THESE CRITICAL TIMES DEMAND EXPERIENCED LEADERSHIP!

Keep Congressman RALPH E. CHURCH in Congress — You Need Him There

- 1. He is already an Experienced and Sound leader in Congress.
Now on vitally important Appropriations Committee and Senate-House Joint Committee on Legislative Budget, aggressively fighting to reduce gov't spending, taxes and debt, and for fullest production and employment as bulwarks against inflation.
6 years on Naval Affairs Committee—Pioneered in National Defense: Urged air supremacy and production inland, opened Great Lakes Station 1935 and Glenview Air Base. Lt. Comdr. USNR 1938-41. Two sons in World War II.
Now urging strong air invincibility.
Has served also on the following committees: Expenditures in the Executive Departments, Merchant Marine and Fisheries, Insular Affairs, War Claims, Elections, Patents, and Revision of Laws.
Chosen by fellow Congressmen for Republican Whip Organization.
2. His "SENIORITY" in Congress, committee assignments, experience and influence are highest assets to this District.
It would take years for a freshman in Congress to reach this position.
3. He is experienced in International Affairs for Peace: U. S. Delegate to Inter-Parliamentary Conference, Oslo, Norway, 1939.
4. He Never Dodges An ISSUE: And he has never missed a roll call, session or vote entire 12-year alert service in Congress.
5. His political-integrity has never been questioned.

"Such a Congressman cannot be spared."—Waukegan News-Sun, Feb. 17, 1948.

Best Qualified

Able, Fearless, Experienced, Dependable

"... spends more time personally and effectively taking care of the affairs of his own district than perhaps any other man in Washington . . . he holds powerful committee memberships. Because of this record and because any freshman Congressman will lack his knowledge and influence in Washington, the Review believes Congressman Church is the best choice in the April 13 primary."
Evanston Review Apr. 1, 1948
