SHELTON'S SCORES AGAIN!

Have you tried the tasty food at Shelton's in Ravinia? If you haven't, please do so. We know you'll enjoy your visit.

SUDDEN THOUGHT

Okay. So... the Taft-Hartley Bill is now a law. Good. And we're hearing a lot about Bob Taft, aren't we?

EASY JOB?

This hardly seems probable, but we heard an Exmoorite tell a fellow golfer the other day that his navy officer duty consisted merely of "telling the Army when something went wrong."

THIS IS ON FRIENDS

"You know," a close friend said the other night, "a person really has few friends during his lifetime. I mean real friends. Close friends. Folks who would lend you \$1000 if you needed it..."

Do you have many friends who would measure up to these standards? Hope you do...

JULY THANKS

A note of thanks, here and now, to all those swell persons around our post office. I'll wager if you looked from now 'til the end of the Atomic Age you wouldn't find a friendlier, more cooperative group.

HOSPITAL MEMORIAL

Episcopal church, served as postmistress of our city and was librarian for 30 years in the days when the library was located in what is now the rear of the Community center.

From 1880 to 1890 she brought babies into the world and nursed their mothers. In 1889 she set up two rooms in a private home for the care of the needy sick and collected funds for the maintenance of this forerunner of the Highland Park hospital.

Mrs. Jennings became blind in later years and died Dec. 21, 1921, shortly after leaving Highland Park. Her granddaughter, Mrs. Mary Phillips Pilliod, who lives in Scarsdale, N. Y., has added her contribution to the fund now being collected.

It is hoped that at least a thousand dollars may be collected in her memory, so that some major piece of equipment may be purchased and marked with her name as a symbol of her unselfish devotion to the needs of humanity.

PREFERS CLOTH

Perhaps, your windshield is wiped with these new red paper towels service station attendants are using nowadays. But I still prefer the clean-soft-cloth-windshield-cleaning method.

THIS IS ON 'THE RED MILL'

After considerable urging, we were finally persuaded to leave our cool porch and venture windy-cityward to see "The Red Mill." It proved an engaging play, gay, light and bright — good hot-summer-evening entertainment, we'd say... if you want to leave Highland Park.

Of course there were a couple of unnecessary vulgarities... and the French madame, Odette Myrtil by name, should stick to her Hollywood dress shop business, I think.

I dislike cheapness... and I'm afraid Odette, ably assisted by ex-burlesque stars Jack Whiting and Buster West, lingered amongst the lewd most of the night.

But the play is recommended with the above reservations.

STILL NO BONUS—GRR!

As this is typed, our state bonus still has not arrived. And after we'd been promised it by the Deputy Director of the Service Recognition Board in Springfield.

Sorry, fellows. But we'll stay after them to get that bonus through fast. Keep up your hopes!

Mayor Robert Patton Attends Air Show

His Honor Robert F. Patton, mayor of Highland Park, was a personal guest of Capt. Cecil B. Gill, commanding officer of the Naval Air station, Glenview, at the station's first anniversary party, June 28.

Mayor and Mrs. Patton expressed their gratitude at having been invited as representative of the city of Highland Park; for the airplane ride over the surrounding communities, and the luncheon that followed at the officers club.

Capt. Gill, at the luncheon, outlined the steps that had been taken to reduce annoyances to the surrounding residents caused by low flying aircraft. He expressed his gratitude to the assembled civic leaders for the cooperation and indulgence evidenced by the represented communities.

"Black Magic" To Be Featured on Wednesday At Sunset Day Camp

"Black Magic" will be the theme of the general program for the regular weekly day camp at Sunset park, July 16, according to Stanley McKee, camp director and member of the playground board staff.

Featuring the program will be Karl Velde, Highland Park magician, who will entertain the children with "now you see it, now you don't" tricks. A surprise treasure hunt also is being planned by Kenneth Crowell, day camp staff member.

Approximately 200 of Highland Park's younger set gather at Sunset park each Wednesday for the day camp sessions.

CREATIVE WRITERS MEET TODAY WITH MRS DINGLE

The North Shore Creative Writers meet today (Thursday) at the home of Mrs. Florence Dingle, 515 S. Sheridan, for luncheon at 12:30. After a business meeting the afternoon will be spent in reading and criticizing the manuscripts of the members.

Local Legion Baseball Team Makes Two Wins

Scoring 13 runs to defeat Fort Sheridan July 4, and 14 runs to take the count of the Zion Merchants July 5, the Legion nine made a successful debut at Sunset park.

Powerful hitting in each contest was necessary as the boys got off to a shaky start in both games.

In the Fort Sheridan game July 4, timely hitting by the team — each starting player getting at least one hit and with hitting in the clinches by Hass — Rudolph and Sjoberg outdoing their team mates, Davis, relief pitcher, was the winner with a credible performance.

In the Zion game, Jimmie Kane, hard hitting center fielder, was the hitting star of the day with a walk, two singles, and a ninth, inning home run after two were out and a runner on first, for the tying and winning run.

First base coach Bob Bess and H. Rudolph, 3rd base coach, were the life of the game. To them the team must give credit for their work, well done in this victory. Bob Davis made the catch of the day — one in right field, labeled for a home run in any park (nice going, Bob). Bob Chambers demonstrated he has a throwing arm to compare with that of Andy Pofseo of the Chicago Cubs.

Next Sunday the team travels to Half Day and another victory is predicted. On the 20th, the team travels to Lake Bluff, and on the 27th plays Highwood at Sunset park.

Come out and support your Highland Park team — they will appreciate it.

Memorial Rose Garden Now At Its Best

Lovers of roses everywhere will get a real thrill out of seeing the beautiful Memorial Rose garden established by the Men's Garden club of Highland Park.

This year the flowers are more profuse and more beautiful than they have ever been since the garden was established. There are many interesting and unusual species in a setting that shows them to the best advantage.

The garden was planned, designed, dug and planted by members of the Men's Garden club of Highland Park, and presented to the citizens of their community to commemorate the horticultural achievements of three men who helped to develop the city.

The rose garden memorializes Highland Park's first rosarian, Wm. C. Egan, who proved that the "Queen of Flowers" could be successfully grown in this climate.

The native landscape with "Players Hill" characterizes the ability of Jens Jensen to use indigenous plant material in its proper setting.

The native garden with Rocky Ledge pool reflects the character of Jesse Lowe Smith whose gift for interpreting nature in all its beauty inspired all with whom he associated.

The garden is conveniently located next to the Highland Park city hall and is open to the public.
