Soldiers Sleep 30 Minutes Longer

It's a half hour more sleep every morning for the soldiers at Fort Sheridan as the post goes into its winter schedule on Monday morning. "Can't Get 'Em Up" will sound at 6:15 instead of 5:45 a.m.
 The post buglers, Privts. John Harbeck of 7208 West Ogden, Riverside, and Gordon Rhode of 92 Calhoun, Battle Creek, Mich., are expected to bask in the reflected glory of the post order for a few days, but their respite is not expected to last very long.

Housewarming Held By Braeside Couple

Mr. and Mrs. William Goodman Jr., newcomers to Braeside, entertained friends from the south side of Chicago at a housewarming Sunday. Among the guests were Mr. and Mrs. Cyrus E. Holland of Braeside, former neighbors of the Goodmans in Chicago.

Hayrack Ride Party Planned By Service Council of U.S.O.

Taking advantage of the fall weather, members of the Service Council of the Highland Park U.S.O. have planned a hayrack ride and barbecue for Saturday, Nov. 6. Val Stewart, S 1/c, of Cincinnati, Ohio, now stationed at Great Lakes, leads the committee planning the party. The group will leave the club at 7 p.m. for the hayrack ride, which will end at the Highland Park city yards. Harry Earhart, a member of the club's operating committee, will chaperon the party.

Dancing to the music of the post band will feature Friday's program at the Highland Park U.S.O. Refreshments will be served by a group of Highland Parkers under the leadership of Mrs. Edwin L. Gilroy, 286 Central avenue.

Many of the group staying overnight go on the horseback riding trip on Sunday morning. These people return to the U.S.O. in time for the Java club breakfast, a regular Sunday morning feature. Sunday, Nov. 7, is "Father and Son" day at Highland Park U.S.O. Members of Highland Park organizations have been invited to attend the breakfast with the service men.

The regular sandwich-salad supper is served from 6 to 8 each Sunday evening. The Mother's club of the Deerfield school will serve the supper on Nov. 7. Mrs. John Stryker, 1033 Deerfield road, Deerfield, is chairman of the committee in charge. **Magic Show**

An "All-Magic" show presented by members of the American Association of Magicians, will be given at 7:30 Sunday. The Post Band will play for dancing which will begin at 8:45 p.m.

Many boys have learned to dance at the regular Monday dancing class, which is taught by Mrs. Lucy Smith, 233 Laurel avenue. Ballroom dance instruction begins at 7 p.m. At 8 p.m., N. A. Fennell of Deerfield instructs in country dancing. Music for the country dance is supplied by "The Braeside Five," two banjos, a violin and two pianos.

Coffee and home-made cake will be served at 9:30 a.m. by the West Ridge ladies under the leadership of Mrs. Willard B. Dunham, 1503 Westview avenue.

The 740th M. P. band from Camp Skokie will play for the dancing on Tuesday, Nov. 9, at the Highland Park U.S.O. This band features the cornet of "Red" Hodgson, composer of the tune "The Music Goes 'Round and 'Round."

Members of Alpha Chi Omega, Northwestern university sorority, will provide entertainment on Tuesday.

The home talent show, a regular monthly feature of the U.S.O., will be presented on Wednesday, Nov. 10. This show has come to be the responsibility of the Service Council, an organization of service men and women and GSO girls. Miss Jane Cooley, 1839 Broadview avenue, is in charge of the organization of the show.

Army Play to Be Presented in Chicago Three Weeks

Seldom have New York playgoers cheered so enthusiastically as they did on the opening night of "The Army Play by Play," the hilarious all-army stage show which Uncle Sam will present for three weeks only at the Studebaker theatre, Chicago. An audience that had contributed over \$125,000 to attend the opening performance, roared and cheered themselves hoarse at the plays about army life and the variety turns.

"The Army Play by Play" is a typical camp entertainment whose playgoers have the privilege of pecking behind the M.P.'s at the gate, and in this way seeing what kind of fun the soldiers enjoy at their own theatres.

Started with Contest
 The project of "The Army Play by Play" originated with a playwriting contest for men in uniform (not officers) and was sponsored by John Golden. After the winning plays had been selected, the army decided they deserved public presentation, hence the record-breaking premiere and the tour which includes Chicago. But in addition to the plays, the army added four or five variety turns and also one of their best army orchestras of 25 men to round out the full evening's entertainment.

The engagement of "The Army Play by Play," beginning Monday, Oct. 18, at the Studebaker, is for three weeks only. Its soldier-actors have other different assignments facing them in the near future. "The Army Play by Play" is not a motion picture, but is the personal appearance of 80 soldiers and the soldier orchestra of 25. The proceeds go to the Army Emergency relief and there is no solicitation of funds whatsoever in connection with this all-soldier show which a critic has called "definitely the most laugh-provoking show I have ever seen."

Y. W. C. A. Notes

The Saturday Evening Square Dance club will hold their first open dance of the season on Saturday night, Nov. 6, at 8:30 at the "Y." There will be a three-piece orchestra and N. A. Fennell will do the calling. All are welcome to attend.

The regular November meeting of the board of directors will be held Tuesday morning at 10 o'clock at the Y.W.C.A. Mrs. Ernest Johnson of Lake Forest, who has been a member of the national board of the Y.W.C.A., will attend the meeting and following the business will talk to the members on the wider outreach of the "Y." This will be in keeping with the Y.W.C.A.'s theme this month of the World Community.

Mothers' Club Meeting
 The Mothers' club will hold their November meeting Tuesday night, Nov. 9. Mesdames Wehrmeyer, Moreton, Smith and Humphreys will be the hostesses for the evening. Mrs. John Fay announces that the entertainment will be cards and bunco.

On Nov. 10, the Pi Delta Business and Professional Women's club will hold their dinner and program. In keeping with the National Book week program, they will have for their subject, "Book Night." There will be book guessing games, and costumes and a book review by Miss Elizabeth Bredin, who will announce her title later.

The hostesses for the dinner are the Misses Ethel Larson, Esther Krueger, Dora Krueger and Mrs. Robert Roebler. Dinner is at 6:30 at the "Y" and the meeting follows.

Permits Sending of Xmas Gifts to Men Overseas After Sept. 30

Christmas parcels for soldiers who have left home stations en route overseas after Sept. 30, may be mailed as late as Dec. 10, it was announced this week by Maj. Gen. H.

S. Aurand, commanding general of the Sixth Service command.

The new deadline has been set for the benefit of persons who receive official change of address notification subsequent to Sept. 30. The reason for the separate provision is that relatives and friends of soldiers being shipped now would have expected the soldiers still to be in this country at Christmas time and would not have sent parcels in time for the regular Oct. 15 deadline for overseas mailing.

Present Card

The change of address notification must be presented by the sender when the package is mailed. The same limitations on weight and size placed on packages mailed before Oct. 15 will hold for those mailed before the Dec. 10 deadline. Packages may not be more than 15 inches in length or 36 inches in length and girth combined, and they may not weigh more than five pounds.

One other restriction on the delayed mailing is that only one parcel can be sent from one person to any one individual with an overseas A.P.O. address.

Robert Peterson Victim of Polio

After a week's illness, Robert Raymond Peterson, 6-year-old son of Mr. and Mrs. George Peterson of W. Park avenue, died from the effects of polio at the Evanston hospital Sunday night.

The boy was taken ill the beginning of last week while attending the first grade at St. James school. When his condition became more serious early Sunday morning, he was taken to the hospital, where he died several hours later.

The Petersons lived in Miami, Fla., until they moved to Highland Park two years ago. Besides his parents, Robert is survived by a brother, George Warren Peterson, 8 years old.

Merle Burke To Be Speaker At Ravinia Club

Discussion of our Far-Eastern problems will be the topic of the Ravinia Woman's club evening meeting Wednesday, Nov. 10, at 8 o'clock in the Village house. The speaker is Merle Burke, historian, traveler and collaborator with Upton Close on a new history book soon to be published by The MacMillan company.

Mr. Burke will tell the story of China and Japan, from the time the so-called "white man of the West" first became interested in the East, beginning with Vasco da Gama discovering the first all-water route from western Europe to the East, and covering the historical developments of the Far East on down to Pearl Harbor. He portrays how the United States was drawn into events in the Pacific area and closes with a realistic evaluation of present U.S. policy toward the Far East, both with regard to the war and post-war possibilities.

The Ravinia Woman's club through its president, Mrs. Harry J. Van Ornum, invites friends of the club to attend this lecture.
