Frank Patrick Daly Seeks Nomination For State's Attorney

Frank Pat Daly, 36-year old Waukegan attorney, today declared that he is basing his candidacy for the Republican nomination for State's Attorney on his wide experience in the practice of law in Lake County.

Daly came to Lake County 17 years ago and has practiced law since October, 1935. He has handled a wide variety of civil and criminal cases in all of the courts in Lake County, and his law practice has been such that he is particularly fitted for the office of State's Attorney.

Since his graduation for law school, Daly has maintained his law business except for the two years he served as a gunnery officer in the Navy in both the Atlantic and Pacific theaters during World War II.

Daly lives with his wife and three children in Waukegan and maintains his law office at 29 North Genesee Street, Waukegan.

Vehicle Tax Deadline Nears Warns Patten

Chief of Police Edward Patten, warns all auto owners that the deadline for purchasing City vehicle license is drawing near. Arrests will be made and fines levied on all persons found operating a car without a license on City streets after April 1, 1948.

In order to avoid embarrassment, loss of time and money by having to appear in Police Court, the Chief urges all Highland Park auto owners, who have not already

done so, to purchase their 1948 City tags which are due the first of the year, the same as your State auto license.

City ordinances also require the license to be prominently displayed on the front of the vehicle for which it was issued, so when you get your new license don't put it in the glove compartment, or leave it at home in the garage—put it on the front of the car where it may readily be seen.

Persons who purchase their 1948 tags but fail to display them are also subject to arrest and fine declares the Chief.

Licenses are sold daily at the City Hall between the hours of 8 A.M. and 5 P.M. and on Saturdays from 8 A.M. to 12 noon.

Vote For Edward Tornquist

REPUBLICAN CANDIDATE FOR SHERIFF
I am a candidate for Sheriff because I feel I am qualified to give Lake County the best, most efficient and honest administration it is possible to give. I have taken a leave of absence from my duties in the sheriff's office so as to conduct my campaign without expending either time or money that belongs to the taxpayers. My 10½ years of experience on the sheriff's staff makes me cognizant of the duties of the office. If nominated and elected I will work with the men on the staff, cooperate with other law enforcement officers, and do everything within my power to see that the laws are enforced.
YOUR VOTE AND SUPPORT WILL BE APPRECIATED
