• It took 21 solid trains to move the 13,500 service men who returned on the Queen Elizabeth, according to Business Week magazine. Railroads in U.S.A. are expected to reach 100 BILLION passenger miles this year, or more than three times their 1941 business.

Now, what did you say about that vacation trip?

· A new calculating machine will calculate dividends and write checks at the rate of 4,000 per hour.

· And super-fine glass fibers will serve as a superior substitute for Kapok used in life preservers. Kapok is scarce because none of it has been imported during the past few years.

Many improvements in house heating equipment are entering the market, Incidentally, there is a new inexpensive fuel saving thermostat and regulator for heating plants which are hand fired with coal or Coke. It is available at your WAUKE-GAN COKE fuel dealers' and is also on display at our office.
