Evelyn F. Heywood, C.S.B. Lectured on Christian Science Dec. 13

A lecture on Christian Science entitled "Christian Science Reveals the Ideal Man," was delivered by Evelyn F. Heywood, C.S.B., of London, England, at Elm Place auditorium on Friday, Dec. 13. The lecturer is a member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., and spoke substantially as follows:

Do we desire spiritual perfection? If so, then maintaining the ideal of perfect God and perfect man, made in His likeness, ever before us, we shall seek to model ourselves upon it. Christian Science teaches that because God, the Mind of man, the only cause and creator, is perfect, everything that He has made, everything that actually exists, is perfect also.

Christ Jesus called upon his followers to express, that is, to make manifest in human lives, the ideal which he lifted up for them. "Be ye therefore perfect, even as your Father which is in heaven is perfect," he said (Matt. 5:48). In the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, we read (p. 290), "Perfection is gained only by perfection." How contrary is this to the accepted theory of mortals, who believe that through imperfection, through trial, suffering, indeed through death itself, perfection can alone be attained.

What mighty credentials were those of Christ Jesus, when he stood up for the first time in the synagogue at Nazareth to read from the Scriptures. He was known to his fellow countrymen as the son of Joseph and of Mary, but he knew his spiritual selfhood to be the Son of God, and he came bringing the assurance of present healing and redemption to humanity; he came telling it that the kingdom of God was not afar off; it is here.

In "The First Church of Christ, Scientist, and Miscellany" (p. 272) Mary Baker Eddy writes: "The real man was, is, and ever shall be the divine ideal, that is, God's image and likeness; and Christian Science reveals the divine Principle, the example, the rule, and the demonstration of this idealism." Christ Jesus, because he was the Son of God, showed forth truth, grace, power, the indestructibility of Spirit. That which he presented, the Word made flesh, while it appeared as mortal to those who did not perceive its true meaning, was actually testifying throughout his three years of ministry to his spiritual origin, in healing sickness and destroying sin.

To Mrs. Eddy there came, in the latter part of the nineteenth century, the revelation of Truth, not only in its healing power, but in its scientific availability in all things. She perceived that the law of God is no less applicable to the human need than it is in the realm of Spirit. This brought her immediate relief from physical suffering. As a result of her own healing, she turned to the Bible with

added impetus and illumination. Here in her unfolding sense of the Christ-ideal, she learned of the eternal, practical availability of the words, the works, the example of Jesus. In the recognition of man's heritage of spiritual dominion, of the power to be wielded by all who understand and obey the Christ-teaching, there was revealed to Mrs. Eddy, in this age, the Science of Christianity.

In Christian Science we learn to know God as Mind, Epirit, Soul, Principle, Life, Truth, Love; His likeness, the ideal man, has also been revealed, and in Mrs. Eddy's words, already quoted, "the example, the rule, and the demonstration of this idealism."

Christmas Activities—

(Continued from page 1) their annual program. Men from the Veterans hospital at Downey will be special guests.

The outstanding service of the festive week will be on Christmas Eve, Dec. 24. At 10:55 the annual candle light and carol service will take place when the choirs will sing the carols of the nations grouped around the theme, "Jesus, the Light of the World." Some of the carols rendered will be: Call to Worship: "Now 'Tis the Merry Christmas Time"—Bethany Choristers.

The Prophecy: "Harps of Gold"—Ladies' chorus.

Glad Tidings (Antiphonal carol): "O Have Ye Heard the Tidings"—choristers and senior choir.

The Little Town: "O Bethlehem"—senior choir.

The Shepherds: "Carol of the Sheep Bells"—choristers.

The Kings: "Is This the Way to Bethlehem?"—senior choir.

The Babe in the Manger: "Mary's Lullaby"—choristers.

Message by the pastor.

Candle Light Ceremony.

Everyone is urged to be on time for this Christmas Eve service for the choirs will sing and processional by candle light. At the conclusion of the service each worshiper will receive a lighted candle to take home as symbolic of the continuing light of the Christ in the life of the Christian believer.

The several classes and departments of the church school are planning for parties. Causes and individuals will be remembered as gifts will be shared for the children of the Flat Rock Children's home; for the guests in the county old people's home; and for the "smiling faces" campaign of the Church World service for impoverished children.

A cordial invitation is extended to members and friends, old and new, that they may increase their Christmas joy in the several worship services.
