DRIVE SAFELY

They picked up the pieces With a magnet and rake, His mind on some fair Maid Instead of the Brake.

It's a funny world. If a man gets money he's known as a grafter. If he keeps it he's a capitalist. If he spends it, he's a playboy. If he doesn't get it he's a ne'er do well. If he doesn't try to get it, he lacks ambition. If he gets it without working for it, he's a parasite. And if he accumulates it after a life time of hard work, he's a sucker.

But he is wise if he plans to make his next refrigerator a Servel. The quiet kind.

P.S. It isn't the ice that makes people slip - it's the stuff they mix with it.
