March Waste-Paper Pickup Begins Week Of March 6th

"Begin now to tie up your bundles of newspapers, your piles of maga- Officially Open zines, and to put your loose scraps into bags and get everything ready to pr out on your curb the night before the truck is scheduled to cover your neighborhood for waste paper curb-service

things have a habit of happening at the last minute and your paper might have to wait another month for pickup, while there is acute need for paper in the war effort right NOW.'

These instructions are issued by the Civilian Defense Salvage committee, headed by Mrs. Nathan Corwith Jr. Pile At Curb

March 6, trucks will go from house to house in Highland Park picking up paper, bags of scraps, flattened car-

newspapers and magazines tied if possible and piled at the curb. Bomb bands, practice bombs, wing tips, airplane signals, parachute flares, ammunition chests, and K-ration kits

are among the essential war supplies made with waste paper. "There is a continuing need for pa per for all these things and many others and the fight to salvage every bit of scrap paper must go on without interruption," according to the Salvage
