High School Basketball Team Loses First Game To Argo High

Playing a close game all the way, the Little Giant basketball team lost their first game on our floor to Argo two weeks ago by a score of 46-44.

Highland Park led all the way to the last 20 seconds of the game, when Argo intercepted the ball and went down to score, tying the game up. Again Argo intercepted the ball and with seconds to go, carried it past our defense and scored just as the whistle blew ending the game.
The frosh-soph won their first game.

FIGURES DON'T LIE...
Count them (instead of sheep some night) . . . these
Alpogora fleece coats have twice as many wool fibres on their surface as ordinary coats. And according to textile scientists, this double-density means a softer, deeper pile . . . that's hard as nails to wear out. And speaking of figures, you'll cut a mighty chipper one in its whistle-clean lines . . . drawn by the same men who make the famous men's Alpogora.

"Me... I'm staying in the Army!"

THERE ARE PLENTY OF REASONS... AND HERE THEY ARE!

- 1 "First, I keep my present grade. That means a lot.
- 2 "By reenlisting for 3 years I can pick my own branch of service in the Air, Ground or Service Forces, and can go to any overseas theater I wish.
- 3 "I get my mustering-out pay, even though I'm reenlisting. Also, I get \$50 a year reenlistment bonus for each year I've been in the Army. My dependents receive family allowances for the full term of my enlistment. And I'll be eligible for GI Bill of Rights benefits when I get out of the Army.
- 4 "My food, clothes, quarters, medical and dental care are all supplied to me. And I can learn any of 200 skills or trades in the Army schools.
- 5 "All of us who are reenlisting are going to have from 30 to 90 days' furlough at home with full pay and our travel paid both ways. And we'll have 30 days' furlough every year with pay.
- 6 "Any time after 20 years I can retire at half pay increasing year by year to three-quarters retirement pay after 30 years of service. And the time I've already served in active military or naval service counts toward my retirement time. Added up—reenlistment seems pretty sound to me!"

JANUARY 31, 1946
