MARJORIE MURRAY MARRIES

Dr. Louis W. Sherwin heard the exchange of nuptial vows of Miss Marjorie Murray, daughter of Mr. and Mrs. Howell W. Murray of 31 N. Linden avenue, and Grant Herman, son of Mr. and Mrs. Raymond E. Herman of 328 N. Linden avenue, on Saturday, February 21, at 4:00 o'clock in the afternoon.

The ceremony took place before an improvised altar banked with white flowers and greenery at a candlelight ceremony at the home of the bride's parents.

The bride, who was given in marriage by her father, was gowned in traditional white satin and fingertip veil. She carried a bouquet of camellias with magnolia and camellia foliage.

Mrs. Heath Wakelee of Red Bank, New Jersey, attended her sister as matron of honor and Mrs. Paul N. Hewitt of Des Moines, Iowa, a classmate at Carleton college, and Miss Mary Nesbit of Madison, Wisconsin, were bridesmaids. They were all dressed alike in gold colored satin gowns and carried sprays of camellia and magnolia leaves. Mrs. Wakelee's bouquet also included gold colored orchids.

Randolph Herman of Minneapolis, Minnesota, served his brother as best man, and the ushers were Hamilton Herman of Los Angeles, California, another brother, and Laurence Herman of Highland Park, a cousin.

The bride's mother wore a blue dress and the bridegroom's mother was in gray. The orchid corsages they wore were ordered by the bridegroom and flown here from Hawaii.

The bride is a graduate of the of the Highland Park high school, of Monticello college and Carleton college. Mr. Herman is a graduate of Lake Forest academy and of Dartmouth. He also attended the Harvard Graduate School of Business Administration.

A small reception for the immediate families and a very few friends, followed at the Murray home.

Following a two weeks' honeymoon, Mr. Herman and his bride will reside in Highland Park.

WEEK-END GUESTS

Week-end guests of Mr. and Mrs. C. R. Torrence of 199 Roger Williams avenue were Mr. and Mrs. Charles Reardon of Joliet. On Saturday evening the Torrences were hosts at a dinner party in their honor.

APPROACHING WEDDING

On Saturday, February 28, Miss Mary Elizabeth Davis, daughter of Mr. and Mrs. George L. Davis of Kokomo, Indiana, and Hulburd Wampler, son of the Harold A. Wampless of 230 Cary ave., will be united in marriage at the First Methodist church, Evanston. Dr. Tittle will read the service at 4:30 o'clock in the afternoon, in the presence of only the immediate families.

The bride-to-be is a graduate of De Pauw University, and did graduate work at Cornell. Mr. Wampler is a graduate of Lake Forest academy and of Lawrence college in Appleton, Wisconsin. He served in the army air corps for three years during the war.

Following a southern honeymoon, the young couple will re-

side in Chicago.

VISITS IN MISSOURI

Miss Edith Ringdahl of 347 Hazel avenue returned home on Tuesday after spending the past week in Springfield, Missouri, visiting with the James W. Kents (Lois Larson).

JOAN HATCHER, A BRIDE

Gowned in white slipper satin and fingertip veil, made with lace from the wedding ensemble of her maternal great grandmother, and carrying a bouquet of white camellias, Miss Joan Wallace Hatcher became the bride of Harry Newstead Koolage, Jr. on Friday, February 20, at 8:30 o'clock in the evening at the Northminster Presbyterian church, Evanston. Dr. Pierce read the service. The bride, who was given in marriage by her father, is the daughter of Mr. and Mrs. Charles Chandler Hatcher, Jr. of 2400 Ridgelee road, and the bridegroom is the son of Mrs. H. N. Koolage of Annapolis, Maryland.

Miss Anne Griffith of Palo Alto, California, attended as maid of honor and Miss Suzanne Heath, Mrs. Harold L. Garwood, Jr. (Wayne Nash), Mrs. Byron C. Howes, Jr. (Grace Pickett) and Mrs. Willard Meier (Judy Howes) were bridesmaids. The attendants were gowned alike in lime green and their bouquets were of American Beauty roses.

Best man was George H. Koolage of Annapolis, brother of the bridegroom, and Chandler Hatcher, brother of the bride, Willard Meier of Evanston, James Spence of Chicago, and Robert Will of Highland Park, ushered.

The bride's mother chose a dress of American Beauty color, complemented by a corsage of lime green orchids. The bridegroom's mother wore an orchid print dress on a blue background, and her corsage was also of orchids.

A reception at the Evanston Woman's Club followed the ceremony.

The bride chose a navy blue light weight wool suit with pink hat and pink accessories as her "going away" costume. Following a short honeymoon, the young couple will reside in Baltimore, Maryland.

IN CALIFORNIA

Miss Dorothy Kutzer of S. Sheridan road, who is visiting her uncle and aunt, the Emanuel Kutzers in San Diego, California, spent a few days last week in Mexico.

RUTH S. ANDERSON RETROTHED

About Electric Blankets and Comforters

... new contributions to Better Living

FOR many years the Public Service Company has helped to introduce many useful electrical appliances into Northern Illinois homes. Now we feel it is timely to inform the public of another new use of electricity... electric blankets and comforters. Here are some facts about them.

Electric blanket production during the war was restricted so that electrically heated flying suits could be manufactured for the Air Forces. In the development of these flying suits, a great amount of research and testing was done. Because of the extreme temperatures encountered by the flyers (as low as 60 degrees below zero) and the hard usage given the suits by the bomber crews, a fine, extremely flexible wire was needed. As a result, a wiring system was developed that was so sturdy it outlived the fabric.

They Are Dependable

All the research and testing accomplished during the war years has contributed directly to the dependable and efficient operation of these new electric bed coverings. Tiny thermostats provide protection from possible overheating due to abuse. Leading brands are approved by Underwriters' Laboratories, Inc., and those we offer for sale have been thoroughly tested and approved by Public Service Company's own testing laboratory.

Ordinary bed covers can only insulate the body from changing room temperatures. It is the heat of the body and the number of covers added that controls the temperature in the bed. In order to be perfectly comfortable with ordinary covers in a room where the temperature is constantly changing, they would have to be added and removed throughout the night.

With only one electric blanket or comforter, the proper amount of warmth is maintained throughout the night regardless of changing temperatures. The warmth given by the electrically heated cover is a gentle heat that can barely

be felt by the hand. The bedside control regulates the heat automatically, and provides many degrees of warmth from which to choose. With only one cover per bed needed the bedmaking problem is simplified. It means easier cleaning and storing when not in use, too.

Many Types Available

There are several types of electric bed coverings—a blanket designed for a double bed with a dual temperature control so two people in the same bed can select the degree of warmth each wants for his half of the bed. Another is a satin comforter which operates like the blanket. And still another type of blanket operates on the same general principle as the others but the temperature is electronically controlled by the temperature of the bed rather than that of the room. Electric bed coverings are available in a variety of attractive colors, and in both twin and double bed sizes.

Care is No Problem

Electric blankets can be washed the same as any other fine piece of wool. They are certified washable by the American Institute of Laundering and many good laundries will wash them for you. The electric comforter has a sheet containing the wires which is removable for washing. The satin covering is cleaned like an ordinary comforter.

What you sleep under is just as important to sleeping comfort as what you sleep on. Electric bed coverings, the first important improvement in sleeping comfort in many years, are a major addition to the long list of conveniences which electricity has brought to the American home. Users are unanimous in expressing their satisfaction with this new contribution to their comfort.
