Mr. Harry Eichler, chairman of the meeting, presented a picture of the destroyed properties of the church in war-torn lands, which includes ruined seminaries, hospitals and churches. A building program at home, he added, would also be an object of the financial effort. In discussing the operation of the local collection effort, Mr. Eichler said that the key men and women would receive a list of people to contact in one week but that actual solicitation for cash contributions or a pledge would take place April 22, Sunday afternoon. Another "refresher" meeting will be held Friday, April 20. Contents of the blue envelope in each church envelope box is being set aside and specified as that contributor's gift toward the Thankoffering effort.

Plan Book Shower For Merchant Marines

"A Book Shower for the Merchant Marine" is one of the war activity projects of the Highwood and Highland Park units of the American Legion auxiliary for the month of March.

While the brave, young men and women go forth to build American security, on returning ships from the four corners of the earth, the wounded, sick and weary journey to their homeland for care, rehabilitation and comfort. One of the finest activities among auxiliary units is the project of securing good books for these young people to read during their hours of convalescence and leisure.

A special assignment has been given the units to sponsor a book shower particularly for the merchant marines who travel long distances and enjoy many long hours in reading fiction, mystery, education and detective stories. The American Merchant Marine Library association has made a special appeal for assistance in building its library on the high seas.

Five new ships a day are going down the ways, and the aim of the merchant marine is "a library aboard every ship."

The units are inviting the public as well as the membership to share their reading with those brave men who man remote lightships, coast guard stations, maritime training stations, and 2,198 merchant ships delivering precious cargoes to the armed forces from Asia to Africa and from Iceland to Capetown.

These books, new or used, may be deposited in the special boxes at the Laegeler drug store in Highwood and Bee's dry goods store at 36 N. First St. in Highland Park.

The chairman in charge are Mrs. Albert Axt, of the Highwood unit and Mrs. Louis Cassel of the Highland Park unit.

NOTES FROM YOUR High School

"Student Stunts" Slated For Saturday Night

"Student Stunts" is to be presented tomorrow (Saturday), Mar. 17, at 8:15 p.m., in the high school auditorium.

This production is to take place in the lobby of a hotel called the Highland Arms, and even the ushers will be in bellhop uniforms.

Many of the acts will contain music, singing, dancing, and piano playing. Also there will be a couple of monologues, and to add an international touch, there will be both a French and a Spanish act.

Band and Chorus To Play For Concert on Mar. 25

The first Spring Concert this year will be presented by the band and the chorus on Sunday, March 25, in the high school auditorium.

The band has a total of 77 members and the chorus 66 members. The latter consists of two groups, the freshmen and the advanced. The two will be combined for the concert.

Mr. Walter Aschenbrenner, who directs the chorus, says that he has an unusually fine bass section this year to act as a foundation for the organization. This group is made up of John Ross, Charles Pope, Edward Norren, Lawrence Schraeder, Robert Fiochci, Jerry Muzik, and Roger Shelton.

The band, which is directed by Mr. Harold N. Finch, is hard at work to present a concert they hope everyone will enjoy.

Wheaton Swamps Niles; Elgin Wins Sectional

Attempting to continue their string of upsets, the surprising Niles township high school basketball team met defeat at the hands of the Wheaton team last Thursday night in the semi-finals of sectional play in Elgin.

Niles had entered the sectionals by winning the Waukegan regionals, where they triumphed over Evanston, Libertyville (the team that beat Highland Park), and Waukegan. Wheaton won the Little Seven conference and was favored to beat Niles.

In the sectional finals, the Elgin team defeated Wheaton, 43-30. The Elgin team is well-balanced and will put up a good fight in the state championship round which started yesterday at Champaign.

90 P. C. Goal Reached, Victory Corps Reports

With 31 sessions having 100% of the members buying war stamps, 8 sessions having above 90%, and only 5 sessions having below 90%, it gave us an easy margin on the required 90% to retain our minute man flag.

HPHS is determined to achieve the goal of \$15,000. Plans for a war stamp selling assembly as suggested by Mr. Finch's session, are being worked out.

THE MUSIC STAND

Duke Ellington is coming to town. He will appear in Chicago March 25 at the Civic Opera. Last year he presented his own symphony, Black, Brown and Beige. This year another Ellington program will be presented and I sincerely believe it will be equally as good this year.

The Duke, according to many music critics whose words of praise are rare, possesses the greatest musical mind in the United States today. He not only plays the piano exquisitely and arranges orchestrations for his orchestra, but also he has written many popular songs. Such songs as "Solitude," "Sophisticated Lady," "Black and Tan Fantasy," and "Black, Brown and Beige," grace his list of hits.

He has always had the best talent in his orchestras, and there lies the partial answer to his inspiration. He has perfect cooperation in his orchestra. Each man knows what is expected of him and the slightest motion on the part of the leader conveys a message to one or more of the men. An orchestra playing their arrangements in this manner can, by plenty of hard work, pick out the bad parts, and add new things here and there, until they attain the perfect song. If you've ever heard an Ellington band take any song for a ride, you know what I mean.

FIT CAPS AND GOWNS WEDNESDAY, MARCH 21

The caps and gowns for graduation are to be fitted first period, Wednesday, March 21, in the girls' gym.

During the H. G. A. meeting to be held Friday, March 16, all membership records will be gone over and brought up to date.

A check on the scores of the marathon swim, now in its fourth week, shows the sophomores and freshmen sessions, respectively, in the lead. Those sessions holding the highest score are Nelson, soph, 378 points, and Rodenbeck, frosh, 294.

Winners of the basketball tournament was the junior team with a score of 30-20 over the seniors.

The freshmen and sophomore gym classes are in the midst of folk dancing. The smaller groups are playing badminton.

Hup, two, three, four — right about face — "tention!! No, the army hasn't taken over Highland Park high, though it may sound like it. Investigating the matter, yours truly discovered the girls of 8th period gym class marching army style.

Well, here it is March 15... In addition to being Mr. Morgenthau's favorite date, it is the date when our "Summer Water Heating" Gas water heaters may be placed in service for another season.

Here is an actual happening — Tax Collector: "How much did you make last year?" Replica of Stepanfitchit: "Ah don't know for suah. Maybe a thousan' dollahs."

Collector: "How much did your wife earn?" Step: "Oh, I don't know, she won't tell me."

Ask any woman how much time she spends in the kitchen and she will probably tell you, "Too much!" The exact time — according to the man with the stop watch — runs about four hours a day, during which time you prepare about 1,000 meals a year.

The GAS industry is doing something about shortening that kitchen time. New Freedom Gas Kitchens will be available for new homes and remodelled kitchens soon after the war is won.

Congratulations on the results of the fine RED CROSS drive.
