Children's Department

In the world of children's books, the 17th of March is a noteworthy date, the Greenaway-Caldecott celebration.

PUBLIC LIBRARY

to look back over the years of books for children, and to pay homage to two of the mst important artists the children have ever had, two artists who through their children everywhere.

Church school. The Caldecott were friends. Kate intermediate department (7th and Greeneway was born on the 17th of 8th grades) and the high school March, 1846, and Randolph Caldecott within the same week of that early spring, somehow symbolic of the freshness and the The Rev. Christoph Keller, Rector charm which characterize the work ler, characters of the play.

Although living in London, the Greeneway family spent many a wonderful day on the farm of a Miss Greeneway, that she "struck up a friendship with flowers that lasted to her life's end." She loved and hedgerows."

Later on came books and a whole of the Moon" a primal quality. new world, fairy tales and poems, and then there was always the to allow mention of all here, but drawing.

At twenty she attracted much attention with a series of small water color sketches of children, dressed in the quaint costumes of another generation, playing and walking in lovely springtime gar-

As the years went by her reputation grew, and when "Under the Window," with her own verses, was published in 1878, Kate Greeneway was known and loved not only the Smoky mountains are an ad-4:00 p.m. Class in Christian in England, but on the continent and in America as well.

7:45 p.m. Senior choral rehears. her Mother Goose, her almanacs and interesting plays of recent and many others, which created a years. revolution in book illustrations, and were praised by leading art critics throughout the world.

Kate Greeneway occupies her own place in the hearts of those who owned her books as children, they feel her sincerity and the evmeeting, Wednesday, March 6. The she expresses.

If we in Kate Greenaway's pigtures find the English gardens, we find in Randolph Caldecott's pictures the countryside and the hunting fields of England. His picture books for children, full of gaiety and action, have a never-ending appeal to children and grown people alike. All his love of life outof-doors are reflected from the pages of the old nursery jingles, church and parsonage. Missionfull of children and old folks, huntsmen and country characters. There are horses and dogs and birds, and "was there ever such a hurly-burly a chase imagined as perintendent, the class leaders' re-port was presented by Leslie Drice. It is the property of the property of the property of the perintendent, the class leaders' re-port was presented by Leslie Drice. that instituted by those headlong, port was presented by Leslie Dries- hopelessly futile Three Jovial ke, and the Woman's Missionary Huntsmen?"

ed the progress being made by the death, one of his friends summed up his work in these words: "Cal- Times." Our time is a confusdecott's art was of a quality that appears about once in a century. It groups we are divided. As indihad delightful characteristics most Mr. Arnold Peterson was reelect- happily blended. He had a delicate fancy, and his humor was as per reading does not afford us keen sense of beauty, and to sum up all, he had charm."

CHRISTIAN SCIENCE CHURCHES

The subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, March 10, was:

"MAN" The Goldent Text was:

"The steps of a good man are ordered by the Lord: and he delighteth in his way" (Psalms "Visible Speech" Has

Among the citations which comprised the Lesson-Sermon was the Telephone Laboratories following from the Bible:

"And God said, Let us make man in our image, after our likeness and let them have dominion over cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. So God created man in his own image, in (Gen. 1: 26, 27).

nee and Health with Key as the

"Man is not matter; he is not made up of brain, blood, bones, tian Science" (p. 475).

"Dark of the Moon" Entertainment for All

Opening at the Blackstone theater eight weeks ago with 100% approval from six Chicago critics, best entertainments of the year. It is a day on which to pause, Whether the theater-goer is looking for song, story, color, ensemble, humor, dancing or music, all can be found in legend of the

"Dark of the Moon" is a North ageless art, their humor and their Carolina legend with music by sense of beauty have influenced Howard Richardson and William Berney. It is truly remarkable Kate Greenaway and Randolph theater and brings the theater something as fresh as the air of the Smoky mountains, where the scenes are laid, and something as racy and authentic as the cawn likker hoisted out of the jug by the Allen family and Preacher Hagg-

Based on one of the many versions of the old folk ballad, Barbara Allen, the play recounts the brief career as a human of John, the witch boy, who marries Barbara great-aunt, and it was there, says Allen. The racy mountain dialect, the folk songs, the dominant motive of sex, eerie dancing of witch girls in Esther Junger's atmospherthe garden flowers, but nearest to ic choreography, the orginatic emoher heart were those "which grew tions of the revival meeting, the of their own free will in the fields half-sinister, half-tender romance of John and Barbara give to "Dark

The cast of thirty is too large includes Richard Hart as the witch boy; Carol Stone, youngest daugter of the celebrated Fred Stone, as Barbara; A. Winfield Hoeny, as Preacher Haggler, Marguerite de Anguerra, Peggy Ann Holmes, Frances Goforth, Millicent Coleman, James Lamphier and Agnes Scott Yost. An orchestra of 18 provides the music.

Robert E. Perry's direction and the settings by George Jenkinswhich make you believe you are in mirable fusion of imagination and solid craftsmanship. "Dark of the Then followed the Birthday Book, Moon" is one of the most dynamic

Last Rites Monday For Gianetto Lenzini Native of Italy

Last rites were conducted at St. James church in Hgihwood, last er-present sense of beauty which Monday, for Mr. Gianetto Lenzini, 60, who passed away on the preceding Friday at the home of his sister, Mrs. Mary Galassini, 1700 Burton. Prior to his last illness, he had lived in the Skokie subdivision, west of Highwood. He was a

stone-cutter by trade. Besides his sister, Mary, of the above address, he is survived by a son, John, of Highwood, and one daughter, Mrs. Clementina Coppi, a resident of Italy. Also living in Italy are four brothers and one

Interment was made in Ascension cemetery.

"A Philosophy For Rabbi Shulman's Theme

This Friday evening at the No. After his altogether too early Shore Congregation Isratel, Rabbi Charles E. Shulman will speak on "A Philosophy for Troubled ing and challenging one. As viduals we are perturbed profoundly by the dangers of the peace that is no peace. Newsparacy as it was refined. He had a gladness and inspiration. Our thoughts contemplate the world with apprehension. This week's sermon offers some suggestions as to how we can find stability, courage and hope in these troubled

Visitors are cordially invited to attend regular weekly services which are held every Friday night at 8:15 p.m. at the Temple, located at Lincoln and Vernon avenues in Glencoe.

Been Developed by

A device which transforms sounds into patterns on a screen for ready interpretation by the the fish of the sea, and over the eye has been developed by the Bell fowl of the air, and over the Telephone laboratories. Observers can see at a glance the character of the sound, whether it be speech, music or noise. In a recent demthe image of God created he him; onstration, a man who has been male and female created he them" deaf since birth, watched the changing patterns of light, and re-The Lesson-Sermon also included peated aloud words which had following passages from the been spoken by members of the Christian Science textbook, "Sci- audience. Then women, who had Scriptures's by Mary Baker Eddy: been specially trained to read the patterns took part in a telephone conversation of which no sound and other material elements.
