### THIS IS A JOKE—

Lady next door— "Little boy, I need a dozen eggs from the store. Could you go for me?"  
Little boy— "No, but I heard Daddy say that he could."

You could go for one of those new C P Gas ranges. Improved cooking performance is the top feature, and the oven lights without the strike of a match.

Speaking of strikes, the current coal strike is a source of real worry to your Gas men. It appears that coal at our Waukegan Coke plant will last until May 20th. HELP! Please do not waste Gas!

Business Week magazine of May 4th says a million tons of ingot steel production has been lost because of the coal strike. Translate that million tons of steel into refrigerators, autos, etc., then you'll "cuss" those who cause and permit such waste.

P. S.—Don't forget Mother's Day
