations for the opening luncheon meeting of the Ravinia Woman's club, Wednesday, Oct. 13, at 12:45 p.m., must be made by this Saturday, Oct. 9, with either Mrs. Joseph G. Bulmer, H.P. 2270, or Mrs. M. J. Scheemecker, H.P. 1757, and no cancellations can be accepted after that date. Mrs. Scheemecker, house committee chairman, said today. Amid an antique setting furnished by Mrs. Mason Smith, Helen Moffett Hay will present her costume monodrama "The Puritan Maid" for the afternoon program. Mrs. Hay, from her research and study of what American women have been doing through the different periods of our country's existence, feels that with the puritan woman "we have much in common, more than with any other women in our history."

Immediately following the luncheon, Mrs. Harry J. Van Ornum, the new president, will conduct the business meeting to start the club year. Increased activity in Red Cross will be stressed. The civics committee, under Mrs. Barton Pope, is conducting a drive to get all the Ravinia club members to devote a day, or part of any day each week, to the Red Cross for bandage rolling or sewing with special emphasis on Thursdays as Ravinia Woman's club day. Garments for the U. S. prisoners in enemy prison camps are needed, as well as the bandages, dressings and other Red Cross supplies. The 1943-44 club year books will be distributed at this meeting.

Mrs. Hay will be introduced by Mrs. James Stannard Baker, program chairman. Other members of the program committee are: Mrs. Sidney Frisch, co-chairman, Mrs. George K. Bowden, Mrs. Stanley R. Clague, K. C. Longford Felske, Mrs. Elwood Hansmann, Mrs. John F. Jennings, Mrs. Claburn E. Jones, Mrs. S. R. Keare, Mrs. Theodore L. Osborn, Mrs. Morris A. Pollak, Mrs. Robert Prosser, Mrs. Mason Smith and Mrs. J. M. Watkins Jr.

John B. Jackson Has Been Awarded Medal for Engineers

John B. Jackson, 1516 Westview avenue, has been selected as the recipient of the Octave Chanute medal for 1943 given annually by the Western Society of Engineers. Announcement of the award was made by C. Earl Webb, president of the society and western division engineer of the American Bridge company, Monday evening at the society's annual fall banquet held at the Adventurers club. This medal is awarded annually for notable contributions to the engineering profession. This year the presentation is based on Mr. Jackson's pa-

JOHN B. JACKSON

per entitled "Relocation of Utility Substructures—Chicago's Subway" which he presented at a meeting of the society last year. He told of the engineering aspects of the problems involved in transferring the maze of electric power, telegraph, and telephone cables, and gas and water mains buried under Chicago's loop streets and adjacent area which were heretofore located where the subway now lies.

Mr. Jackson started with the Commonwealth Edison company, in Chicago, 1911, after having graduated from the University of Nebraska in electrical engineering. He now holds the position of staff assistant in the office of vice president in charge of operating and engineering. During World War I he served as a major in the engineering corps and was in France for one and a half years. He is now lieutenant colonel in the United States Army Reserve corps. He was the first commander of the Commonwealth Edison post of the American Legion, the post in the state of Illinois. He has been since 1936 a member of the Western Society of Engineers, the third oldest professional engineering society in this country.

The Community And War Fund Campaign Off To Good Start

City to Conduct Waste Paper Pick-Up October 25

Waste paper—all types of which are needed for war weapons—will be picked up by the city of Highland Park, Oct. 25 to Oct. 31. The War Production board has asked the Office of Civilian Defense to push the collection of paper in every possible way. Mrs. Nathan Condit Jr., conservation chairman, urges householders to save all paper to the drive, unless it is taken directly to the salvage boxes or schools. Newspapers, magazines and flattened cartons each tied in bundles 12 inches high, and wastebasket paper scraps packed in a box or bag are all needed. They will be converted not only into the millions of containers used weekly, but also into bomb bands, practice bombs, wing tips, airplane seats, parachute flares, ammunition boxes, shell protectors, shell containers and other military essentials.

N. S. Congregation To Observe Yom Kippur

First Aid Class At Community Center

Tuesday mornings, 9:30 to 1:30 is the time set for the next standard American Red Cross 20 hour first aid class. The class starts the morning of October 12, and will be held at the Highland Park Community Center. Award Certificates: Red Cross certificates will be awarded to all who complete the course. If interested be on hand Tuesday morning.

Tuesday night there was launched in Highland Park the biggest welfare financial campaign the community has been asked to support. A campaign to raise the money necessary for the support of Highland Park's twelve local welfare agencies heretofore financed by the Highland Park Community Chest and in addition Highland Park's support for the National War fund which includes the U.S.O. and sixteen other agencies operating for the benefit of our men in service and the relief of our citizen allies in war stricken lands. The Community Chest board are to be commended for bringing about this united campaign. It will relieve contributors from the harassment of more than a score of repeated and overlapping campaigns for local and individual war aid agencies. Such multiple appeals have been proved more expensive to operate than a single united drive. They likewise have placed a heavy burden on volunteer workers. Therefore, for efficiency, economy, and conservation of manpower, the Community and War fund campaign of Highland Park is the best and most logical way for financing these necessary home and national war welfare services.

The goal of \$75,000 set for the campaign is \$30,000 more than last year's Community Chest campaign. The extra \$30,000 is for the U.S.O. and the sixteen other war fund agencies. No local welfare agency has asked for an increase. To raise the additional \$30,000 means that people giving to the Chest last year should double or give at least 75 per cent more than last year. For many Highland Park citizens we dare say, it will not be a case of doubling what they gave last year to the agencies participating in this year's united campaign. Citizens who gave last year might well try the experiment of totalling the amounts they gave to the Community Chest to U.S.O. to China War relief, to British War relief, to Polish War relief, and any of the dozen other War relief agencies. We imagine that the total in many cases will be more than twice the amount given to the Community Chest campaign. In such cases we are sure that every Highland Parker will give at least that total again this year and more since the needs of U.S.O. and all the War Relief agencies are greater this year.

This is a campaign in which every citizen will want to give his share. Each will need to figure what that share is himself. Maybe you have just bought an extra bond in the War Loan campaign. That was an investment that some day will come back to you in dollars and cents with interest. Your subscription to the Community and War fund of Highland Park is an investment too. It will not come back to you in dollars and cents, but it will pay you high dividends in the knowledge that it is keeping Highland Park a better place in which to live, that it is providing your boy or your neighbor's boy in service with a "home away from home" and bringing help and comfort to the helpless families of our fighting allies in war stricken lands.

C. of C. Members To Hear FBI Agent On Tuesday, Oct. 12

The regular monthly meeting of the Highland Park Chamber of Commerce will be held Tuesday evening, Oct. 12, at the Sunset Valley clubhouse. Following the regular practice, members and guests will have dinner at 6:30 o'clock. The program committee has secured as guest speaker, Joseph E. Tierney, special agent of the Federal Bureau of Investigation, who will discuss his experiences on some of the widely publicized criminal captures. A nominating committee which will select the Chamber officers and directors for the coming year, will be elected at this meeting.
