## Young Couple Needs Apartment!

Help!  
Help!  
A young couple needs desperately needs! — an apartment. Or just one room . . . and a kitchen. Bath, too!  
Willing to pay from \$40 to \$65 per month. Slightly more if they can live in "wonderful Highland Park," to quote them.

Character?  
Tops.  
Background?  
The best.  
Where did they live before?  
Highland Park. Evanston.  
Westchester county, N. Y.  
References?  
Many . . . and all good!  
Can you help them, Highland Parkers?

### CALL THE WRITER . . .

If so, please call the writer, H. P. 771 . . . and we'll be happy to pass on your generous offers to D— and B—.

Please help this couple. Suitly you Highland Parkers have some spare rooms in your lovely homes . . .

Or, perhaps, a garage apartment?

Or unused attic that this artistic, creative couple can make liveable . . . and an asset to your home?

Or a basement that can be made into a cozy, conservative "home"?

### HELP IF YOU CAN . . .

I know you will help if you are able . . . you always do when there's a real need . . . and this is . . . and these young folks are the type you'd like as neighbors, as friends.

He's 26. She's 21. No children. I kind of went on record, Highland Parkers, stating you'd find quarters for them.

Please see what you can do (Maybe your friends know of a spot.)

And thank you in advance for your courtesies!

### BEST WISHES . . .

Best wishes to the S. Parker Johnston Juniors, now honeymooning in Bermuda.  
May your life be long, full and happy!

### RECOMMENDS CLEANERS . . .

Here's a recommendation we'd like to pass along . . .

If you want good service, one day cleaning service, take your garments to Vogue Cleaners, 329 N. Green Bay road.

This friendly organization took the writer's gabardine coat in on Saturday morning . . . and it was cleaned, pressed and ready to pick

up at noon!  
Perhaps "normalcy" isn't too far away!

### ADD ANOTHER NORMAL NOTE . . .

Bubble gum is back!  
And the kids have it!

### SERIOUS NOTE . . .

Our new mayor and our new council are now in office.

May we recommend that you put high on your list of "musts" Beech Street station, the unsafest place in Highland Park!

Gentlemen, this needs your urgent attention!

### HOSPITAL DRIVE . . .

Although publicity-wise the writer has not yet been called on to aid the current hospital drive, I believe it is the duty of every Highland Parker to give and to give generously to this important cause.

It's our hospital, Highland Parkers.

It deserves our support now.  
Give to this worthy institution today!

### HOW MANY . . .

Okay, now that the telephone strike is settled, how many "little white lies" did you tell the emergency operator?

### REMEMBER . . .

Join the Friends of the Highland Park Public Library and help make your library the finest on the North Shore.

Ed's note: Instead of a "better mousetrap," with Whitt it's a "better can opener." A picture and story of him appear in "House and Garden," a story in "It's News to Me" of "Better Homes and Gardens," with its list of 3,000,000 subscribers, a squib in "This Week" and an excerpt of one of his writings in "Christian Science Monitor." We'd say, Whitt, that you sure are goin' like a house afire.
