Telephone Co. Expedites Handling of Calls

Faster handling of telephone calls to Park Ridge and Des Plaines was announced this week by E. M. Knox, manager for the Illinois Bell Telephone Company.

Instead of asking for "long distance" to place a call to either of these cities, E. M. Knox explained, Highland Park and Deerfield subscribers may now place Park Ridge and Des Plaines calls with the local operator.

"Until telephone users become accustomed to the new way of placing these calls," E. M. Knox said, "both long distance and local operators will handle calls to Park Ridge and Des Plaines. The subscriber will save time, however, by placing these calls with the local operator."

Economy Oven Menu

Just one and one-half cups of ground meat serves six in two-in-one biscuits. The entire menu can be baked in the oven.

Economy in meal planning means attention to small details—like using leftovers, purchasing of seasonal foods, getting the most for your money whenever a food item is added to the market basket.

Two-In-One biscuits make excellent use of a cup or so of left-over meat or of fresh ground meat, always less expensive because it does not need to be tender. Enriched flour in the biscuits gives more for your money because it contains added B-vitamins and iron at no additional cost.

Tomatoes and asparagus are foods that spring makes inexpensive, yet they provide just the right color touch.

A saving in time is accomplished by using the oven for the entire menu. Yes, asparagus and tomatoes can be baked, and you'll find that color is retained when a moderately hot oven is used.

Two-In-One Biscuits 1 cup sifted enriched flour 1/2 teaspoon salt 1/2 cup milk 1/2 teaspoon baking powder 1 to 2 tablespoons shortening Sift together flour, salt and baking powder. Cut or rub in shortening. Add milk to make a very soft batter. Fill greased muffin pans one-third full with seasoned meat. Pour batter on top of meat, filling pan two-thirds full. Bake in a moderately hot oven (400 degrees F.) 30 to 40 minutes. Remove from pans. Turn upside down and serve with grilled tomatoes. Yield: Six three-inch biscuits.
