APPROACHING WEDDING

Over 1,000 Chicagoans and North Shoreites have been invited to attend the wedding of Miss Patricia Reynolds Will, daughter of The Reverend and Mrs. Benjamin Martyn Will of 1015 Ridgewood Place when she marries her next door neighbor, Mr. Whitt Northmore Schultz, in "The Country Church of the City," Granville and Lakewood, Chicago. The date is Saturday, March 13, at four in the afternoon. The bride's father will hear the exchange of nuptial vows.

Miss Will, whose hobby is designing clothes, will wear a handmade, satin and lace bridal gown which is one of her originals. The main feature of the dress, besides the artistic arrangement of bows down the back, is the large hoop skirt which definitely has the new look about it. Taking months to make with its six rustling petticoats of taffeta, crinoline, satin, net and lace, the dress has a long detailed, satin-lace train. The veil, is a braided bonnet trimmed with lace. She will carry a nosegay of white roses with lily of the valley streamers.

Mrs. William E. Roberts of Glenview, the bridegroom's elder sister, will be matron of honor. Bridesmaids will be Miss Marilyn Robb, Chicago, and Miss Judith Northmore Schultz, the bridegroom's younger sister. They will wear "Mignonette" marquisette white party dresses with big, yellow satin bows to bring out the bride's color scheme of yellow and white. Each will carry miniature nosegays, contrasting with the bride's.

Bradford N. Will, the bride's younger brother, will give her away. Ring bearers are the three year old twin sons of Mr. and Mrs. Roberts. The boys will wear white cotton suits and carry a large satin pillow for the double ring ceremony.

Richard D. Higgins of Evanston will be Mr. Schultz' best man. Ushers will be Lt. Cyrus B. Will, Arlington, Virginia, the bride's older brother, Mr. Roberts, Mr. Gilbert Gardner and Mr. George Murray.

Miss Will, a fifth generation Chicagoan, is an alumnus of National Park College, Forest Glyn, Maryland. She also attended Northwestern University where she met her fiance. The two families have been Highland Park neighbors for nine years.

Mr. Schultz attended Washington & Lee University, Lexington, Virginia, and received his speech and journalism degree from Northwestern. Following graduation he enlisted in the Army. After serving as an editor for camp newspapers in the United States, he went abroad as an official army war correspondent, later becoming one of the editors of The Stars and Stripes newspaper in the Pacific. At present he is president of Northmore's Home Products in Highland Park.

The reception, to which all are invited, will be in the church parlors immediately after the ceremonies. Anxious to settle in their new Braeside home, the young couple are delaying their honeymoon. In the summer, however, they are planning a westward tour of the nation, stopping at Santa Fe, Palm

Springs, Pebble Beach, Lake Arrowhead, Pasadena, Carmel-by-the-sea, Del Monte, Lake Placid, Sun Valley, and other resorts.

BACK HOME

Miss Betty Karger, Highland Park Editor of the Waukegan News-Sun, and Miss Marge Wirkus of 543 Central avenue have returned from a six weeks' vacation which included a cruise to Nassau, Jamaica and Haiti, and several days in Havana and Miami.

Back home after a three weeks' vacation spent in San Jose, Peru, and Mexico City, are Mr. and Mrs. Tom Leeming of 315 N. Sheridan road.

Their daughter, Joyce, is expected home on April 18 from the Emma Willard School, where she is a student. Their son, Jack will arrive on April 3 for spring vacation from Brown University in Providence, Rhode Island.

After a six weeks' southern and western vacation, Mr. and Mrs. Arthur Vetter of 556 Detamble, avenue returned home this week.

BIRTHDAY TEA

In honor of the seventy-fourth birthday of Mrs. George Boveroux, Mrs. W. W. Miller and Mrs. David Sanders, Jr., gave a tea on Wednesday at the home of Mrs. Miller, 711 Forest avenue. Mrs. Boveroux is the mother of Mrs. Sanders.

LOIS ROSS, A BRIDE

The Santa Rita Hotel in Tucson, Arizona, was the scene of the wedding of Miss Lois Ross, daughter of Mr. and Mrs. Lewis D. Ross of 2161 Pine Point drive, and Melford L. Brickman, son of Mr. and Mrs. Robert Brickman of Tucson, on Thursday, February 5 at 5:00 o'clock in the evening.

The bride wore a pink suit and large pink straw hat trimmed with ostrich plumes and tulle and pale blue accessories. She carried orchids. Miss Gitta Warren, a sorority sister, attended as maid of honor.

The bride's mother wore a rust colored suit and matching straw hat complemented by a corsage of orchids.

Both the bride and bridegroom are students at the University of Arizona. He is president of Zeta Beta Tau fraternity. During the war he spent two years with the army intelligence corps. She is a member of Alpha Epsilon Phi sorority.

A reception followed at the hotel.

FLORIDA VACATION

Vacationing in Florida for two weeks are the R. L. Rademachers of 319 N. Sheridan road.

VISITORS FROM FRANCE

Visiting the Louis Cassels of 1400 Pleasant avenue, are Mr. Cassel's brother, Jeff Cassel, and his seven year old son, Louis, of Lourdes, France. During their month's visit here, the youngster, who speaks only French, has been enrolled in the Ravinia school first grade.

NEWTON-VANN NUPTIALS

On Saturday, February 21, Miss Loretta Jane Newton, daughter of Mrs. Mildred Newton of 1314 Blackwood avenue, became the bride of CM/2 D. C. Vann, of the

Gardeners preparing Chicago Park District's display for National Flower and Garden Show, scheduled for Chicago Coliseum, March 14-21.

U. S. Navy, son of Mrs. Ada Boggs of Fyffe, Alabama, at the Zion Lutheran church, at 7:30 o'clock in the evening. Rev. Linden read the service.

The bride, who was given in marriage by her brother, Milton Newton, wore a white satin gown made with a long train, and fingertip veil. She carried white roses.

The maid of honor, Miss Lea Smith of Central avenue, Highland Park, was in aqua crepe. She carried American Beauty roses with a few of the same flowers in her hair.

Best man was Eddie Wurth of Chicago, and the ushers were Peter Carlson, Wilbur Sweeney and George West.

The bride's mother wore a grey jersey dress, and her corsage was

of American Beauty and white roses.

Following the wedding, open house was held at the home of the bride's mother.

Following a short honeymoon in Milwaukee, the young couple are now residing at the home of the bride's mother. On April 1, Mr. Vann will leave for China aboard the U. S. S. Helena. His bride will join him in California when he returns from overseas. He has been in the service almost three years and expects his release soon after his return to the states.

FAREWELL LUNCHEON

Mrs. Burton M. Smalley of 485 Fairview avenue was hostess at luncheon on Friday in compliment to Mrs. David Sanders, Jr., who is

leaving next Tuesday for the west coast, to be gone for three months. She will be the guest of Miss Barbara Bridge, of San Francisco, California.

BECOMES BETA GAMMA

Miss Edna Mae Wilner, daughter of the W. K. Wilners of 707 S. St. Johns avenue, was one of 22 girls recently initiated into Beta Gamma chapter of Kappa Delta, located at Monmouth College, Monmouth, Illinois.

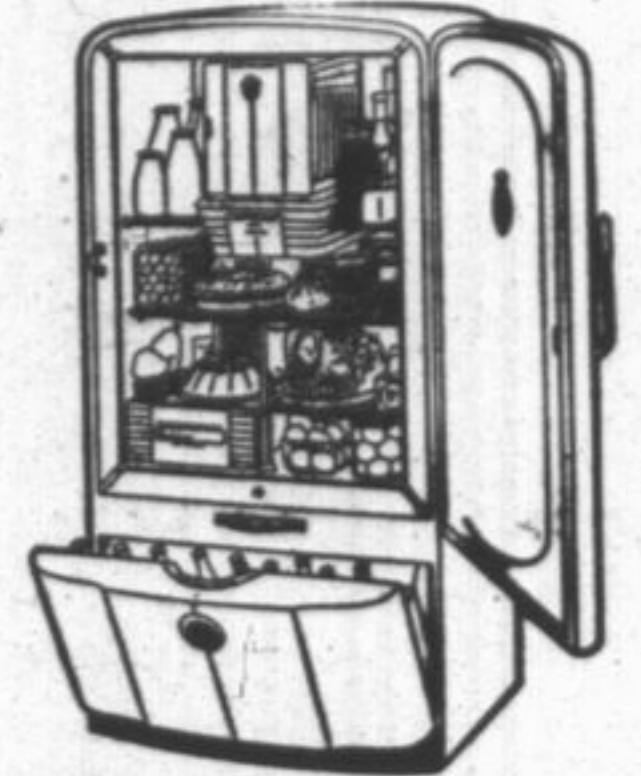

MOVE TO MISSISSIPPI

On Friday, Mrs. G. Earl Wallis of 529 S. Linden avenue, left for Gulfport, Mississippi, where the Wallises will make their home. Her husband, whose business is in Gulfport, had left earlier.

About Electric Blankets and Comforters

... new contributions to Better Living

FOR many years the Public Service Company has helped to introduce many useful electrical appliances into Northern Illinois homes. Now we feel it is timely to inform the public of another new use of electricity . . . electric blankets and comforters. Here are some facts about them.

Electric blanket production during the war was restricted so that electrically heated flying suits could be manufactured for the Air Forces. In the development of these flying suits, a great amount of research and testing was done. Because of the extreme temperatures encountered by the flyers (as low as 60 degrees below zero) and the hard usage given the suits by the bomber crews, a fine, extremely flexible wire was needed. As a result, a wiring system was developed that was so sturdy it outlived the fabric.

They Are Dependable

All the research and testing accomplished during the war years has contributed directly to the dependable and efficient operation of these new electric bed coverings. Tiny thermostats provide protection from possible overheating due to abuse. Leading brands are approved by Underwriters' Laboratories, Inc., and those we offer for sale have been thoroughly tested and approved by Public Service Company's own testing laboratory.

Ordinary bed covers can only insulate the body from changing room temperatures. It is the heat of the body and the number of covers added that controls the temperature in the bed. In order to be perfectly comfortable with ordinary covers in a room where the temperature is constantly changing, they would have to be added and removed throughout the night.

With only one electric blanket or comforter, the proper amount of warmth is maintained throughout the night regardless of changing temperatures. The warmth given by the electrically heated cover is a gentle heat that can barely

be felt by the hand. The bedside control regulates the heat automatically, and provides many degrees of warmth from which to choose. With only one cover per bed needed the bedmaking problem is simplified. It means easier cleaning and storing when not in use, too.

Many Types Available

There are several types of electric bed coverings—a blanket designed for a double bed with a dual temperature control so two people in the same bed can select the degree of warmth each wants for his half of the bed. Another is a satin comforter which operates like the blanket. And still another type of blanket operates on the same general principle as the others but the temperature is electronically controlled by the temperature of the bed rather than that of the room. Electric bed coverings are available in a variety of attractive colors, and in both twin and double bed sizes.

Care is No Problem

Electric blankets can be washed the same as any other fine piece of wool. They are certified washable by the American Institute of Laundering and many good laundries will wash them for you. The electric comforter has a sheet containing the wires which is removable for washing. The satin covering is cleaned like an ordinary comforter.

What you sleep under is just as important to sleeping comfort as what you sleep on. Electric bed coverings, the first important improvement in sleeping comfort in many years, are a major addition to the long list of conveniences which electricity has brought to the American home. Users are unanimous in expressing their satisfaction with this new contribution to their comfort.
