

Teaching Staff of Oak Terrace School Augmented by Six

The teaching staff at Oak Terrace school has been augmented by six new teachers this year, according to the announcement made by Wayne A. Thomas, superintendent.

Max Davis, former army captain and athletics officer during the war, will have charge of manual training and physical education in all grades. A graduate of Southern Illinois normal university, he expects soon to complete his work for a master's degree in education.

Miss Alice Ruth Gabel of Milwaukee, a graduate of the University of Illinois, will teach upper grade English. Miss Hilda Pugh, of Morris, Ill., a graduate of the University of Illinois, will replace Miss Irene Evenson as teacher-librarian.

Miss Ruth Sampson, who received her bachelor's degree from DeKalb State Teachers college, will have charge of art in the primary grades, and also geography in the higher grades. Miss Miriam Wigoda of Chicago, a University of Illinois graduate, will conduct social studies in the higher grades. She has also done post graduate work at Northwestern.

From the schools of North Muskegon, Mich., comes Miss Jean Helming, to take charge of the 4th grade sections. An Evanstonian, she is a graduate of National college, Evanston.

Returning to their former charges this year are Miss Margaret Sweeney, grade 1, Miss Linda Dinelli, grade 2, Miss Dorothy Spink, grade 3, Miss Anita Whiteley, grade 8, Miss Rose Opitz, grade 5. Monroe W. Hall will again teach mathematics; Roland Wirt, science and art; Mrs. Phoebe Diller, music; and Mrs. Judith Kerrhard will return as school nurse.

ROBERT HARVEY ENROLLS AT NORTHWESTERN

Robert W. Harvey Jr., son of the R. W. Harveys, 2027 Dell lane, has enrolled at Northwestern university for the coming year. Fifteen months in the navy, he is a 1945 graduate of Highland Park high school.

Safety Committee Reports Encouraging Results

Stanley W. McKee, principal of the Lincoln school, and the Traffic and Safety committee of the P. T. A. of that district, are encouraged with the results accomplished thus far on the active safety program which they inaugurated last fall.

Through the helpful cooperation of the mayor and police department, a police officer has been assigned to patrol the busy intersection at Green Bay road and Oakwood avenue during the times when school traffic is the heaviest.

During the summer the school board and school officials had certain obstructing shrubbery removed and had a new cement walk constructed from the school entrance to Green Bay road. This new walk aids the patrol man in keeping the children in one channel across this busy highway.

Through the generosity of a Lincoln school patron "No Parking" signs were installed along Lincoln avenue, thus helping the school to meet some of its safety shortfalls.

Principal McKee's patrol boys play a very definite part in the program of safety at Lincoln school. Five boys, comprising one unit of the school patrol, guard traffic intersections and the railroad crossings in the school area. The patrol boys, alternating in units, are on duty at all times when children are going to and from school. When on duty, a patrol boy is responsible for enforcing the school's safety rule:

1. Support your patrol.
2. Cross street only at corners.
3. Keep out from behind parked cars.
4. Look both ways before crossing streets.
5. Walk, not run, straight across the street.
6. Play away from traffic.
7. Do not ride double.
8. Ride on the right side of the street.
9. Get off and walk your bicycle across the street.
10. Keep off bicycles on the school grounds.

Many aspects of school safety are given in the Lincoln school curriculum, including school assemblies often times given by the patrol boys, fire drills, movies, fire prevention programs, safety placards, reading stories about safety, lectures, all stressing safety.

Last November the traffic and safety committee of the P.T.A. of Lincoln school made a survey of safety conditions in the district and drew up specific recommendations which were presented at an open meeting to the Highland Park Safety council. Some of the recommendations such as the installation of stop and go lights at certain intersections are awaiting action by the City council and the availability of mechanical equipment. Serving on this committee are: Mrs. Carol Summers, Mrs. C. S. Stunkel, Mrs. Hugh Seyfarth, Mrs. W. E. Pheris, Mrs. R. H. Brownlee and Stanley W. McKee.

Harry Chambers Sr. Succumbs to Attack At Age of Seventy

Funeral rites were held at the United Evangelical church Wednesday morning for Harry W. Chambers Sr., of 220 McDaniels, who succumbed to an attack while driving through Nebraska with his wife on their way home from California, where they had visited a son and a daughter.

Born in Mason City, Ill., Mr. Chambers came to Highland Park from Havana, Ill., in 1919. Since 1937 he had maintained a shop in sheet metal work.

Surviving are his widow, Carrie; one sister, Mrs. Dave Bradley of Warren, Minn.; two brothers, Edward of Waukegan and John of Peoria; five sons, five daughters, 23 grandchildren and one great-grandchild.

The five daughters are Mrs. Gladys Hohenshelt, Sierra Madre, Calif.; Mrs. Ellen Peavey of Chicago; Mrs. Violet Lichtenberger of Northbrook; Mrs. Mildred Lencioni and Mrs. Marguerite Stahl, both of Highland Park.

His five sons, all of whom are World War II veterans of the navy, are Harry R., John William and Robert C., all of Highland Park, Paul of Oak Park, and Herbert, twin brother of Robert, who lives at San Gabriel, Calif.

Funeral rites were read by Rev. Lester H. Laubenstein and interment was made at Memorial Park cemetery.

curriculum, including school assemblies often times given by the patrol boys, fire drills, movies, fire prevention programs, safety placards, reading stories about safety, lectures, all stressing safety.

Serving on this committee are: Mrs. Carol Summers, Mrs. C. S. Stunkel, Mrs. Hugh Seyfarth, Mrs. W. E. Pheris, Mrs. R. H. Brownlee and Stanley W. McKee.

At last report the little son of Mr. and Mrs. Cliff Thomas of Highland Park was said to be holding his own.

Highwood Child Is Stricken by Polio

Jane, four-year-old daughter of Mr. and Mrs. John Lenzi, 308 Highwood avenue, Highwood, was reported to have been stricken with polio, and removed to a Chicago hospital last Saturday. This is the first case from Highwood to be reported this year.

At last report the little son of Mr. and Mrs. Cliff Thomas of Highland Park was said to be holding his own.

Green Bay Road School PTA Will Meet Thursday, Sept. 19

On Thursday, Sept. 19, the opening meeting of the Green Bay School Parent-Teachers association will be held in the school auditorium at 8 p.m.

Parents are invited to go to their children's classrooms first to visit with teachers and other parents.

Mrs. Harold Ambler, PTA president, will present Dr. Casper O. Dahle, new superintendent of schools of District 107. Dr. Dahle will address the meeting and introduce the new faculty members.

After the meeting refreshments will be served.

HIGHWOOD POLICE NOTES

A car belonging to Forrest D. Rose, 717 Glencoe, Highland Park, was taken from its parking place late Sunday evening, and was recovered next day by the Highwood police. Police Chief Benvenuti issued a warning against leaving keys in parked cars. He stated that in a number of cars reported stolen during the past few months, keys had been left in the car, which he considers an "invitation" to someone to "borrow" the car.

A "peeping Tom" in the form of Pvt. James Landry of Ft. Sheridan was captured on Central avenue in Highwood on Monday evening by Police Lt. Drensfeldt and special police Caesar Casteralli. He was turned over to the authorities at the Fort.

JUNE GRAD ENTERS DENTAL SCHOOL

James Moore, son of the Loren C. Moores, 2038 S. Sheridan, has entered the pre-dental school at Illinois Wesleyan university at Bloomington. He is a 1945 alumnus of Highland Park high school.

The little boy and his mother stood looking at the dentist's showcase. The boy, pointing, said: "If I had to have false teeth, mother, I'd like that set." "Hush, William," said the mother, "haven't I told you not to pick your teeth in public?"

"I'm going to put a pair of oars on my shoulder and start walking inland," said the ex-sailor, "and the first place I come to where people ask, 'What are those things?' that's where I'm going to live!"

Karl Schmidt Wins Skycrest Championship

Karl Schmid of Winnetka took the club champion trophy at Skycrest by defeating Sil Aston of Chicago in the 36 hole final 6 and 5.

Mrs. Dwight Anneaux of Libertyville, defeated Mrs. E. D. Baskin of Mount Prospect in 18 holes of match play for the women's club championship 7 and 6.

The crowning of the new champions was the climax of a Labor day week-end crowded with special events for members of the club. The new swimming pool was the center of many of the activities featuring an evening performance of the Skycrest Water Ballet accompanied by fancy diving exhibitions staged under the direction of Ronny Trumbul, national collegiate diving champion of Northwestern university.

The struggle for the Kings and Queens trophy, for husband and wife teams, donated by Jerry Glynn, club pro, ended in triumph for Mr. and Mrs. R. Butow of Mount Prospect with a sensational net of 67 based on their combined handicap.

Low gross prize for the week-end play went to J. E. Powers of Chicago with a 75, while the low net was won by De Lamar of Chicago with 141 for 36 holes.

"Too Many Cooks Spoil the Broth"

Well-meaning individuals and organizations eager to assist veterans in obtaining veteran benefits are actually bogging down the processing of applications, it was disclosed by Robert D. Beer, manager of the Illinois regional office of the Veterans administration.

Mr. Beer said: "The registration section of the Illinois regional office frequently finds that per-

SEVERI STUDIO - 571 Central 9 a.m. to 6 p.m. Friday - 9 to 9

haps four or five letters have been received from different sources - all concerning the application for subsistence allowances of one veteran. As each query rises, it must be handled separately. Thus, while five investigations are launched to determine the difficulty delaying one veteran's application for subsistence, other applicants whose papers are being processed by the Veterans administration are thereby slowed down, causing unnecessary delay."

Veterans should write directly to the Chief Registration Officer, Illinois Regional Office of Veterans Administration, 366 W. Adams St., Chicago, Ill. The registration section has a special unit set aside to investigate any delays in subsistence checks to the veteran.

Clothes dryers are expected on the market within a few months. Some models will be gas heated. The clothes are placed in a slowly revolving drum where they are tumbled in heated air until dry. Tests have shown that a dryer saves 38 miles of walking each year for the average housewife. Work is progressing on our new natural gas line but it can not be completed until spring. The 12-inch pipe is in the ground; the 10-inch pipe has been received, but unfortunately the 16 miles of 16-inch pipe will not arrive in time to help us this winter. Wanted - Laborers.
