Psychologist to Entertain Club Women Nov. 19th

Henry Gerald, "The Wizard of Denmark," in his latest program entitled "Mind Over Matter," will be the entertainment fare at the evening meeting of the Highland Park Woman's club on Nov. 19, at 8 p.m.

This brilliant Scandinavian psychologist uses mental telepathy, mirth and mysticism to design an evening of relaxation, education and entertainment. He draws members of his audience into the experiments which range from the "nearly improbable" to the absolutely "impossible."

Mr. Gerald combines a vivid personality, deep sincerity, unusual psychic powers and an expert sense of showmanship, seasoned with sparkling humor, to insure an exciting experience for the members and their guests.

There will be no charge to members and their escorts. Additional guests are welcome at a nominal fee.

Mrs. Garfield Day and her hospitality committee will serve refreshments at the close of the program.

Interfaith Group to Hear Book Report By Margaret Halsey

The regular monthly meeting of the Interfaith group will be held promptly at 10 a.m. Tuesday, Nov. 19, at the Y.W.C.A. on Laurel avenue. Mrs. George S. Lyman will give a report of the executive committee meeting of the North Shore council of the Chicago Conference of Christians and Jews.

The program is to be a review of the recently published book by the well-known writer, Margaret Halsey, called "Color Blind," with the significant subtitle, "A White Woman Looks at the Negro." This keen analysis of one of America's foremost problems was gleaned from Miss Halsey's experiences in an army canteen in New York City which was successfully run without discrimination of creed or color. Dr. John Haynes Holmes says of it: "It contains more common sense, courage, and sheer wisdom, than any other book I can remember on the negro problem in America." Two of the members of the group will review the book, to be followed by informal discussion. Mrs. Karl Roth, formerly of Highland Park, now residing in Lake Forest, who has taught in many of the local and Lake Forest schools, a civic worker and musician in both communities, and Mrs. Arthur Raff, a civic worker in Ravinia and Highland Park, will review this thought-provoking best-seller non-fiction book. As always, interested members of the community are welcome to attend.

Activities of Women Of the Moose Lodge

A closed meeting was held on Wednesday, Nov. 6, at Witten hall by chapter 896 of the Women of the Moose, Ann Jacks, senior regent, presiding. It was announced that Florence Gordon, sentinel, is recuperating from an operation at Fort Sheridan hospital.

The chapter is invited by chapter 45 of Chicago to attend College of Regents night, and co-workers of the chapter are invited to attend the Harvey chapter college of regents program, Nov. 12, with Juliette Smith, Virginia Garino and Alice Coleman, members of the college of regents, taking part in the program.

The LOOM and WOOM will entertain the Boys' Boxing club at the Masonic temple, Nov. 23.

The next meeting of the chapter will be held Nov. 20, presenting the college of regents program. Guest officers have been asked to fill the officers' chairs. A special program has been planned, and all members and escorts are urged to be present.

The bingo party of Oct. 19 was a success under the chairmanship of Carrie Benson and Chryste Leuer, who wish to thank all who participated.

Christmas Gifts for Mooseheart Christmas gifts for Mooseheart will be collected at the Nov. 20 meeting, at which time members are asked to bring their gifts, which must be mailed early.

Bethany Evangelical Adopts New Name

Next Sunday morning at 11 o'clock a special spirit of thanksgiving and prayer will prevail at Bethany church. On this occasion recognition will be taken of the union which is due to take place between the denominations known as the Evangelical Church and the Church of the United Brethren in Christ. The merger will be effected on Saturday, Nov. 16, at Johnstown, Pa., where leading ministerial and lay delegates of both denominations will be in joint session.

The new church is to be known as the Evangelical United Brethren Church. It is evident that the new name is awkward, but it does include the elements which were so vital in the establishment of both communions.

It is significant that both denominations are of American origin, having had their beginnings among the German people in the state of Pennsylvania. A minister named Otterbein had been sent to this country from the German Reformed Church of Germany to do missionary work among the people who had settled in America. During this activity he and a Mennonite minister named Boehm had a remarkable religious experience in a meeting where they joined hands and said, "We are Brethren." These Brethren then continued preaching and in 1800 organized the "Church of the United Brethren in Christ."

In these same years and in the same state a layman, tile maker, by the name of Jacob Albright had an arresting Christian experience, and after some years of preaching organized the Evangelical Association in 1806 which later became "The Evangelical Church." Albright was aware of the work of the United Brethren fellowship and in the early years of the nineteenth century there was intermittent consideration given to the possibility of a union. In the opening decades of the twentieth century more serious attention was given to the thought of a merger and after an overwhelming vote on the part of the leaders of both denominations, the new church was born. The merged church will rank thirteenth in numerical strength in the Protestant world.

All-Day Meeting of Presbyterian Women Monday, Nov. 18

The all-day meeting of the Woman's Association of the Highland Park Presbyterian church will be held on Monday, Nov. 18.

The program is as follows: 10:00—Hospital dressings, 12:00—Chancel service, Mrs. S. T. Baxter conducting.

12:30—Luncheon, Mrs. Chas. Brook's group serving. 2:00—Program, Rev. Harper C. Donaldson, superintendent of the Menaul school, speaking. Rev. Harper C. Donaldson, superintendent of the Menaul school, Albuquerque, New Mexico, had expected to study medicine after graduating from Muskingum college, but in order to earn money for medical school, began teaching — and forgot to quit. His busy life includes supervision of National Missions education, medical work in New Mexico, supervision of Menaul school, heading the physical education department, coaching scrub teams, tennis and playground activities.

Menaul school is a "home away from home" for about 150 Spanish American high school youths, descendants of early Spanish colonists, teaching courses in agriculture, electricity, home economics, with basic courses of Bible study and religious activities.

Food Sale Mrs. F. B. Carpenter's group is in charge of the food sale. Bring jams and jellies for the Presbyterian hospital.

Change in Date of Philatelic Meeting The Philatelic class of the Bethany Evangelical church will meet in the Dubbs Memorial room of the church on Monday, Nov. 18, at 8 p.m., instead of on Tuesday evening, Nov. 19. Refreshments will be served by the Squares, under the chairmanship of Mrs. Ethel Hockettsweiler.

HIGHLAND PARK BEGINS MUCH NEEDED CLEANUP OF CITY STREETS

Starting today, Thursday, a concentrated effort is under way to improve the appearance of Highland Park's downtown streets.

The first noticeable indication of this drive is the fine large green trash cans, placed in strategic areas, where they will do the most good. You can't miss 'em, with their legend: "PUT YOUR TRASH IN HERE." Who would refuse to comply?

This movement can be credited to certain civic-minded people who love their Highland Park and wish to do it justice.

For further particulars turn to page 2 of this issue and read what our respected columnist and Highland Park's most staunch supporter, Mr. Whitt Schultz, has to say on the subject.

Ministers Plan Union

Thanksgiving Service

A Union Thanksgiving service for Highland Park has been planned for Thanksgiving morning at 10:30 in Trinity Episcopal church. The invitation was given at a recent meeting of the Ministerial association of the community which was held in the United Evangelical church with Rev. R. S. Wilson as the host.

This bi-monthly meeting welcomed C. U. Harris, newly instituted rector of Trinity church, and Rev. H. W. Linden, pastor of Zion Lutheran church of Highwood. The meeting was in charge of Rev. Lester Laubenstein who was re-elected president of the association. Rev. R. S. Wilson was re-elected secretary for the coming year. Others present at the meeting included Dr. Louis Sherwin, Rev. H. K. Platzer, and Rev. Alvin Knicker.

The next meeting will be at St. Johns church, Dec. 5, at 10:30.

The program for the thanksgiving service will be arranged by the host pastor. Several other pastors of the community will participate. Problems of church publicity and proposed zoning changes as they might affect the churches was discussed at the meeting, and committees were appointed to report on special problems.

North Shore Council

Holds Regular Meeting

The regular monthly meeting of the North Shore council, National Conference of Christians and Jews, was held last Thursday, Nov. 7, at the home of Miles G. Seeley, Kenilworth. Twenty members of the executive committee and guests were present.

Two representatives of the Highland Park Inter Faith group discussed coordination of the activities of that successful five-year-old organization with the North Shore council, and a committee was appointed to work out methods of cooperation between the groups. Mrs. John T. Lorch, Glencoe, was elected North Shore delegate to the women's committee of the Chicago area of the National Conference.

The next meeting of the executive committee will be held the first week in December.

HIGHLAND PARK IS RESIDENTIAL

Highland Parkers, interested in maintaining the residential character of their town as differentiated from Evanston or Rogers Park, have a direct and important interest in the hitherto little publicized activities of a St. Louis, Missouri, firm, Harold Bartholomew and Associates, which is in the process of accomplishing proposed revisions of the Highland Park building code.

Highland Park has, over the years, been developed primarily as a residential town of attractive residences, and any attempt to change that essential character should receive the full attention of property owners who have invested their savings and made their homes here.

The problem is not a local one in the sense of involving only certain areas, as all citizens must realize that any action which lowers the value of property in one area will have a corresponding effect, over a period of time, of lowering the value of all property, as the change in the character of the town is accomplished.

Neither should the zoning board be allowed to accomplish drastic changes of this sort under the excuse that "progress is inevitable." Progress is indeed inevitable, but progress consists in accomplishing improvement, not in providing for deterioration.

It seems impossible that in a town as large as Highland Park it is impossible to provide for apartment house areas without placing them in or immediately adjacent to fine residential sections, the value of which would be severely affected by such action.

After the last public hearing, on Nov. 6, it was stated that further public hearings would be held "if necessary." Property owners who wish to protect their homes and their investments, should move without delay to see that further hearings are held and that alternative proposals for change be formulated where it appears that the changes now proposed are not to the best ultimate interests of Highland Park and its citizens.

LISTEN, CHILDREN!

Word has just been received this past week by the American Legion post of Highland Park that Mr. and Mrs. Santa Claus will arrive in Highland Park at the Chicago and North Western railroad station, Saturday morning, Nov. 23, at 9 o'clock.

They are planning to alight from the train and be with the boys and girls of Highland Park until the next train which will arrive in Highland Park at 9:32 a.m. when they will continue their journey to Evanston.

Highland Park post 145 of the American Legion is sponsoring the visit of Mr. and Mrs. Santa Claus this year and invites all the children of our community to be on hand and extend to our special guests a hearty welcome.

Santa has also promised through the cooperation of the local post to have treats on hand for all and hopes that a goodly number will turn out in the celebration.

So, boys and girls, remember the date, Saturday morning, Nov. 23, at 9 o'clock, at the Chicago and North Western station.

Let's go!

Joint Meeting of Green Bay and Elm Place PTA, Nov. 21

All parents and teachers of students at Green Bay Road and Elm Place schools are invited to attend an entertaining meeting at the Green Bay Road school auditorium Thursday, Nov. 21, at 8 p.m., featuring an amusing and instructive talk by Dr. Norman E. Watson, superintendent of Northbrook schools, entitled "Laugh and Last."

Widely known as a speaker and writer on educational subjects, Dr. Watson is particularly qualified to lecture on laughter. He will explain why people laugh, and will demonstrate his ability to make his audience laugh with him. A member of the Deerfield-Northbrook Rotary club, he has addressed the Highland Park Rotary club several times.

Mrs. Richard Hafner, chairman of the Green Bay Road school PTA program committee, announces that this is the first joint meeting of the year with the Elm Place PTA. Following the meeting, refreshments will be served.

Scouts Will Demonstrate Activities in 2-Day Affair

Two Promotions Made In Personnel at North Shore Gas Co.

Roy E. Jones, for the past four years division manager of North Shore Gas Co., has been appointed sales and advertising manager with headquarters in the company's general offices in Waukegan. Jones has had considerable experience in sales and advertising. Prior to joining the local company he did graduate work in utility management in Harvard school of business, and he spent several years with utility companies in Ohio and Colorado.

In his new position he will head up an extensive sales and advertising program which is expected to be launched when the company converts to natural gas next spring.

T. P. (Tom) Clark of Highland Park is the newly appointed division manager. Tom is well known in this area where he has worked with the company for more than a quarter of a century.

Both Clark and Jones will continue to make their homes in Highland Park.

Rev. F. W. Evans, D.D., Presbyterian Moderator, Here Sunday Morning

The moderator of the general assembly of the Presbyterian church will speak at the Highland Park Presbyterian church next Sunday morning at the 11 o'clock service. He is the Rev. Frederick W. Evans, D.D., the minister of Second Presbyterian church of Troy, N. Y. This is a distinct honor conferred upon the Highland Park church as the time of the moderator is greatly sought after. This will be his only preaching appointment in Chicagoland during the current year.

A graduate of Washington and Jefferson college in 1902 and of Princeton Theological seminary in 1906, he has had a long record of honorable service in the Church. He has been pastor in churches in Troy, N. Y., Oxford, Pa., Steubenville, O., Denver, Col., Council Bluffs, Ia., New York City and Paterson, N. J.

Dr. Evans has served as chairman of the foreign commissions committee of the Presbytery of Troy. He was a commissioner to the general assembly in 1928 and in 1937.

In 1936 he traveled widely in the Near East. He also visited Russia and made a cruise in the Mediterranean sea. In 1923 he visited England, Scotland, France and other European countries.

This is a part of the diamond jubilee celebration of the Highland Park church which was organized in 1871 and has 75 years of honorable service.

The speaker on Nov. 24 will be the Rev. R. Calvin Dobson, D.D., the pastor of the Highland Park church 35 years ago when the present edifice was erected. He is now minister of the First Presbyterian church in St. Louis.

A cordial invitation is extended to the public to attend these services.

"Must We Have An Atomic War?" Theme Of Women Voters

The monthly discussion groups of the League of Women Voters will be held this month on Nov. 20 from 1:30 to 3 p.m., in the homes assigned as meeting places for the various groups.

"Must We Have an Atomic War?" will be the theme for discussion. Additional subjects will be The Meaning of the Bomb, The Liffenthal Report, The Baruch Plan, and the Russian Counter Proposal. Members of the Atomic Energy Control workshop, a study group of the league, will be on hand as resource people at each meeting. Mrs. Melvin Wolens is chairman of this group.

The league's policy on atomic energy control, according to officials is to build a foundation of public understanding of this problem.

The meetings on Nov. 20 are open to the public. Anyone interested in attending one may call Mrs. George Carr, H. P. 1022.

American colors, troop and patrol flags, den and pack flags will fly over model campsites and Cub and Senior Scout activities on Friday and Saturday, Nov. 15 and 16, as all of the 2767 Cub Scouts, Boy Scouts and Senior Scouts of the North Shore area council demonstrate "Scouting on Parade."

During the war years, all scouts were "on the job," engaged in the distribution of war bond posters, the collection of waste paper and hundreds of other worthwhile projects. At a meeting of the Scout leaders of the council, it was decided the Scouts needed an opportunity to set up model camps, demonstrate outdoor camping, eating and sleeping and in general to display their ability to do skillful out of door living.

Cub Scouts will do no formal camping, but on that day will put on a gala display of Cub Scout games, stunts, meetings and activities in their own den front yard. Each Boy Scout will work with his own troop, setting up a model camp in a prominent spot in his own village, close to the troop's regular meeting place. These troops which have the proper equipment will set up an over night camp. Others will make it a one-day camp.

Senior Scouts will set up one-day camps which will put on display a more skillful show of camping technique such as shelters, fireplaces, signal towers, homemade canoes and many others. Guides will be on hand in all camp sites to welcome visitors and to show them through and to explain the various items in the campsite.

The high light feature in most camps in this one day demonstration of "Scouting on Parade" will be the evening meal prepared in the open by the Scouts. Guests of honor at this meal will be the parents of the Scouts.

VFW and Auxiliary Plan Dance Nov. 21

The members of the Veterans of Foreign Wars, post 4737 and the Ladies auxiliary will sponsor an anniversary dance at Elks hall on Nov. 21 at 8. The post will be one year old Nov. 17. In conjunction with the dance the entertainment committee under the supervision of Hi Nichols, will hold a turkey raffle. All the members of the post, their wives, friends and guests are invited to attend.

The regular monthly meeting of the post was held Nov. 7 at Elks hall. A letter from the commander-in-chief, Louis E. Starr, was read at the meeting by Commander Clavey in regard to setting up a committee to handle the veteran housing situation in Highland Park. This is merely a survey to find out the need of veterans now and in the future. Martin, Nichols and Chaplain Schneider are in charge of the survey.

Commander Clavey informed the members that all money made in the veterans homecoming day celebration was given to the American Legion and the VFW to be used for the veterans at Downey hospital. Chaplain Schneider is in charge of the committee to find what the veterans at the hospital need and to purchase it for them.

Woody Dill is now home from Hines hospital and is reported in very good condition. Everyone was glad to hear that Woody is home and feeling better.

Harry Scheske made a report on the bowling league in place of Joe Cameron who was absent. Harry said that the league is going to have a raffle at the VFW dance Jan. 16. The members of the league will raffle off a bowling ball, bag and a pair of shoes.

Don't forget the birthday dance on the 21st.

American Legion Bingo And Turkey Pull November 23rd

Saturday night, Nov. 23, the Highland Park post of the American Legion will hold its annual fall bingo party and turkey pull. Chairman Singer promises this year's party will be bigger and better than ever before. Besides bingo and the turkey pull, door prizes, refreshments and dancing will be provided, with music furnished by a popular orchestra. As an added attraction a 1946 radio-phonograph will be raffled off.
