Seals For Lake Co. Tuberculosis Ass'n.

By this time residents of Highland Park and vicinity have received their annual Christmas Seal letters from your Lake County Tuberculosis Association.

Most of our residents are familiar with the work the association is doing in Lake county with its case-finding programs in the hunt for undiscovered cases of tuberculosis. Free chest clinics, mass x-ray surveys with a newly purchased Mobile X-ray unit, nursing service, educational program, tuberculin testing in our schools are just a

part of its program. Christmas Seals and Christmas Seal Bonds, as most of us know are the sole support of your association which was organized forty years ago to conduct a tuberculosis control program in this county.

Today, through the efforts of the Association, we have a modern Tuberculosis Sanatorium for the treatment of tuberculosis. It is encouraging to the Association that the cases of tuberculosis found in its case-finding program have the facilities of this Sanatorium in which to seek their treatment.

From this vicinity the following persons serve on the Board of Di-

rectors of the Lake County Tuberculosis Association: Mrs. Howard F. Detmer of Highland Park, Mrs. Francis M. Knight of Highland Park, Mrs. Harold W. Norman of Bannockburn.

Mrs. Mabel McCullough, Seal Sale Chairman, urges an early purchase of your Christmas Seals and Christmas Seal Bonds. Buy and use Christmas Seals—your use and interest will influence others.
