Rabbi to Give Talk On Prophet Isaiah
This Friday evening at North Shore Congregational Israel in Glencoe, Rabbi James A. Wax will preach the third in his series of sermons, which deal with the Prophets of Israel, who helped to form the principles and traditions of Judaism.
The first two sermons dealt with the lives and teachings of the Prophets, Amos and Hosea, while this Friday evening will be on the Prophet Isaiah. Rabbi Wax's discussions are stimulating and of great general interest.

Last Rites for Mrs. Chas. Geminer
Funeral services were conducted on Saturday at the Redeemer Lutheran church for Mrs. Charles Geminer, who passed away Jan. 10, at her home, 222 N. Second. Rev. H. P. Platzer, pastor of Redeemer church, officiated, and interment was made in the North Shore Garden of Memories.
Mrs. Geminer was born March 4, 1876, in Chicago, and had lived in Highland Park for nearly 60 years. She is survived by her husband and two sons, Norman, of La Grange, and Louis, Mailman 1/e, USN, who is presumably now en route for a foreign port.

Eight Local Men Report for Service
Three local men reported for service in the navy and five in the army on Jan. 6, according to the report of the local draft board. For the navy were: Robert E. Melani, Highland; Francis M. Glynn, Lake Forest; and James J. Spandau, Jr., of Deerfield. The new soldiers are: Reno Giangiorgi and Hubert Amidei of Highland; Floyd E. Swarthout of Lake Forest; and Robert P. Wiebolt and Ernest D. Manassee of Highland Park.

ODB to Hear Claims at Waukegan, Jan. 17-19
Capt. William D. Anderson of the Chicago office of the field investigation branch of the War Department Office of Dependency Benefits will be in Waukegan on Jan. 17 through Jan. 19 to interview servicemen who are receiving family allowances, annuities, etc. Gen. H. N. Gilbert, USA, director of the ODB.
The ODB, in Newark, N. J., is that activity of the office of the fiscal director, headquarters, Army Service Forces, which administers family allowances and Class E allotments-of-pay on behalf of more than 14 million dependents of army men and women. To date, more than 123 million checks, totaling over seven billion dollars, have been mailed to soldiers' dependents.
Capt. Anderson will establish temporary headquarters in Waukegan in Room 28, Federal building, 326 N. Genesee St.
Through the activities of officers assigned to a network of regional offices in key cities from coast to coast, the ODB maintains constant vigilance in checking on family claims. Those which are found to be unjustified, but which bear evidence of fraud are turned over to federal law-enforcement agencies for prosecution.
The ODB itself does not prosecute; its activities are confined to interviews. Where fraud is indicated, the ODB assists law-enforcement agencies in preparing cases for court action.
The office of dependency benefits administers the law with sympathetic understanding of dependents' needs, as well as with a scrupulous conscience, the spokesman stated. It is the purpose of that agency to see to it that just claims are recognized, it was stated, but at the same time, the ODB must study carefully every case where there is a question as to the validity of claims, and protect the interests of the government.

Oldest Resident of Deerfield Laid to Rest
Last rites were conducted on Sunday, Jan. 14, for Mrs. Margaret Gastfield, who succumbed on Jan. 12 to injuries received in a fall last November. Of perfect health until that time, she had since been confined to her bed with a broken hip. She was 95 years of age.
Mrs. Gastfield was a native of Germany. In 1859 she accompanied her mother, Mrs. Margaret Hoelzel, to this country, settling in the section now known as Northfield, Ill. In 1868 she was married to the late William Gastfield, son of pioneer Illinois settlers.
The deceased is survived by eight daughters and four sons: The Misses Harriet and Aurelia, Mrs. William Sieler and Mrs. Henry Soefker, all of Deerfield; Mrs. Michael Osterman of Northbrook; Mrs. William Leuger of Waukegan; Mrs. Elmer Palmetier of Tombstone, Ariz.; and Miss Julia, of Kansas City, Kans.; Alfred and Herman, of Deerfield, Henry of Chicago, and Sam, of Lewiston, Mont.

Local LOOM Lodge Increases in Strength
The members of the Highland Park lodge No. 446, LOOM, have reason to be proud of their organization. During the year 1944 the membership has been greatly increased and the financial position of the lodge is the strongest it has ever been. The season's activities were concluded with a Christmas party at which over 300 children of members attended and received gifts. The annual New Year's party was the largest in the history of the lodge, being attended by about 400 people. The year 1944 also saw the purchase of a building which is to be remodeled and equipped for the use of its members and the members of the Women of the Moose. The remodeling of this building is a program that is to be carried on during the early part of this year.
Marshall Meckley has been appointed program chairman for the months of January, February, March and April. He will start the season's activities with a dance to be held Feb. 10 at the Masonic Temple.
The lodge will initiate a class of new members on January 22, at 9 p.m. at Witten hall.

N. Ori Reports On Highwood Caucus
The people of the city of Highwood have been saying for months: "We need a change." And no wonder. Repeatedly, they have seen their city's name blasted all over the newspapers; they have watched the administration squabble and quarrel and fight over anything and everything; and they have seen with regret and bitterness the reputation of their city sink lower and lower.
Now they have decided to take action. On Jan. 9 at the Labor temple, in spite of zero weather, a caucus of over 100 leading citizens met and their actions clearly indicate that they now intend to make that change.
After electing a chairman of the people's committee, they unanimously drafted Tom Mussatto as candidate for mayor, with great applause. Mr. Mussatto, not present at the meeting but called in later, expressed reluctance to accept the nomination, unless a ticket could be put up composed of "true and civic-minded" citizens who would place the interest of the community well above personal gain — men that would consistently observe and live up to the oath of office.
In order to select candidates for aldermen, city clerk, city treasurer and police magistrate, a committee composed of ten citizens from each ward was then nominated with instructions to call on several well-known Highwood citizens considered to be of the type mentioned by Mr. Mussatto.
Another public meeting will be called by this committee at a later date to report their progress and to pass on all candidates offered to complete the ticket.
Mr. Mussatto has been active in civic undertakings in Highwood for many years and is past president of the Deerfield Township Civic Improvement association of that city. By popular demand, as in the present case, he was elected a member of the school board of district 111 in 1937 and served in that capacity until two years ago when he was elected president of the board. His term expires this coming spring.
In 1938 he resigned from the position of superintendent of the street department in Highwood when elected business agent of the Lake county local of the building construction laborers' union, and he has served in that capacity continuously, having since been elected recently without opposition for another three year term.
Sincerely yours,
NELLO ORI (Signed)
Chairman People's Committee of Highwood.

Full Military Honors Accorded Late Veteran
John Zoul, 41, for twenty-five years a resident of Highwood, was buried at St. Mary's cemetery on Wednesday with full military honors. Nearly ever since his honorable discharge from the army, in April, 1943, he had been a patient at the Downey veterans' hospital. The Highwood post of the American Legion, of which he was a member, was in charge of the rites, with Tony Santi, chaplain, officiating, and salute fired by a squad from Ft. Sheridan.
The deceased, a sign painter, lived at 121 Prairie, with a sister, Mrs. John Llewellyn. Three other sisters survive, and two brothers, Eli and Anton, both of Highwood.

Fort Sheridan in Charge of P.W. Camps
Fort Sheridan is now in charge of all German prisoner of war branch camps in Cook, Lake and DuPage counties in Illinois, all of Wisconsin, and the upper peninsula of Michigan, according to Col. George H. Cushman, Fort Sheridan post commander. Civilian firms obtaining the prisoner labor first have to obtain a War Manpower commission ruling that there is insufficient civilian labor to handle the companies' production.
Approximately 50,000 items of clothing and equipment are now processed weekly by the property classification section of the 1672 supply service unit at Fort Sheridan, according to Col. Cushman.

Cpl. George Tozzi, an instructor in the special training unit at Fort Sheridan, will get off to a head start on his post-war career Jan. 21 when he sings the bass lead in the musical "The Provocateur" to be presented at the Eighth Street theater in Chicago by the Midwest Opera Co.

Civil Service Openings For Typists, Stenographers
Stenographers and typists without experience are needed for good positions in their home communities and state. Robert L. Hunter, president of the Illinois civil service commission, announced today. Although examinations for both clerk-stenographer I and clerk-typist I were given Nov. 18, the stenographic list is practically exhausted for a number of localities throughout the state, and the typist list is inadequate for a number of state institutions and other offices.
These employments give recent high school graduates and high school seniors who will graduate within the next few weeks a fine opportunity to gain experience and to secure promotions. Married women with former stenographic

or typing training or experience are also urged to apply for these examinations. Salary range for clerk-stenographer I is \$1320 to \$1680; for clerk-typist I \$1200 to \$1620. Application blanks are available at all high schools in Illinois or from the civil service office in Springfield. Applications should be submitted at once to the Illinois Civil Service Commission, 501 Armory Bldg., Springfield. Closing date for these examinations is Feb. 10.

WHAT'S COOLING
● At Fort Custer, Michigan, a soldier is taught to squeeze instead of pull the trigger of his rifle by a contraption that, when he makes this mistake, gives him a resounding whack on the seat of his pants.
★ ★
● After 27 months in the Aleutians without even a glimpse of the fair sex, Grayson Fixder, Technician fifth grade, arrived home and said simply: "All women are beautiful."
