HOME FOR EASTER VACATION

Mr. and Mrs. Byron Crain, (Nancy Mills) of Colo. Springs, Colorado, arrived last Friday to visit their parents, Mr. and Mrs. Ellsworth L. Mills of 1915 S. Sheridan road, and Mr. and Mrs. C. B. Crain of 2172 Dell place, for the Easter holidays. Mr. Crain is a student at Colorado college.

Their wedding took place on January 2.

Home for a week "between quarters" from Iowa State college in Ames, Iowa, was Miss Winifred Wolters, daughter of Mr. and Mrs. A. E. Wolters of Judson avenue. Her fiance, Howard Cushman, also a student at Iowa State, who accompanied her, was a house guest of the Wolters.

On Saturday, the four attended the Purdue Relays at Lafayette, Indiana. The Wolters' son, Bob, a senior at Purdue, returned with his family to spend Easter Sunday at home. He left again for Lafayette on Sunday night. Miss Wolters and her fiance returned to Iowa, also on Sunday.

CONGRESSMAN CHURCH IS NEEDED AT CAPITOL

In these critical times, this congressional district, the 13th, is fortunate indeed to have as its representative a man whose proved experience, judgment and ability are equalled only by his personal integrity and devotion to service. Such a man is Congressman Ralph E. Church of Evanston, who is seeking nomination by the Republican party in the April 13 primary for the general election next fall.

Ralph Church never "ducks" an issue, no matter how delicate or "dangerous" the question. He has voted on every bill during his entire 12 years in Congress. He is the only congressman who has established such a record.

Republican leaders are calling attention to the fact that Congressman Church, now a member of the powerful appropriations committee of the House, will be the only Republican member from Illinois on that most important committee next year when Congressman Dirksen of Illinois does not return to Washington.

Church is working diligently now in the appropriations committee helping to prepare the national budget and using every atom of his strength to cut government expenses and taxes. He shows, in this vital work, efficiency and uncompromising honesty in handling problems of government. At the same time, he is never too busy to meet the needs of his constituents who seek his help.

Ralph Church, in his six terms in Congress, has built an unassailable record of sound legislation for his country, and of constant, painstaking service to his district.

Such a congressman cannot be spared.
