Where little children cry from hunger—

SOMEWHERE, halfway across the world, two little children cry bitterly from hunger. Children cannot understand the why of hunger—they know only the gnawing pain, the piteous weakness. A heartbroken mother listens helplessly.

Their only hope—and the hope of millions like them—is that Americans will not be complacent in a starving world . . . that you will share the abundance that is yours.

You are pledged to "Share a Meal Every Day," to help supply starving people with fat and wheat products. But the need for all foods is so desperate that you're asked to do more . . . to give money to buy food, or give food in tin cans, and to give generously!

Where the food you give will go. Contributions of canned foods will be distributed free in war-devastated countries on the basis of greatest need.

Why food must be in tin cans. Food in tin cans can be handled safely for distant shipments and travel over difficult roads.

Why the need is so desperate. The battles that brought us victory scourged most of the countries that fought as our allies. The worst drought in fifty years followed the war. Crops failed throughout Europe and Asia. 500,000,000 men, women, and children are hungry and starving.

WILL YOU GIVE THAT THEY MAY LIVE?

HERE'S WHAT YOU CAN DO!

1. GIVE MONEY.

More food can be obtained for a given amount of money when it is bought centrally and in large quantities. Send cash, money order, or check to your local Emergency Food Collection Committee or to Lee Marshall, Executive Director, 100 Maiden Lane, New York 7, N. Y.

2. GIVE FOOD IN TIN CANS.

Leave at any Emergency Food Collection depot.

Urge your church, club, or organization to participate!
