Wainwright Rally Will Start at 6:15 p.m. Sunday

General Jonathan M. Wainwright will be the guest of honor at a mass meeting to be held this coming Sunday, May 19, in the Elm Place school auditorium.

Because General Wainwright must leave Highland Park at 7:30 to fulfill previous engagements, the meeting here will begin promptly at 6:15 p.m.

Mayor Joseph Garnett will be in charge of the meeting.

General Wainwright, hero of Bataan and Corregidor, will be introduced by his close friend and former instructor at West Point, Major General Frank Parker. Maj. Gen. Parker was at one time commander of the Sixth Corps area.

Students of Elm Place school will present a memento to the general who graduated from Elm Place himself in 1897.

Another presentation will be made by the Highland Park post of the American Legion.

Admission will be free, and everyone is cordially invited to attend this rally to honor General Wainwright.

Attention! Victory Gardeners

There is still time to start a Victory garden. Capt. Klingler reports a few plots left on the south side of Clavey road. His telephone is H. P. 4006. There are also a few plots on the north side. Mr. Dudley Hall, H.P. 356, is the captain.

From Mr. Bert Leech, H.P. 723, we have information that he can still accommodate several gardeners on the southside of West Park avenue. This is very fine garden land and should be used to the utmost in a year when shortages of food everywhere are the rule rather than the exception. There are also three or four plots of land in the Moseley road section. Mr. Edward A. Dostalek, the captain, can be reached at H. P. 954.

Dr. Ernest Volwiler To Address Kiwanians

Kiwanians were royally entertained on Monday evening by Mr. Charles Eagle Plume, of the Blackfoot Indian tribe, who talked on the traditions, habits and customs of his race. Engaging, forceful, witty and magnetic, he gave a full evening of fine entertainment, at one time startling a very young lady exceedingly by drafting her to help portray the courtship dance. It is a privilege to hear Charles Eagle Plume.

Next week, May 20, the guest speaker will be Dr. Ernest Volwiler, executive vice-president of Abbott Laboratories, who held a position as colonel in chemical warfare service during the war, and, as such, made a trip to the European war zone, heading three separate investigating teams to learn what Germany had in the way of chemicals, for the information of the Allies.

Souvenir Hunters Are Apprehended by Police

The mystery of persistently disappearing street signs was solved this week by Officer Harry Rogan, who apprehended seven culprits. These boys have been helping themselves to street signs from Highland Park, Winnetka and Glencoe and putting them to use as souvenirs.

This is a very bad practice, for several different reasons. First, these signs are the property of the towns in which they were found. Second, in these times the signs are expensive and often not replaceable. Third, in removing the signs, these boys are adding to the hazards of driving, for the signs are placed where they are considered necessary to convenience and safety.

It is trusted that parents observing signs like this in the rooms of their progeny will see that they are turned over at once to the proper authorities.

Lions Club Pays Off On Attendance Contest

The meeting of the Lions club on the 16th will be the attendance contest payoff. The members will meet at Wenzlaff's, in Wheeling, for a 7:30 dinner. Lion Mortimer's winning team in the recent ten-weeks' attendance contest will be guests of Lion Dinkaloo's team.

Attendance contests like the one being celebrated tonight (Thursday) are annual events in cooperation with Lions International. This year's struggle was a nip-and-tuck tussle, a fight all the way, with both captains determined to win. Mort's Snorts nosed out Dink's Dunks by a small margin.

Members lacking transportation to Wheeling are to meet at Art Olson's at 7:00 p.m.

Community Meeting at North Shore Temple Tuesday, May 28

A meeting will be held at the North Shore Temple Israel in Glencoe, Tuesday, May 28, at 8:15, to discuss the problem of displaced and abnormally placed people of Europe. Rabbi Shulman will preside, and the principal speakers will be Congressman John M. Coffee, of Washington, and Gerald Frank, eminent foreign news correspondent.

Congressman Coffee will discuss the Jewish problem of Europe, which has to do with the remnants of six million Jews, left destitute and homeless by the war, with no future to look forward to. Gerald Frank, whose material appears in over 100 newspapers in the United States, will also speak.

Mr. Frank accompanied the Anglo-American Inquiry committee, appointed by President Truman to investigate the situation, to all centers of inquiry. Beginning in Washington, D.C., and ending in Jerusalem he traveled over half the globe. The primary object of this group was to study the problem of resettling homeless Jews of Europe. Palestine was the committee's choice of a place of refuge for these homeless people, with the recommendation that 1,000,000 Jews be allowed to make this their home. The findings of this committee, released after a thorough study of the situation, will be thoroughly analyzed at the meeting of the 28th, with all its pro and con phases.

Ministers of all denominations, as well as all other interested citizens, Jew or Gentile, are invited to attend the meeting. There will be no solicitation of funds.

The organizations sponsoring this meeting are Men's club of North Shore Temple, B'nei B'rith, O.R.T., Hadassah, Zionists and Jewish congress.

BOXERS END SEASON WITH BANQUET

Entertainment and a banquet at Highland Park Community center on Saturday, starting at 6:30 p.m., will officially close this year's very successful season for the Highland Park Boys' Boxing club, winner of the Illinois Athletic club's Tenth District boxing tournament.

Dinner will be followed by movies, a magic act by E. V. Clarke, vice-president of the club, and the presentation of certificates for lettered jackets to the young boxers. Parents of the boys are invited to attend the presentation ceremony, which will start at 8 p.m. The awards will be made by Mel Mullins, athletic director and coach of the club; Eb Inman, Joe Tazioli and Charles Zahnie, coaches.

Highlight of the evening will be the appearance of Jack Elder, secretary of the Illinois Athletic commission, who will give an interesting talk on "Boxing and Sports for Boys." Elder is noted as one of Notre Dame university's most famed all-time football stars, as well as the player who made the longest run in football history.

SCHOOLS PLAY IMPORTANT PART

Barrels will be placed at all the schools to receive donations. Each school child is asked to assume responsibility of collecting from his or her own family and from two other families not sending children to the schools. In order to further interest the children, each child in each grade in each school will take part in a written contest. This will consist of a message of greeting to the children of the countries to receive the foods. Each teacher will select the best message from her from her room, and these winning letters will be presented to a committee which will in turn select the best one from each grade. The committee of judges will consist of Betty Karger, of the Waukegan News-Sun, Emmy Lou Jackson, of the Highland Park News and Alice Zabel of the Highland Park Press. Awards to the winners will be presented to the schools by Mayor Joseph B. Garnett.

A publicity chain has been started by five people, who called ten people each, by telephone, explaining the project, and asking each to call five more people, reminding them to make their donations. Posters are being displayed at all railroad stations.
