Movies of Scenes in India to Be Shown at Bethany Evangelical

On Wednesday evening, June 12, at 7:45, at the Bethany Evangelical church, colored movies on India will be shown by Mrs. Freund, former missionary to India. The scenes will depict conditions in central India, the work of medical missionaries (Mr. Freund's work) and authentic scenes of the rajah's palace, his elephants, court attendants, etc.

They Happen in The Yard . . .

As the final statistics on each year's accidents come in, they show that a surprisingly large number of accidents and injuries occur in the back yard . . . as a matter of fact 20 out of every 100 accidents in the home occur in the safe confines of the yard. Mother steps on the teeth of an up-turned rake and inflicts her foot . . . Junior falls out of a tree and breaks his arm . . . Dad trips over a croquet wicket and wrenches his knee . . . Sister catches her clothes on fire while burning some rubbish. And so on and on . . .

Employee's monthly safety meetings are a part of the life of a Gas Man. Home accident prevention, first aid, and "on the job" accident prevention are the subjects covered.

"Tis said that man's one proof of superiority over woman is the fact that few of us men wear clothes that button down the back."

We are hopeful that NATURAL GAS will be available next fall. The long awaited Federal permit has been received but availability of steel for pipe is anyone's guess. We'll keep you posted—
