Bethany Evan. to Hold Harvest Tithing Festival

The sixth annual Harvest Tithing festival will be held at Bethany Evangelical church, Laurel at McGovern, on Wednesday evening, Nov. 13.

A dinner for members and friends who make reservations will be served in the church dining room at 6:45. A short program will follow.

The main address of the evening will be given by Dr. John Holland of radio station WLS and in order that the general public may be accommodated to hear this outstanding speaker, arrangements have been made for this part of the program to be held in the sanctuary of the church. Invite your friends to see and hear this "Shepherd of the Air." Admission will be free, but an offering will be taken.

This festival is a yearly event to promote wholesome fellowship among the people of the church and to welcome former members and friends back home. Each year a special offering is received which is used for local as well as benevolent purposes. This year a part of the offering will be devoted to Bethany's quota of a college-seminary project.

The public is urged to take advantage of this opportunity to hear Dr. Holland at Bethany church at 8:30 on Nov. 13. Lisle R. Hawley, church organist, will give an organ recital preceding the address.

Come early and be assured of a good seat.

"Look here, waiter! This is supposed to be oyster stew, and I haven't found a single oyster yet!" "Sir, if you had Irish stew, would you expect to find an Irishman in it?"

Will Your Veteran Get His Bonus

That is for YOU to decide. You and Your Veteran and all his family and friends. You will decide it at the election next Tuesday, November fifth.

YOUR VETERAN—your son, your husband, your brother, or your boy friend, or your neighbor's boy—and every man or woman who served in the armed forces from Illinois will be eligible for a cash bonus under the Illinois Veterans' Bonus laws. The money will be paid him next year if you vote for the bonus November fifth. Governor Dwight H. Green recommended the bonus to the Illinois General Assembly. It was adopted almost unanimously by the legislature. Veterans' organizations everywhere, including the American Legion, the Veterans of Foreign Wars, and the American Veterans of World War II, endorse it. Now all that is required is your vote next Tuesday.

THE ILLINOIS BONUS PLAN PROVIDES For every man or woman from Illinois who served in the armed forces in World War II: Ten dollars a month for each month served in the United States. Fifteen dollars a month for each month served abroad. A minimum of \$50, a maximum of \$900, and an estimated average of more than \$400, for every Illinois veteran. Nine hundred dollars for the next of kin of every Illinoisian who died while in service.

The Republican party of Illinois is making this campaign for the bonus. Every Republican candidate for state office; for Congress, and for county offices, is working as hard for the bonus as for his own election. YET—

The Bonus may be defeated for two reasons. They are: 1. The State Constitution provides that the bonus bonds cannot be issued unless a majority of all voters voting for members of the General Assembly vote Yes on the bonus. Therefore, every voter who fails to

mark the separate bonus ballot (service recognition ballot) in effect votes against it. 2. An organized campaign is being waged to de-

Don't Be Fooled By This Trick

Opponents of the bonus are trying to cause the voter by telling them that if the bonus wins, real estate and personal property taxes will be raised. Here are the facts and those who are paying to spread this rumor know them. The bonus measure provides special taxes on cigarettes and race-track betting to pay the cost of the bonus. Every Illinois state bond issue contains the property tax provision, required by the constitution but no state property tax has been levied in Illinois for twelve years and millions of bonds have been paid off. Governor Green has pledged that no property tax will be levied to pay the bonus bonds. If you are worried about taxes, don't worry about the bonus plan. Vote Yes on the Bonus and Vote for your Republican candidate for Congress who is pledged to reduce income taxes twenty per cent.

feat the bonus. That campaign is financed by men who made fortunes at home while our boys were fighting at the front. It is being helped by selfish men who are unwilling to make a small sacrifice for the veterans who risked—and made—their supreme sacrifice for their country. They have trumped up a lot of phony arguments. (Like the one answered in the box at the left.) Their chief hope, however, is that YOU and YOUR VETERAN and all the people who want him to have the bonus, won't bother to vote for it.

So, if you want YOUR VETERAN to have his bonus, be sure to vote the bonus ballot which is marked "Service Recognition Ballot" and
