## Rabbi Chas. E. Shulman

### To Preach Fourth Of Sermon Series

This Friday evening at the  
North Shore Congregation, Israel,  
Rabbi Charles E. Shulman's sermon  
will be, "How Religion Can Help  
You — Its Inspiration in the Daily  
Task."

This is the fourth of a series  
of five sermons dealing with the  
stabilizing force of the past that  
held out hope and encouragement  
for men to face their day and to  
continue to plan for the future.

Many people too seldom think  
of religion as an inspiration in  
their daily lives, as an aid in their  
ordinary tasks and duties. Religion  
can be an inspiration for every  
day living and can be an effective  
instrument in the ordinary  
rounds of life.

## REDEEMER BOWLERS LOSE TO GLENCOE

Redeemer bowlers lost their final  
game of the series of three to  
Trinity of Glencoe. Capt. Bousson  
has arranged to enter two teams in  
the Lutheran bowlers' tournament  
to be held soon in Skokie. Plans  
for a mixed-bowling group are being  
formed and will be announced  
soon. The local men who lost yesterday's  
games are Carl Arnswald, Robt.  
Bousson, Edward Juul, Gilbert  
Pantle and Harold Rudolph.

## Vote on Bond Issue —

(Continued from page 1)

made to make Fred Silber's wish  
a reality, and elaborate plans for  
a center in Sunset Park were  
drawn, but did not materialize.  
Then in January, 1933, Community  
Service, Inc., opened its first  
community center to the citizens  
of Highland Park, using the Elks  
club building at 582 Laurel avenue.  
This arrangement continued  
through 1935. Following the  
closing of this temporary center,  
there was again considerable  
agitation for a community house.

In December, 1937, Community  
Service of Highland Park asked  
the residents to vote upon the  
question, "Shall Highland Park  
Have a Community House, and  
If So, Where?" By a vote of over  
10 to 1, the erection of a community  
house was favored and the use  
of the Sunset Park site was

approved by an overwhelming majority.

Accepting this as a vote of confidence,  
the community center sponsors,  
namely Community Service of  
Highland Park, employed three  
local architects to draw plans.  
These associate architects were  
Raymond W. Flinn, W. D. Mann,  
and John S. Van Bergen. Because  
of financial reasons, this plan  
was abandoned. Instead, the old  
city hall and old fire station at  
Central and Green Bay were  
purchased from the city and  
remodelled into a community center  
in 1940.

In 1941, the USO was built on  
city property immediately in back  
of the present community center  
and was so planned as to supplement  
the present quarters. The gymnasium  
and other needed facilities were  
to be turned over to the city when  
the USO closed. However, the burning  
and destruction of the USO in 1945  
put an end to the gymnasium development.

In April, 1943, the citizens voted  
in a municipal recreation tax for  
the purpose of conducting a recreation  
center as well as a community  
recreation program in Highland  
Park. The continued growth of  
recreational activities at Community  
center now indicates that our present  
quarters are no longer adequate.  
There is a great need for larger  
recreational facilities, as well as  
for a large, well equipped gymnasium.  
Present parking facilities also are  
inadequate. These problems will  
be discussed in next week's issue.

## Planned Parenthood—

(Continued from page 1)

fields in which very little work  
has been done, 2, to train workers  
to advise in clinics on methods of  
birth control and treatment of  
infertility, and 3, to make scientific  
education on these problems available  
to more and more people.

There are 10 clinics in the Chicago  
area now giving this kind of service.  
Under this association the work  
of these clinics will be coordinated,  
standardized and expanded, types  
of services will be publicized and  
training for advisory work will be  
made available for doctors, nurses  
and social workers.

Over 3000 people went to clinics  
last year in Chicago for this sort  
of advice, showing the need for  
the work, and there are many more  
who are not aware of this service  
but who would seek it if informed  
of its availability.

The national committee has an  
advisory clergyman's council and  
the association everywhere works  
with the various social agencies,  
including the Association for Family  
Living, the Y.W.C.A., and many  
other organizations, of a similar  
nature. They have the official  
approval of the Chicago Association  
of Commerce.

The Chicago board consists of  
the following: J. E. Wilson Jr. of  
Lake Forest, president; Hamilton  
Loeb, 1st vice president; Mrs.

Stewart Boal, 2nd vice president;  
Ross Beatty, treasurer; Mrs. Wilbur  
H. Norton, secretary; Mrs. Isaac  
Rothschild of Evanston, corresponding  
secretary.

The drive has already received  
substantial financial support from  
the Murphy and Weibold foundations  
and from a number of prominent  
Chicago contributors. Everywhere  
men and women are enthusiastic  
about its work because they feel  
it gets at the root of our welfare  
problems, reports Mrs. McKinnon.

Those present at this first meeting  
at the request of the Chicago  
committee were besides the hostess,  
Mrs. Hugh Riddle, Mrs. Bernard  
E. Newman, Mrs. John Wine-  
man, Mrs. Harold Foreman Jr.,  
Mrs. Mason Smith and Mrs. Everett  
Millard Jr. Many others will be  
called upon to help in spreading  
information about the association  
and the committee hopes there  
will be a wide response to the  
appeal for funds during the  
national drive next month.

## Chicago Area Begins R. C. Fund Drive Mar. 1

The Chicago area quota in the  
1947 Red Cross fund campaign  
will be \$2,550,000, it was announced  
last week by Wade Fetzer  
Jr., chairman of the drive. The  
national goal is \$60,000,000.

Mr. Fetzer stated at the formal  
dedication of the fund campaign  
headquarters at 105 W. Adams St.  
that groups are being organized to  
carry the campaign into every section  
of the Chicago chapter area which  
includes all of Cook and DuPage  
and the south half of Lake  
counties. The drive will open  
March 1 and continue through the  
month.

## "Family Service"

(Continued from page 1)

Hulse to the group. Judge Hulse  
stresses the importance of all  
agencies in Lake county working  
together. It is his opinion that  
many potentially delinquent children  
can be turned into useful citizens  
if he has the complete cooperation  
of the various police departments,  
the ministers, the schools and the  
family service organizations.

Dr. Henry Millett, neuro-psychiatrist  
of Highland Park, then gave a  
scholarly talk on "Early Recognition  
of Problems," stressing the abnormal  
reaction to the proper stimulus as  
a sign to watch, and the necessity  
of knowing the whole history and  
pattern before diagnosing the situation.

Mrs. Wilson Kline, chairman of  
the nominating committee, then  
presented the list of new officers  
and members of the governing  
board, who were elected unanimously.  
The new officers are: Mrs. Harry  
M. Pier, president; Dr. Douglas  
Boyd, vice president; Mrs. Wetherton  
Cherry, secretary; and Mr. Edgar  
L. Vinyard, treasurer.

The following were appointed to  
the governing board: Mrs. James  
H. Becker, Dr. Casper O. Dahle,  
the Rev. Charles U. Harris, Mrs.

Wilson Kline, Mr. Richard J. Loewenthal,  
Mr. Edward A. Menke, Mrs. Carol  
Baker Summers and Mr. Edgar L.  
Vinyard.

In addition to the above, the following  
directors at large were elected:  
Lester B. Ball, William J. Curotto,  
Lyle Gotriey, Rev. Lester H. Laubenstein,  
Mrs. Walter R. Neisser, George Scheuch-  
pflug, Dr. Louis W. Sherwin, Lewis  
B. Sinclair, Mrs. Herman Zischke.  
Carl Lamle was appointed to fill  
the unexpired term of James A.  
Dent.

## WHAT'S Coming

Work is progressing on the natural  
gas pipe line which will serve us  
next spring. The pipe has been  
received, so it appears that natural  
gas will soon be here!

Natural gas in the areas served  
by gas mains and "L-P" (or bottled  
gas) in off-the-main areas are the  
two glamour fuels of today. "L-P"  
gas is propane or butane which  
provides city gas service in rural  
areas. It is an industry which has  
enjoyed a very rapid growth in  
rural areas.

Advertising Age magazine says  
500,000 new salesmen will be hired  
in 1947.

Selling will offer an interesting  
and profitable field for many young  
men. It is our opinion that most  
any man with average personality  
and pleasant appearance can be  
successful in selling if he will work.

You'll be seeing some GAS  
salesmen soon . . . from your  
appliance dealers and plumbing  
and heating contractors as well  
as our own men . . . to suggest that  
you "Better Your Living With  
Natural Gas!"
