in the East as one of the rising young musicians of the day. Another newcomer to Ravinia will be Massimo Freccia, conductor of the New Orleans Symphony, and well known on the continent before he came to this country a few years ago from his native Italy. Freccia will conduct during the fourth week of Ravinia, beginning Tuesday evening, July 24. Soloist that week will be Erica Morini, noted Austrian violinist, whose appearances are scheduled for July 24 and 28.

Leonard Bernstein, who created a sensation at his Ravinia debut last season, will return this summer for the fifth week of the Festival, which opens July 31. Soloist for that week has not yet been scheduled.

Pierre Monteux, San Francisco's distinguished conductor, and outstanding modern French conductor, will bring the symphonic season to its conclusion, occupying the podium during the sixth week. Monteux, who will be making his fifth annual visit to the North Shore music festival, is not only one of the country's most notable conductors, but an overwhelming favorite of Ravinia audiences.

For the final week of music at Ravinia, the Pro Arte quartet, which inaugurated the post-season week of chamber music at Ravinia in 1940, will return for four concerts.

Fight Fire, Speed Victory
 Fire is one of the most serious challenges America faces on the home front.

"Last year, according to the figures just received from the National Fire Protective association, more than 423 million dollars' worth of property went up in smoke and flames," Chief Hennig said further in announcing this year's Cleanup campaign.

Because a thorough job of spring cleaning in industrial plants, as well as in homes, will sweep out many of the fire hazards which threaten the lives and property, the chief is asking everyone to join in the campaign.

Rags and Paper Hazards
 Dangerous to store in homes, and badly needed for many essential war purposes, rags and paper should be routed out during the campaign and sent to salvage depots. These materials are one of the principal causes of fire burning American homes at the rate of one every 90 seconds.

NOTES FROM YOUR High School

School Tops War Bond Goal by \$163,712

Topping its goal by \$163,712.20, the Highland Park high school sold a grand total of \$178,712.20 of war bonds in an assembly held Friday, May 4.

The assembly was held in the form of an auction, the highest bidding session in each class receiving a prize. Bids were made in the form of pledges to buy war bonds by the members of the session. The winning sessions in each class were as follows: Miss Taylor, freshman; Mr. Bishop, sophomore; Miss Rasmussen, junior and Mr. Einbecker, senior. The class pledging the most, \$79,600, was the junior class.

Entertainment for the assembly was furnished by a swing band, composed of students, and by Fletcher Butler, on the piano. These services were donated.

The assembly was originated and produced by Mr. Finch's senior boys' session. To this session goes the credit for the success of the assembly. They did all the organizing, solicited prizes, and handled the publicity.

Master of ceremonies for the afternoon was Lowell Komie. Auctioneers were Miles Zimmerman, David Dubin, Jack Stroud and Lowell Komie. The totals and records were handled by Edward Weil.

GIRLS' SPORTS

Monday, April 30, was the last day of class badminton. In the tournament in Miss Thompson's third period class, the finales were won by Marge Nath and Barbara Vyse. The girls who gave some good competition were Peg Heilbronn, Eileen Risjord, Adele Mason and Harriet McNeal.

The class schedule for the rest of the year calls for a baseball tournament to be played off between now and June. When the weather does not permit this outdoor activity, the class period will consist of marching, exercises and instructions on correct posture.

Although class badminton season is over, the after-school tournament is still in session. Those near the top of the ladder should come out and challenge those rated above them.

Lake Forest high school has invited a number of Highland Park girls to attend their annual Play-Day on Saturday, May 12. From 10 a.m. until 3 p.m., the sports program includes swimming, softball, tennis, archery, badminton and volleyball. Last fall the hockey teams played at Lake Forest.

As visitors of Highland Park, Miss Myra Thomas, former visiting teacher, and Lt. Cooper, the former "Miss Pipenhagen, who taught physical education before enlisting in the army medical corps, were interested in the happenings about the school. They are both enjoying their work.

IMPORTANT: Girls, points for H.G.A. this year must be earned today, May 11. Points earned during the remainder of the year will be carried forward to next year. Congratulations to all the new officers of H.G.A. The best of luck to you for the coming year.

District Golf Meet To Be at McHenry

Attempting to put Highland Park back on the state golf map, the Little Giant swingers will travel to McHenry Saturday, May 12, to compete in the district golf meet. The leaders in this meet will qualify for the finals to be held at Urbana on May 19.

Competing against McHenry last Friday, May 4, Highland Park won by a score of 13 to 2. Since McHenry was the district winner and state runner-up last year, Highland Park should have a good chance.

Swinging for the Blue and White will be Dominic Ori, Deno Melchiorre, Bill Kelly, Paul Daube, Ferdinand-Humer, Amadeo Minorini and Richard Sheridan.

Evanston Tennis Team Wins District Tourney

Displaying great strength in all events, the Evanston tennis team won their own district golf meet last Saturday, May 5. Highland Park, feeling the loss of Bob Redfern, qualified only one man for the finals. In the doubles competition, both Blue and White duets were defeated in the first round.

In the singles, Al Loeb lost his first round match, while Charles Schaaf went all the way to the finals before losing to Bill Candin. Evanston's tall champion. Nevertheless, Schaaf, in finishing second, qualified for the finals.

Oak Park also swept their district, and is expected to win the state crown.

Expert Typists Greatly Needed by Red Cross

All volunteer services save money for Red Cross, but nowhere is this more evident than with the volunteer staff assistants who work in every Red Cross department. They take clerical, stenographic and reception jobs to supplement the work of the employed staff.

Seven hundred and fifty women are volunteering now in this capacity, but to fill the ever-increasing assignments, more are needed now for daytime work. Among the Highland Park and Deerfield women doing volunteer work are: Mrs. Albert Arenberg, Mrs. Walter Heymann, Mrs. Frank W. McDonald, Mrs. Sidney Schwarz, Mrs. Milton K. Arenberg of Highland Park, and Mrs. Merritt Barnum and Mrs. Henry Hawes, of Deerfield.

Former Resident Is Buried in Chicago

Funeral services were held in Chicago last week for Michael Leesch, a former resident of this town, who, at the age of 69, passed away at his home, 117 St. Louis St., Chicago.

A veteran railroad employee, he began his work as a newspaper boy on the train at the age of 12. His last assignment was conductor on the "400."

Surviving are his widow, a sister, Mrs. Mary Dietrich of Glencoe, and two brothers, Frank L. of Peoria and S. Peter Leesch, a local man.

It takes SIX MAJOR STEPS

to provide telephone service for ONE more family

AND this isn't all! A telephone instrument itself is only a small fraction (about one-twentieth) of the varied equipment needed to install and connect your telephone.

The six main steps in the process are indicated in the sketches. Any lack of facilities at any point means service cannot be provided.

It's not easy for us, at Illinois Bell, to ask anybody to wait for telephone service, but, as you know, practically all new equipment is doing full-time, wartime duty. We are grateful for your patience and understanding.
