Highland Park's NEWS Paper for 33 Years

Vol. 33, No. 48

Highland Park, Illinois, Thursday, January 27, 1944

5c a Copy, \$1.50 a Year

## Boy Scouts To Be Responsible For City Wastepaper Pick-Up

Four hundred and fifty Boy Scouts are informing every family in Highland Park about the door-to-door pick-up of waste paper which opens Monday, Jan. 31, by distributing circulars to every home this week.

The Boy Scouts will help "man" the trucks and pick-up paper from curbs during the week of Jan. 31 to Feb. 4. Dr. Harold Spears, principal of the high school, is cooperating to the extent of excusing the older Scouts a half day to assist in the drive.

All proceeds from the sale of waste paper will be used by the Boy Scouts to purchase a resuscitator for Highland Park. Mayor Joseph B. Garnett has agreed to accept the resuscitator when it is purchased and it will be kept at one of the fire stations, with the exception of July and August, when it will be sent to Boy Scout Camp Ma-Ka-Ja-Wan.

Regular pickups of waste paper will be made the first week of every month. Waste paper should be placed on the curb the day before the collection will be made.

**THEY GIVE THEIR LIVES— YOU GIVE YOUR MONEY**

## Immediate Need of Volunteer Aid for Care of Children

Many of the sixty day care centers are open at the present time for ten hours a day and more, caring for the small children of women employed in war industries. The centers are operated by private institutions, and others have been established for the war emergency with the aid of Lanham Act funds administered by the board of education. All the centers are in need of supplementary help to their regular staffs. The committee will endeavor to place volunteers in centers as close to their homes as possible, and hours of service are arranged to suit the volunteer.

### Local Aide

Mrs. Irene Goodman, 306 Hazel avenue, is the OCD volunteer working now as child care aide in Highland Park.

Because many Chicago day care centers for children of war working mothers are opening at 6 a. m. and closing at 7:30 p. m. and new centers will open in the near future, Miss Mary E. Murphy, chairman of the Child Care committee, OCD, has appealed for the assistance of 500 volunteers to serve as child care aides. Registrations for a training course to start in the next few weeks are being taken at the Volunteer office, OCD and Council of Social Agencies, 53 W. Jackson boulevard, Chicago, Wabash 0528.

## Annual Meeting of Social Service At Center, January 31

Highland Park Social Service will hold its annual meeting Monday evening, Jan. 31, at the Community center at 7:45 o'clock.

The meeting is for the purpose of electing 15 directors to serve for a term of three years and for such other business as may be brought before the meeting. The session is open to anyone interested, and all are invited to attend.

## Twenty-one Percent of High School Personnel Listed in Honor Roll

Approximately 13 per cent of the entire student body of the high school earned a place in the first honor roll at the high school this semester, while 9 per cent are listed in the second roll.

Two seniors, Kenneth Bennett and Marjorie Johnson, and three sophomores, Dean Dickinson, Nancy Mills and Robert Notz, head the top honor roll with five straight A's.

## Couch Catches Fire Woman Badly Burned

Mrs. Evelyn Juhrend was seriously burned in her home at 161 N. Green Bay road early Sunday morning when the couch on which she was sleeping in the living room caught on fire. Fireman and postmen reported to the scene and discovered a burning cigarette in the couch.

Mrs. Juhrend was taken to the Highland Park hospital, suffering burns about the back and arms. She was attended by Dr. Roy Crossman and returned to her home the next day.

## Gardening in India Will Be Theme of Talk By Donald F. Ebright

The Ravinia Garden club has decided to omit the usual January meeting, due to gas rationing. The next meeting of the club will be held Friday, Feb. 11, at 2 p. m.

The speaker, Donald F. Ebright will tell of his experiences in gardening in India and will show two of his motion pictures. The titles of the films are "Garden Bells" and "Kashmir."

Mr. Ebright who will speak in costume, is a nationally-known lecturer, writer, world traveler, missionary and teacher. He was a lecturer at Lucknow Christian college, Lucknow, U.P., India, and was dean of the U.P. Youth camp, India from 1936 to 1942.

## Ravinia Women to Hear Dr. Otto Eisenschiml, Lincoln Lore Narrator

The "Drama of Lincoln's Assassination" will be the topic for the February meeting of the Ravinia Woman's

DR. EISENSCHIML

club on February 9, with Dr. Otto Eisenschiml, noted chemist, historian and student of Lincoln, as the guest speaker.

Dr. Eisenschiml started his career as a graduate chemical engineer with the Carnegie Steel company in Pittsburgh in 1901. He became chief chemist of the American Linseed company in Chicago in 1904, which position he held until in 1912 he became owner and later president of the Scientific Oil Compounding company in South Chicago.

He was chairman of the Chicago section American Chemical society in 1914, president of the Chicago Chemists club in 1922, founder and first president of the National Soybean Oil Manufacturers association, and chairman of the Illinois State Commission on Purity of Paints, Materials for fifteen years, to 1942. At present he is a member of Chicago Chemical Defense council, and of the executive committee of the Associated Defense committees of Chicago's Technical societies.

Mrs. James Stannard Baker, program committee chairman, will introduce the speaker. Mrs. Harry J. Van Ornum, club president, will preside at the meeting and also at the board of directors meeting held just prior to the regular session.

## 'Slanguage' of the Devil Dog Compared To That of the Army.

"I got the pink slip," says the soldier whose sweetie has given him the back of her hand, but the Marine (if indeed such things ever happen to the Marines) simply says: "I just got the word."

"Slanguage" in the Marines invariably has a salty tang, while the Army's vocabulary savors of the landlubber. A Marine says deck for ground, bulkhead for wall, sack for bunk, sick bay for dispensary, brig for guardhouse, scuttlebutt for rumor and boot for recruit. When it is time to quit work he says "Let's secure," while the soldier says, "Let's knock it off."

"Survive" is Marine for being sent back to the States for medical treatment, or for equipment which is damaged and must be replaced. The soldier uses the word "evacuated" for the man and "salvaged" for equipment.

A "yes-man" in the Marines is an "ear-banger"; he is a "smoke-blower" in the Army. A man called down at inspection is "read off" in the Marines, but in the Army he is "giggled."

## Town Hall Open Saturday for the Registration of Voters

Voters in West Deerfield township, which includes the western part of Highland Park and Lake Forest, as well as the villages of Bannockburn and Deerfield, will be given an opportunity to register at the town hall, 602 Deerfield road, Deerfield, on Saturday, Jan. 29, from 2 p. m. to 9 p. m., according to an announcement made by Township Supervisor Arthur M. Baker.

This registration (to be able to vote) will be generally observed in the townships of the county, under the supervision of the county clerk's office at Waukegan.

Only those who have recently moved into the county, or changed precincts, or attained the legal voting age of 21 years, since November, 1942, or any voters not previously registered, are required to register at this time. There will be only the one place to register on Saturday.

Miss Irene A. Rockenbach, town clerk, states that those who fail to register are in danger of losing their vote at the primary election in April, 1944.

## H. P. Woman's Club to Hear Dr. MacDougal

In order to think straight, hear straight and talk straight in a world bewildered by "inside stories" it is necessary to understand the basic principles underlying public opinion formation. The story behind the inside stories will be told to members of the Highland Park Woman's club on Tuesday, Feb. 1, by Dr. Curtis MacDougal, who will lecture on "Twin Bogies: Censorship and Propaganda."

Dr. Mac Dougal is qualified by twenty-five years in the journalistic field to offer expert assistance to those who would learn how to distinguish fact from fiction and recognize propaganda. After taking his Ph.D. in social psychology at the University of Wisconsin, Dr. Mac Dougal served on the editorial staffs of the United Press in Chicago and the St. Louis Star-Times.

As the editor of the Evanston News-Index in 1936, his publication was awarded the national editorial award for general excellence, and today his graduate seminar in public opinion is considered one of the leading courses in the Medill school of journalism at Northwestern university.

Luncheon has been scheduled by Mrs. Charles J. Haynes, hospitality chairman, and Mrs. Baker Hamilton, luncheon chairman, for 12 o'clock.

## Service Mothers' Club Urges Service Mothers to Become Members

No doubt many mothers of boys or girls in the service have not been contacted in regard to becoming members of the Service Mothers' club, which meets on the second Wednesday of each month at 2 o'clock in the Highland Park U.S.O.

If you are one of them and would like to join the club, won't you please consider yourself invited and get in touch with some member of the membership committee, who will take care of the matter for you.

Owing to the speed with which large numbers have been called into the service it has been impossible to contact each mother individually.

This is a public invitation to all you mothers to join us in our efforts to be of some service to our boys and girls.

Mrs. Fred R. Moon H.P. 3176  
Mrs. John McCaffrey H.P. 127  
Mrs. Dave Johnson H.P. 2476  
Mrs. G. Brown H.P. 3724  
Mrs. Thos. McEwen H.P. 1963  
Membership committee.

## Public Service Co. Holds Window Display For March of Dimes

A window of the Public Service company on Central avenue is entirely devoted to the March of Dimes drive. Those who wish to donate to this fund to combat infantile paralysis may obtain cards in the Public Service store or at the post office.

All the local schools have been supplied with cards and all school children have been asked to contribute to the fund. Cards should be sent directly to the president.

Larger contributions, in any amount, will be accepted and acknowledged by the local March of Dimes chairman, Postmaster Daniel Cobb. The campaign will continue for several weeks, with a movie being shown the first week in February at the Alcyon theatre in observance of the drive.

**BACK THE ATTACK**

## Student Council Head To Address High School PTA Thursday, Feb. 3

On Thursday afternoon, Feb. 3, the attention of the high school P.T.A. will be centered on another get-acquainted-with-our-school program explaining the function of the Student council.

Arrangements for tea to be served in the cafeteria from 3 to 3:45 by the Oak Terrace district with Mrs. Joe Phillips in charge, have been made by Mrs. Edward W. Knox, hospitality chairman.

Following a brief business meeting in the English club room at 3:45, Jim Hart, president of the Student council, will be introduced by Mrs. George Hartman, program chairman.

After outlining the history of the Student council, which was one of the first to be organized in the state, Jim will introduce the twelve members of the executive board who will explain the duties of their departments.

## Inhalator Presented to City Fire Dept. by OCD

The new inhalator on display at the central fire station was presented to the Highland Park fire department by the Office of Civilian Defense. This new type of resuscitation machine, says Fire Chief William Hennig, will supplement the good work done by the inhalator purchased in 1932, which in 1943 alone saved seven people from death. The old inhalator can now be overhauled after its long years of service.

### Uses for Apparatus

The new apparatus can be used at the beaches for drowning victims, in carbon monoxide suffocation, in cases of strangulation, pneumonia, or infantile paralysis where a patient must be transported to hospital and placed in an "iron lung." Its mechanism is so sensitive that it can be used on a new-born baby or an adult without any adjustment by the operator. It feeds air into the lung only to the correct capacity of that particular lung.

This type of resuscitation machine has three functions. It compels lungs to breathe which have become inactive through drowning, asphyxiation or suffocation, or paralysis. It can act as an inhalator, feeding oxygen alone when a person is able to breathe for himself but needs more air than his lungs can supply. Its third function is aspiration; it can draw the mucus from the throat of a baby near strangulation, clearing the air passages.

The apparatus can be manipulated by a single individual. Its automatic adjustment to conditions, its regular rhythm, its ability to keep going for 72 minutes on its own oxygen tanks, or longer with supplementary tanks, make it far safer and more efficient than the manual resuscitation method.

The inhalator was purchased by the Office of Civilian Defense at a cost of \$444 complete with two extra oxygen tanks.

## Names That Get in the Hair of the Personnel Officer At Sheridan

Lt. Jay H. Doblin, Personnel Officer of 1672 SU at Ft. Sheridan, discovered with a shock, the other day, that he had in his Special Training Unit a General Dunn, a Stonewall Jackson and a Thomas Jefferson. The parents of Pvt. Dunn, partial to rank, no doubt, had christened their son "General." His home is in Chicago, while his illustrious companions' hail from St. Louis, Ill., and St. Louis, Mo., respectively.

But the real problem was presented by Lieutenants John J. O'Keefe, identical in name, date of entrance into candidate's school, and date of commission; also arriving simultaneously at Ft. Sheridan. Furthermore, both received orders to leave Ft. Sheridan on Jan. 19 and to report on the same day to Camp Reynolds, Greenville, Pa. The only saving feature of the situation is that one of the lieutenants must add a "Jr." to his name. He is a lawyer and a Washingtonian, while his namesake is an accountant from Indiana. They had never met.

## All Voters Must Register for Primaries

Voters of Deerfield township who have not registered may do so at the office of Supervisor W. W. Steele, 304 Central avenue, second floor, on the following days:

Jan. 29 from 2 to 9 p. m.  
Feb. 4, 11, 12, 18, 19, 25 or 26 from 9 a. m. to noon and 1 p. m. to 5 p. m.  
March 3 and 4 from 8 a. m. to noon and 1 p. m. to 5 p. m.

Persons who wish to vote at the primaries April 11, 1944, must register.

## Director A. E. Patton Names N. Sharp As Bond Sales Recorder

## Mobile Blood Donor Unit At Woman's Club On February 5 and 7

Highland Parkers and residents nearby North Shore towns who have been wanting to contribute a pint of their blood to the Red Cross Blood Donor service, but have not been able to visit the fixed center in Chicago, will be able to do so without transportation difficulties when the mobile blood donor unit makes its seventh visit to Highland Park on Saturday, Feb. 5, and Monday, Feb. 7.

The unit again will be housed Highland Park Woman's club, with Mrs. Herbert R. Smith, chairman of the club's Victory committee, in charge of the arrangements. In order to assure a steady and efficient supply of donors, appointments must be made in advance with either Mrs. Smith, telephone H.P. 480, or in person at the Public Service store. Only morning and afternoon appointments can be accepted.

Contributors of blood to the Red Cross are playing a vital part in the war effort. Their blood will fight with the sailors on the high seas—with the paratroopers when they storm an objective—with the marines, the soldiers and air corps men who are laying their lives on the line daily in remote corners of the earth. Wherever our fighting men are to be found, the Red Cross and blood plasma will be found.

## 3rd Anniversary Open House to Be Held at U.S.O.

Plans are nearing completion of the Highland Park U.S.O. club's third anniversary open house to be held at the U.S.O. club, 21 North Green road, on Sunday, Feb. 6, from 2 to 6 p. m.

Upon this occasion the U.S.O. house will be thrown open to general public in Highland Park and other North Shore communities. The citizens of these areas are invited to help the U.S.O. club for the men and women in the nation's armed forces.

The open house program will be under way at 2 p. m. with a touch of the club's facilities including craft, music and recreation rooms, special table tennis exhibition and the direction of Dougal Kitterman, who has also been arranged for this time.

The hours of 3 p. m. to 5 p. m. will be spent in an entertainment program from 5 to 5:45 p. m. The open house will be officially closed at 6 p. m. by Bob E. Schumacher, president of the U.S.O. council, who will address a few words of appreciation to the North Shore citizenry for their efforts in making the Highland Park U.S.O. possible.

More detailed plans of the program will be announced at a later date.

## USO to Take Over the Local Housing Project

The Highland Park U.S.O. is now handling all the housing which was formerly taken care of by the Travelers Aid. Although the Travelers Aid office closed, there is still a great demand for rooms and apartments.

If anyone in Highland Park or the vicinity has rooms which are not listed, they can be listed by calling H.P. 4650.

## WOMEN OF MOOSE TO MEET WEDNESDAY

Women of the Moose, Highland Park chapter 806, will meet Wednesday evening, Feb. 2, at Witten hall at 6 o'clock. In charge of refreshments will be Helen Meckley and Marie Sawyer.

## WOMEN WORKING IN STAMP BOOTH

Women working in the stamp booth at Woolworth's through January 27 are: Mrs. George B. Hart, Mrs. K. K. Martin, Mrs. Victor Garwood, Mrs. L. G. Kessler, Mrs. G. H. Stipe, Mrs. Raymond Hayes, Mrs. J. P. Moore, Mrs. J. E. McCaffrey, Mrs. V. C. Kirk and Mrs. Harold Rudolph.

## CIVILIAN DEFENSE SIRENS

Beginning February 1, sirens will be sounded on police cars in case of extreme emergency and on the apparatus in responding to fire and emergency calls.

The public will be able to distinguish these sirens from the raid sirens.

Added experience and technical talent was made available to Campaign Director A. E. Patton of the Fourth War Loan during the last week, which, he states, will help to assure the success of the local drive.

Director Patton announced that Nathan S. Sharp, former city commissioner, will take over the task of recording bond sales.

"We feel especially fortunate in securing Mr. Sharp's help because the job of keeping track of the credits to which Highland Park will be entitled, is particularly complex in the Fourth War Loan campaign," Director Patton explained. "His years of experience in security banking and municipal finance have enabled him to offer us several valuable suggestions. In addition to this he has volunteered to undertake a share of our record keeping. Few people can realize how much time and effort just record keeping involves in a campaign such as we are now conducting."

Other drive developments of the week included the erection of the official score boards on Central avenue and at the Ravinia station. Treasury department posters and a special steamer urging Highland Park people to buy their bonds from their block chairman were placed in store windows, railroad stations, public buildings and even on telephone poles by a volunteer flying squad of civilian defense wardens captained by Bob Patton, assistant to Chief Warden Harry E. Aiston.

With the official opening of the local house-to-house canvass tomorrow morning (Friday), which will be participated in by almost 400 men and women workers, and which will continue for seven consecutive days, Director Patton made public the names of additional sector chairmen, not previously announced. They are: H. L. Hubertz, Mrs. Charles W. Jones, Gervase L. Brown, Charles Grimes, Mr. and Mrs. Charles R. Ferrigo, Albert V. Bingham, E. J. Fucik, Roy H. Olson, Ernest H. Volwiler, John T. Snite, Paul R. Smith, Virginia Wheeler, Walter Borg, William J. Seguin, Harry Pierce, Russell C. Vinnege, Joseph J. Berube, Robert Aynsley, Richard L. Barazelli, Ormas G. Smith, Phillip Sparling, G. S. Laing, Everett O. Fontaine, Clarence Whitcroft, William Wolf, Constantine Scasellati, Mrs. Roy Nereim, Mrs. Richard Kuhns, John Udell, Edward A. Roach, Thomas Creigh, John B. Stevens, B. K. Goodman, D. L. Clinton, Herbert Meyer, Allan L. Pither, Earl W. Gsell, Ben Lazard, E. R. Phelps and Spencer R. Keare.

Marshall Straus, in the absence from the city of William Winninger, will act as chairman of Division 7 in Ravinia.

Niels Clausen, sectional chairman of the Lake County War Finance committee and George Hartman, permanent Highland Park chairman, expressed satisfaction with the management of the Fourth War Loan to date.

## February 11 Is Deadline for Snapshot Contest of H.P. Salvage Committee

"With the February 11 deadline so near for the Salvage committee's contest—with \$1 in war stamps awarded for the winner—illustrating Highland Park's part in the nation-wide drive to save waste paper," reports Mrs. Nathan Corwith Jr., salvage chairman, "we hope many more pictures will be received before the final day."

"The exhibit of the best entries in the Public Service window, and the winning picture printed in the Press, will be a definite stimulus to every Highland Parker's saving—and not burning—every scrap of paper so urgently needed for war production."

## Glencoe Colored Choir to Present Concert At Bethany Evangelical

Next Sunday afternoon at 4:30 o'clock, the Hyman Mills Colored choir will present a sacred concert in the sanctuary of the Bethany Evangelical church at Laurel and McGovern avenues. This chorus has made many appearances in Chicagoland and is noted for its effective interpretation of typical Negro music.

Admission is free; an offering will be received. The Young Adult Fellowship of this church, under the leadership of Mrs. Homer Sleeman, is sponsoring this program and will serve tea to the guest singers after the concert.

A welcome is extended to the public to attend the program.

**REMEMBER PEARL HARBOR**
