We Must Get New Fire Fighting Equipment!

Highland Park is in danger!

Terrifying danger.

That danger is fire.

And fire can start in your home any time of the day or night. Could your home be saved?

Or would it be destroyed like the J. Zengeler cleaning shop was

last week? Are you and your loved ones safe?

Maybe.

Maybe not.

Uncomfortable facts, aren't they?

But they're facts we must grapple with now.

DISASTROUS FIRES ...

"Our ladder wagon was purchas- by fire, then go to your voting ed in 1913! It was bought by headquarters and vote YES for Highland Parkers who donated for the bond issue authorizing funds during Mayor John Oliver's new, life-saving fire equipment. time. Only \$5,000 was collected; the fire engine cost \$5,500. Loyal city council members had to pay the other \$500.

"But today, when fires are more numerous and more disas-THANK YOU . . . trous than ever before, it is compulsory that we have modern fire fighting equipment to protect the berman and faithful city servant keting personnel abreast of new lives and property of Highland Lyle Gourley for taking the writer to a recent Rotary luncheon. Parkers."

Fire Chief William J. Hennig. He such a meeting and to see and talk tion to the classroom instruction. warned me and asked me to tell to Highland Park's business and you Highland Parkers that if we professional leaders. don't get new equipment soon, our town will be on the threshold of destruction by fire.

MODERN IN 1913 . . .

That tired old ladder wagon you see rattling and chugging to local fires was the only piece of fire equipment this town had from 1913 to 1922.

Indeed, it was the first piece of Highland Parkers. mechanical equipment in these City folks were right and refreshed, as it were, at a theproud of it.

But that was back in 1913!

After 1926 the old wagon-yes, even then! - was remodeled in an effort to bring it up to date.

But it isn't possible to remodel SUGGESTION? . . . the old job again. And even if it could be, it would not be safe or adequate, particularly since High- er and Robert F. Patton, are seekland Park has grown. Park," commented dapper Paul

MUST BUY NEW TRUCK . .

Highland Parkers, a new fire both, place them in two offices, truck must be bought!

You can authorize its purchase. In this way, if we can't get what "We need new equipment right we want from one, we can walk now," Chief Hennig emphasized, down the hall and ask the other for "but we cannot buy it until the favor," the Highland Park real Highland Parkers vote for it. estate expert jokingly remarked. And they must vote for it Februa-

To Hold Essay Contest On Racial Understanding

An essay contest for the promotion of better racial relations is being sponsored by the Interfaith group of Highland Park.

Any title under the general subject of "Racial Understanding," either in prose or poetic form, will be accepted. The contest is open to all H.P.H.S. students.

The winners of the contest, who will be selected by a committee of teachers, will receive prizes of \$15, \$10 and \$5 for first, second, and third places, respectively.

All entries should be handed to Mr. Mason before Monday, April 28. The prizes will be awarded on Tuesday, May 20.

T was fun rediscovering some of the ridiculous beliefs held by the ancients as revealed in their gardening and botanical books. Wondrous indeed were the properties of the herb. With this charm, the early botanist was equal to any emergency.

A panacea for anything and everything was the herb. Toothache. The bald pate. Melancholia. Courage. Romance. Snoozing. Imbibing too freely. Too, the old boys had some odd notions concerning the proper growing of herbs. One throve best when stolen from a neighbor's garden-another, when sown with cursing and railing. This and other plant lorger is all there in THE HERB GARDEN.
