

In The Nations Service

Among those to receive commissions as second lieutenants in the Medical Administrative Corps at Camp Barkley Officer Candidate School, on Nov. 3, was Roy Joseph Delhaye, son of Mr. and Mrs. Joseph Delhaye of 720 S. St. Johns avenue. This class is the first to graduate under the new four-month training program now in effect at the OCS. The added month of training for the candidates emphasizes field work, with a longer bivouac and more rugged general field exercises. The Medical Administrative Corps, the medical department's youngest officer corps, was organized to fill the need for non-medical officers in the department and graduates of the Camp Barkley school are now filling many important positions in supply, person-

nel, evacuation and training throughout the army. Lt. Delhaye is home on a 10-day leave before reporting for his first officer assignment.

Home on furlough from Manhattan College, New York, where he is a member of the ASTP, is Pvt. Ted Peters, son of Mr. and Mrs. Wm. E. Peters, 380 Ravine drive.

Lt. William E. Peters, an elder brother, is stationed in England, engaged in air-sea rescue work. In September he was forced down in a battle with 25 German fighter planes, and is now the possessor of a 'Distinguished Flying Cross.'

Midshipman Stansfield Turner, of 2432 Deere Park drive, is now attending the U.S. Naval academy at Annapolis. Recently he was awarded a prize scholarship as outstanding student of the sophomore class at Amherst College. He is the son of Mr. and Mrs. Oliver S. Turner.

Lt. John Epstein, a member of the air force attached to the British 8th army, is home on furlough after nearly a year of overseas duty. He is the son of Mr. and Mrs. Harry Epstein of 281 Roger Williams avenue.

Former 1st Lt. Kent Burton Wonnell has recently been promoted to the rank of captain in the army air forces. Capt. Wonnell was graduated from Purdue University in May, 1932, where he had received four years of military training. He reported immediately for active duty. In March, 1943, he left for duty in North Africa, and is now believed to be stationed in Sicily. His parents are Mr. and Mrs. Kent W. Wonnell, 1602 Dean avenue.

Leonard Victor Barnes, husband of Mrs. Lillian Barnes of Gordon Terrace, Deerfield, was recently inducted into service at the U.S. Naval Training Station at Great Lakes.

Former 2nd Lieutenant Walter Stu-

enkel, of the U.S. Marines, has recently been promoted to the rank of 1st lieutenant. He has been stationed in the Pacific area since January, 1941. He is the brother of Mrs. H. C. Bartelman, 1641 S. Green Bay road.

First Class Petty Officer Michael F. Bonamarte, 899 Berkeley road, and formerly of the local police force, will soon complete his basic training at Camp Perry, Williamsburg, Va. He then expects to be transferred to another Seabee base.

Fred Dexheimer, second class motor machinists mate, of the U. S. Coast Guard, and son of F. E. Dexheimer of 1916 Hjawatha Trail, has returned from two years' duty in the Atlantic area. His father, engaged for the past few months in construction work in Alaska, has also returned home.

Elizabeth Jane Coleman, daughter of Mr. and Mrs. Fred Coleman of 25 Piccadilly avenue, has enrolled as student nurse in the University of Michigan School of Nursing. In a class of 150 members, she is one of a group of 132 new enrollees who have signed as members of the U. S. Cadet Nurse Corps program.

Mr. and Mrs. Coleman have two sons, also, in the service. Sgt. Robert Coleman, radio technician, now stationed at Bradley Field, Conn., has been promoted to the rank of Staff Sergeant.

Second Lt. Thomas Coleman, aeronautical engineer, is expected home soon on furlough. Graduating from University of Michigan last January, he enlisted in February, and received his officer's training at Miami Beach, Fla.

Pvt. Wm. Karger, son of Mr. and Mrs. T. W. Karger, 421 Oakwood avenue, is enjoying a short furlough at home after completing the first three months of ASTP training at Newark, N.J.

Frank Miller, electrician's mate, U.S.N., son of Mr. and Mrs. Frank Miller Sr., recently enjoyed a 4-days' leave at his home, 623 Homewood ave-

nue. Young Miller was stationed in North Africa at the time of the Roosevelt-Churchill conference, and has since been stationed for five months in Sicily. His sister, Mrs. E. C. Hawthorne of Waukegan, the former Louise Miller, of Waukegan, entertained on Tuesday in his honor.

Pfc. Stuart Smith, son of Major and Mrs. Raymond D. Smith, 233 Laurel avenue, was one of the honor students to graduate from the Army Air Force Central Technical Training School at Trux Field, Madison, Wis. He is being assigned to an air force unit in connection with radio activities.

Word has been received from Camp Santa Anita, Calif., that the medal of Marksman in rifle shooting is now being worn by 2nd Lt. Bruce A. Cliffe. Though an ordnance soldier, and classified as a non-combatant, modern warfare demands that every man know how to defend himself against attack. Lt. Cliffe has as his main job the servicing of the Line with weapons, ammunition and vehicles of war. In private life he was employed by the Public Service company and attended the Highland Park high school. He is the son of Mrs. A. Cliffe, 135 S. Second street.

Among the 106 young women who received their caps, last Friday, upon completing the required 85 hours of Nurse's Aid training was Miss Jeanne Green, daughter of Mr. and Mrs. Edw. A. Green of 360 Ravine drive. Miss Green, 19, now a student at Barat College, Lake Forest, was trained at St. Joseph's hospital in Chicago.

As evening Nurse's Aides, these graduates have pledged themselves to serve at least six hours a week, either during their after-working hours or on week-ends. By taking over routine nursing duties of a non-technical nature, they enable trained nurses to administer their more professional services to a larger number of patients, and free more registered nurses for duty with the armed forces. After serving 150 hours in civilian hospitals and at the Red Cross Blood Donor Center, they will be eligible for Nur-

se's Aid work in military or veterans' hospitals.

Harry Chambers, Sr., 683 Central Ave., after 8 months' service with the Seabees in Alaska, is home on leave while awaiting further orders.

The Harry Chambers have two sons in service, also. Pfc. Gerald, of the Marine artillery, who for one year has been stationed in the Pacific area, and Pfc. Harry Jr., who has been stationed in Australia for two months.

Lt. Theodore Osborn, son of Mr. and Mrs. T. L. Osborn, 1425 Kucak Ave., was transferred recently from Vallejo, Calif., to Ft. Custer and to Ft. Sheridan. He is now a military instructor and company commander at Lake Forest college. With his wife and two children, he will soon move to 832 Forest Ave.

Lincoln School's Annual Book Fair Highly Successful

To the ringing tone of the town crier, portrayed by William Phett, grade 8, the Lincoln school parents and children were invited to attend the Friday evening, Nov. 5 P.T.A. book fair and movie. Over four hundred people attended the evening performance, while many purchased books and tickets for the raffle of a basket of canned fruit—handled by Mrs. George Freeman and won by Harold Rudolph.

Credit for the success of the fair is due Mrs. Bryan K. Penzault, chairman; Mrs. W. Walsh, co-chairman and the committee members: Mrs. R. Seitz, president of the P.T.A., Mrs. W. Wise, Mrs. W. H. Armstrong, Mrs. A. St. Cyr, Mrs. R. J. Spahr, Mrs. W. H. Sybeson, Mrs. W. L. Pierce, Mrs. Jerome Goodman, Mrs. P. C. Bigger and Mrs. George Freeman. Stanley McKee, school principal, selected and showed the films for the school movie. Mrs. Pearce, art teacher, aided with the publicity by developing book-fair posters.

The proceeds from the book fair will go to the Lincoln school library, directed by Miss Virginia Newcomb. Since there will be no school on Thursday, Armistice day, the children of the school met in the school auditorium on Wednesday, Nov. 10, to sing songs in commemoration of those who served and to pay tribute to those who are serving today. Harry Eichler, past-commander of the Dumaresq post of the American Legion, spoke to the children.

BUTLER MEMORIAL SERVICES SATURDAY

Memorial services for Harry W. Butler will be held at the Glencoe Union church on Saturday, Nov. 13, at 3 o'clock with the Rev. Douglas H. Cornell officiating.

Fort Sheridan Newspaper Renamed 'The Tower'

Ft. Sheridan, occupied for some time by anti-aircraft artillery, called the official newspaper, most appropriately, "The Target." Now it has resumed its former name, "The Tower," in honor of the traditional landmark of the Army Post.

The Tower is now edited by Sgt. Dave Henes, former-reporter for the Milwaukee Journal, and at one time staff member of The Arizona Star and The Citizen, of Tucson, Ariz. He is a graduate of the University of Arizona. Pfc. Lucille Turigliatto, Illinois University graduate, is feature writer, and Pfc. Bill Scanlon, graduate of University of Notre Dame, edits the sports. Both have had previous editorial experience.

Susanne Newman Takes Part in Rockford Activities

Miss Suzanne Newman, daughter of Mr. and Mrs. Bernard Newman, 122 N. Sheridan Road, Highland Park, will take part in dances given by Orchestras, a campus organization, in the program arranged for the Rockford war bond rally on November 11.

This fall Orchestras is emphasizing the composition and technique of informal folk dances, under the direction of Miss Mildred Rosenbaum, instructor. Next semester, the group will work on the pre-classic dance form and prepare for the annual May party.

More Local Girls Needed In Air Force Division of WACs

Many army air force ground jobs can be taken over by women of Highland Park, who enlist in the Women's Army Corps, Mrs. Harry Pertz, WAC recruiter chairman here, pointed out.

Asserting that the air forces can use almost unlimited numbers of trained women, Mrs. Pertz said that communications, weather photography, mechanics, instruction and other duties can be handled by women to keep air force men in flying occupations.

"Training of varied types is given free to those selected for Air Force duty," Mrs. Pertz said.

"Jobs that WACs can fill at army air bases include those of Link trainer instructors in instrument flying, mechanics, weather observers, aerial photographers and technicians, control tower workers and administrative assistants. I urge women of Highland Park to come today for an interview. Address, 704 Ridgewood drive. Vital jobs in the WAC need them now!"

Lt. Col. Campbell Commanding Officer At Sheridan R. R. C.

Lt. Col. Jefferson C. Campbell of Mangum, Okla., is the commanding officer of the Sixth Service command Recruit Reception center, which went into operation at Fort Sheridan on November 6.

Col. Campbell is an army man with twenty-four years experience, serving with the 11th field artillery of the Sixth division during World war I. He graduated from Oklahoma A & M June 1917, and immediately entered the army, where he earned his commission as a second lieutenant and was promoted to first lieutenant before the end of the war.

Col. Campbell left the service for a 18 months period in 1919 and then returned for an uninterrupted tour of duty. Until the present time, he has served two years (1931-1933) in Panama; and two years (1937-1939) in Hawaii.

Shell Shock A Thing of the Past

It is most re-assuring to learn, via radio, that the dreaded "shell shock" of former wars is no longer a menace to the members of our armed forces. We are told that it is really no more than extreme mental exhaustion, and can be cured by treatment similar to that for other shocks—namely by warmth, comfort, and complete rest and relaxation. Even severe cases of this kind have yielded to treatment, enabling the patient to return to active duty in a few days.

Former Resident Dies In Kenosha

Charles H. Unbehaun, a resident of Highland Park 25 years ago, died following a short illness Wednesday morning in Kenosha, Wis. His sisters, Mrs. S. U. Laegeler and Mrs. Ellen Fritsch, reside in Highland Park. No date has been set for the services.

Tank destroyer detail, eager to come to grips with the enemy, plunges into a stream which is no obstacle for the half-track or the scout car

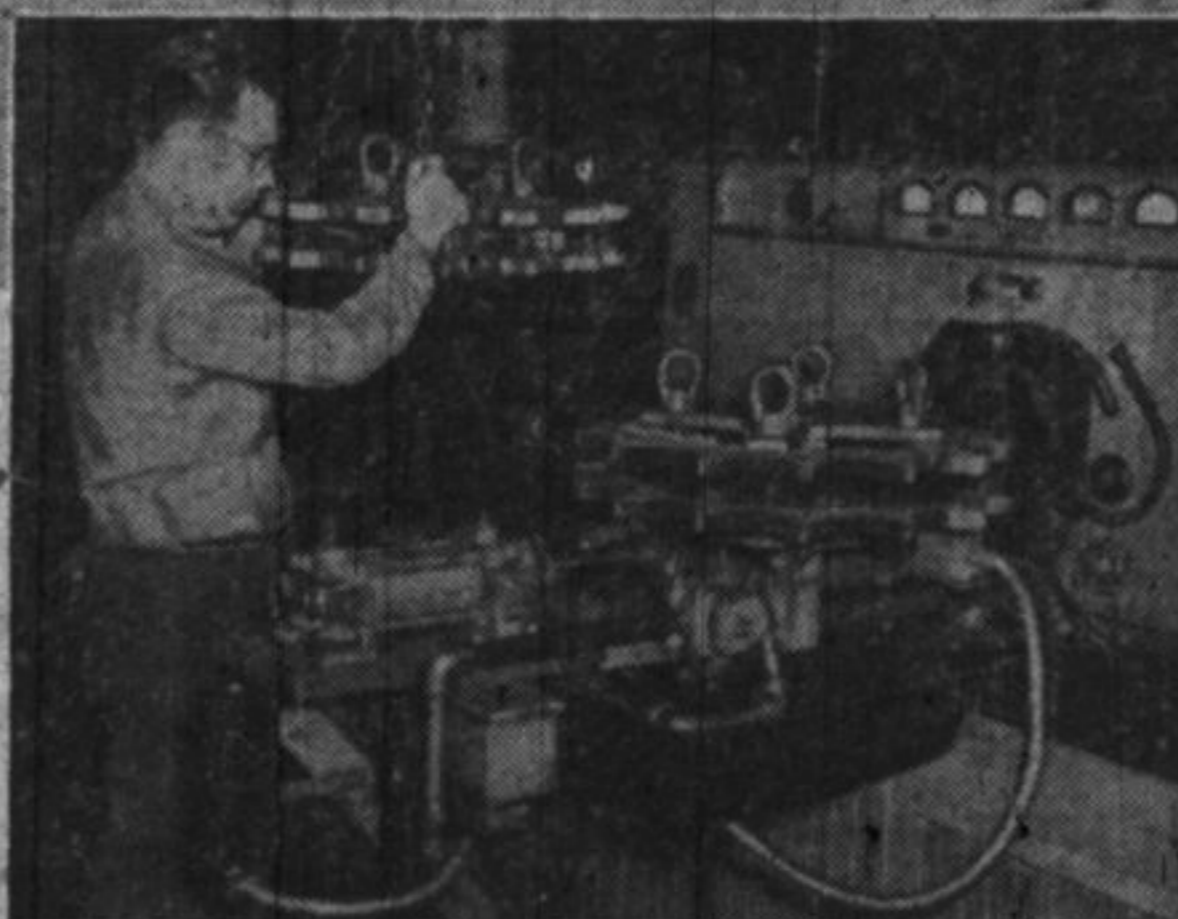

Tank Busters go into action

The Army's versatile "half-tracks" have proved to be death on wheels to enemy tanks. They have won the acclaim of fighters on all United Nations fronts. And the call is for more and more of these hard-hitting tank-busters.

That call is being answered, too, by Electric Power, the mighty force of mass production. Though unheard and unseen, this dynamic energy heats the huge furnaces of the steel mill... drives the lathes and drills of the machine shop... propels the powerful cranes and conveyors of the assembly plant. From start to finish Electric Power speeds every operation of manufacture.

That's true not only for the production of tank busters but for every piece of war equipment manufactured in Northern Illinois. Yes, Electric Power is the force behind war production in this area.

Electric Power Speeds War Production

Operator reads a half-track sprocket to place on the electric induction machine for hardening. The electric induction process has increased the speed of this operation 2 1/2 times.

And here electric induction ovens are used for the hardening of the track rollers for tank-busters. These rollers must be tough to perform their job, and the induction process helps to make them so.

Electricity has gone to war—don't waste it!

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

Supplying Vital Power for War Production in Northern Illinois

I am a dollar bill with a future, because I can open a checking account for you in this bank's CheckMaster Plan. No Minimum Balance is ever required.

I will provide you with a checking account which can serve you day in and day out, whenever the need arises.

The checking account I open makes it possible for you to "feel like a million" at a trifling cost—only 5c for each check drawn and each item deposited. (Checkbooks Free).

This checking account will be a tremendous help in enabling you to keep a record of expenditures. It will save the time, trouble and risk of paying bills with cash.

*This dollar is a DEPOSIT which belongs to you. Of course, you may open your CheckMaster Account with as much more on your line.

THE FIRST NATIONAL BANK OF HIGHLAND PARK

YOU ARE cordially INVITED TO USE THE CHRISTIAN SCIENCE READING ROOM

43 North Sheridan Road

where the Bible and all the writings of Mary Baker Eddy may be read, borrowed, or purchased. Authorized Christian Science Literature in English, Braille, and foreign languages is also available.

HOURS—Week Days 9:30 a.m. to 5:30 p.m. Saturdays 9:30 a.m. to 2 p.m. Sundays 11:30 a.m. to 5:30 p.m.
