

In The Nations Service

At a military ceremony which took place on Thursday of last week at Ft. Sheridan, William E. Clark, 602 Laurel Ave., received the air medal and oak leaf clusters posthumously awarded his son, Sgt. Chas. A. Clark, who lost his life in action in the European area on Oct. 10, 1942. Mr. Clark has two other sons in the armed services—James, an aerial mechanic, and Norman, of the artillery. A third son, Michael, was recently discharged from service. The father, himself, was a sergeant in the Spanish-American War.

Among the native sons to return to Highland Park on a short furlough is S/Sgt. Edward "Eddie" Smith, of the 463rd Evacuation Co., Santa Anita, Calif. He is in tank supply, which he describes as a "rugged outfit." Eddie has no kick concerning army life. His only misfortune since joining the service has been to fall up the steps of a USO Club. Sgt. Smith is the founder and proprietor of the Smith Manufacturing Co. on Skokie Blvd.

William B. Cope, son of Mrs. Walter Cope, 645 Vine Avenue, is enjoying a 9-day leave, having completed his course in flying at Corpus Christi, Texas. He was commissioned and awarded his wings on January 5. Ensign Cope will report to a base in New Orleans on Jan. 14, where he will attend instructor's school. From there he expects to be transferred to some eastern base.

Pvt. Kenneth B. Tether, son of Mr. and Mrs. John Tether, 145 So. Green Bay Rd., is home for a week on furlough. He is a member of the 36th Ren. Squad, Troop 3, and is stationed at Camp Pilot Knob, Yuma, Ariz., a desert training center.

A/C William Pomper has completed his basic preparation and is now in line for pilot training, stationed, for the present, at Nashville, Tenn. He is the son of Mr. and Mrs. Herman Pomper, 320 Maple Ave.

Rollman "Tom" Reber, aged seventeen, began his basic Navy training on December 1 at Farragut, Idaho. He expects a leave after this is completed in February. His parents are Mr. and Mrs. Harvey Reber, 391 North Avenue.

Pfc. Robert Patterson is expected home on furlough soon by his parents, Mr. and Mrs. George Patterson, Sanders Rd., Deerfield. He is in the 801st Tank Destroyer Bn., stationed at Camp Hood. His brother, S/Sgt. Earl Patterson is now stationed at Camp Phillips.

Edwin B. Gilroy, son of Lt. Commander and Mrs. Edwin L. Gilroy, 286 Central Ave., who was awarded his wings and commission three months ago is now stationed at the army air base in Ardmore, Okla., a co-pilot on a B-17 bomber.

Lt. Bruce Cliffe, son of Mr. and Mrs. Alfred Cliffe, 135 So. Second St., was in town recently on a short leave. Stationed at Santa Anita, Calif., he is an army ordnance officer.

Pvt. Mary Jane Guernsey, WAC, has completed her basic training at Waytona Beach, Fla., and has been assigned to the 3rd Service command headquarters at Baltimore, Md., where she is studying WAC recruiting methods. Before enlisting she was with the Chicago and Eastern Illinois railroad as reservation clerk.

Lt. Marshall E. Blume, 155 Lakeview Terrace, returned to his base after spending a Christmas leave with his wife. He expects to be stationed at an overseas base soon, and is in line for a promotion to the rank of captain and Commanding Officer of a dental unit to be established at his new base.

Robt. Nereim, yeoman 2/c, USN, has returned to his ship after spending a short leave with his family on 247 Central Ave., for the first time in nearly a year. His campaign ribbons show that he has participated in two major battles in the 7 months that he has been at sea.

After eighteen months overseas, in Alaska and the Aleutian Islands, Sgt. John C. Fiore, 49 Prairie Ave., Highland Park, has been spending a leave with his wife, the former Mary Venturi, and his parents, Mr. and Mrs. Charles Fiore. He has also made first acquaintance with his fourteen-month-old son, Charles John. Sgt. Fiore was originally with the infantry, but was transferred to the air force, and was with the first to land on the Aleutians. His campaign ribbons indicate that he has taken part in two major engagements.

John David Cummings, M M 1/c USN, who for the past eighteen months has been somewhere at sea with the amphibious forces, communicated indirectly with his parents, recently. For nearly two years they have not known his whereabouts. It is indicated that he took part in the invasion of New Britain.

2nd Lt. John Benson, pilot, who received his wings and commission at

Columbus, Miss., last November, is now stationed at Cleveland, Ind. His parents are Mr. and Mrs. Alfred Benson, 1412 Pleasant Ave.

Naval A/C Benjamin W. Weisbach, son of Mr. Harry Weisbach, 268 Woodland Rd., recently completed his basic training at U.S. Navy pre-flight school at Athens, Ga., where he was one of the ten high-ranking students of his class. He will now begin his flight training at the Naval Air station in St. Louis, Mo.

Army A/C Ralph Ward has returned to his base at Jefferson Barracks, Mo., after a 3-day visit with his parents, Mr. and Mrs. Ray Ward, 154 So. First St. He will begin his flight training, soon, at a new base.

Naval A/C A. Williams "Bill" Okey has completed the second phase of his training at Purdue University, and has been transferred to the pre-flight school at Iowa City, Ia., for the third phase. He is the son of Mr. and Mrs. Fred H. Okey, 1021 North St. Johns Ave.

A/C Edward J. Weiler, son of Mr. and Mrs. John Weiler, 337 Orchard Lane, is now stationed at Nashville, Tenn., where he will undergo tests to determine for which branch of the air service he is best fitted. Aged 19, he is a graduate of the local high school.

A/C Chase Smith, Jr., who was to have been graduated from the local high school next June, has been inducted into the service and is stationed at Gulfport Field, Miss., where he will receive training in the army air force. He is the son of Mr. and Mrs. Chase Smith, 225 Laurel Avenue.

Eugene J. Juhrend, son of Mr. and Mrs. J. A. Kortendick, 215 High St., Highland, whose engagement to Miss Marjorie Diercks of Oak Park was announced last summer, has been commissioned 2nd lieutenant. With the weather department of the army air forces, he recently completed the Army meteorology course at Grand Rapids, Mich., and at Chanute Field.

Mrs. Alvin Johnson, 397 Vine Avenue, is the mother of three servicemen. Pfc. Harold Johnson, of the Army Air Corps, is home on 15-day furlough. He has been stationed for nineteen months in Hobbs, New Mexico, during which time he has acquired a nice Southern accent. Gordon Johnson, A.O.M. in the Navy, is stationed for the present in the Hawaiian Islands. Pfc. Arnold Johnson, of the Rainbow Division, is stationed at Camp Gruber, Okla.

A letter received from Pfc. Brandt "Bus" Olson, USMC, Seacoast Artillery, the first in two months, states guardedly that he is "now safe and will continue that way." Censorship in his division of the service is strict. Although he has been stationed in the South Pacific area, the letter is marked "Central Pacific," and he speaks of a furlough in the spring. Pfc. Olson left over two years ago for his basic training at San Diego, Calif., and left directly after for an overseas base. He is the son of Mr. and Mrs. Lester Olson of the Highland Apts.

Sgt. Jack Dennett, celestial navigator instructor, maintenance man and link trainer in the army air forces, is now stationed near Salt Lake City, Utah, in a replacement center. He is

the son of Mr. and Mrs. Chas. R. Dennett of 615 Homewood Ave., and husband of the former Virginia Strickler, a Maryland girl. Mr. and Mrs. Chas. Dennett have another son, Lt. Edward Dennett, in the infantry at Camp McCoy, Wis.

Mr. and Mrs. Charles Jordan, 691 Yale Lane, were recently notified that their son, Thomas, has been promoted to the rank of 1st lieutenant. Stationed in Guadalcanal, he has served also in Munda and New Hebrides. His wife and infant daughter live in Minneapolis. Lt. and Mrs. Thomas Sheldon Bird, son-in-law and daughter of the Jordans, spent two weeks with them recently, but have now returned to his base at Ft. Riley, Manhattan, Kans.

Pfc. Robert Christensen, son of John Christensen, 52 Deerfield Place, who was inducted into the army in September, 1942, is now stationed in the combat zone in Italy. Overseas since last April, he took part in the Sicilian campaign. A brother, Ens. John Christensen, received his civilian pilot training at Sky Harbor and at Lewis School of Aeronautics. In March, 1943, he was graduated as naval instructor at Purdue University. He is stationed at the naval air base in Hutchinson, Kans.

Small Apartments Still In Great Demand At The USO-Salvation Army

Major Ira Fitzpatrick, director of the U.S.O.-Salvation Army club in Highland, states that the recent changes at Fort Sheridan have made considerable change in the housing demands. With more permanent personnel, the demand now is for apartments of all types. Daily requests come from officers as well as non-commissioned officers and enlisted men for living quarters where some cooking can be done and a measure of family life established.

"A generous response was made to our recent appeal," states the major, "for single rooms and now with this new emergency, we hope that there are still some folks who might be able to re-arrange their extra rooms into some sort of apartment set-up, to help meet the demands of the service men."

The club's proximity to the fort brings demands every day of the week and at all hours of day and night. Any householders having apartments or rooms for rent are urged to call the USO-Salvation Army club, Highland Park, 1810, and register them.

Come On America!

It's 1944!

THIS is what we've been working for all along. This is the year to hit and hurt the enemy. This is the time when everything you do counts double. If we all get together and do all we can, we'll be over this hurdle and well on our way to complete and crushing victory.

No question about the men in uniform—they'll go "all out." But can we count on you to back them all the way? Your quota is where you work—you've got to buy your War Bonds and then buy more, until every last loose cent you have is fighting. Tough? Of course, unless it is a sacrifice you're simply not doing your share!

Make the sacrifice now—buy more extra \$100 Bond your country counts on you for—winning the war is worth the sacrifice you make. Besides, you aren't giving, you're lending to America! You'll get back every dollar you invest in War Bonds, with interest.

An extra \$100 War Bond now is the minimum for everybody—can't we count on you for more?
