FIRST CHURCH OF CHRIST, SCIENTIST

This Churchiis a branch of The Mother Church, The First Church of Christ, Scientist, Boston, Mass.

The Sunday morning service is held at 11 o'clock and the Wednesday evening meeting, which includes testimonies of Christian Science healing, is at 8 o'clock.

The subject for this week's leason sermon Sunday, June 4, "God the Only Cause and Cheston." and Creator."

Small children are cared for during Sunday oburch service.

Sunday School is open to pupils up to the age of 20 years, and is held Sunday morning at 930.

A free publicareading roo mis maintained by this charen at 43 N. Sheridan road which is open daily from 930 o'clock in

the morning to 5:30 in the afternoon and on Saturdays until 9 o'clock; On Sunday the reading room is open from 2:30 to 5:30. Here the Bible and all authorized Christian Science literature may be read, borrowed of purchased.

"One way to get along is to find a better way to do things" said B & Forbes,

And our ambition is to find better ways to do things in order to make OURS a better Gas Company. We study every suggestion to see if it fits into our picture for either present or post-war operation.

Judging from the number of inquiries about Gas home heating it looks as if there will be busy times ahead. Sorry, we cannot take on additional house heating until after the war.

By the way, Coal Facts says the Romans heated their homes with elaborate systems of hot air furnaces as early as the first century A. D.

One of our buddies writes-Sergeant, "How do you like

New Private, "I may like it after a while but just now ! think there's too much drilling and fusting around between meals.

Incidentally, there are 44 of us in the Armed Services now.
