YOU'RE NOT SAFE IN HIGHLAND PARK!

I talked with one of Highland Park's most important leaders this week.

He is charged with the protection of you, your children, your property.

Now anyone can see Highland Park is growing. Look around.

Note all the new homes and apartments.

As a city grows, more protection is needed.

Yet next month, on June 15th, two able policemen will be dismissed and one police car put in storage.

Why?

To save money.

And why again?

Because Highland Park hasn't enough money to pay for adequate police and fire protection; street maintenance; and lots of other services vital to a growing town.

Running Backwards . . .

Experts report it'll be a year before there'll be another vote on taxes.

During these next 365 days, Highland Park will march to the rear, leaving its citizens and their property unsafe and, at times, completely un-protected.

Sad commentary?

Yes.

What's to be done?

It's up to us . . . all of us.

Must Have More Funds . . .

Our city must have more funds.

And we'll keep right on bringing this subject up until something is done about it.

When only 30 percent of the voters vote, and the majority of those vote against a measure to make Highland Park safe, I think it's tragic.

I don't like to see Highland Park deteriorate.

I don't like to see Highland Park's children unsafe and without protection.

I don't like to think about my home burning down because we haven't enough money to support our hard-working fire department.

Highland Park must have more funds.

NOW!

Sophomore Heads Honor Roll With Straight A's

Heading the Highland Park high school honor roll for the 5th six-weeks period, this year, is Carol Coppens, daughter of Mr. and Mrs. O. S. Coppens, 329 Bloom street. This 16-year-old brown-haired, blue-eyed lassie, a member of the advisory group of Miss Dora Bean, is, according to her parents, "just an average girl". Nevertheless she heads the list with a record of five A's in geometry, biology, Latin, English and typing.

She is also prominent in HGA, the girls' athletic club, acting as assistant head in archery, and taking active part in all sports except swimming and tumbling. Until this year she played flute in the band.

Names of other outstanding students follow in order of rank:

Junior Softball Meeting to be Held

Boys in grammar school, or boys who have not yet reached their 15th birthday, who are interested in softball, are urged to send a representative to a meeting to be held to organize the Junior Softball League on Wednesday, June 2nd, at the Highland Park Community Center.

It is hoped that there will be at least 6 teams in this League which will play their games at Sunset Park Monday evenings throughout the summer months. At present 3 teams have indicated their desire to play in such a league. Umpires as well as bats, balls and other equipment will be furnished by the Playground and Recreation Department which is sponsoring this League.

Each team will pay a \$5.00 fee to be used to purchase medals for the players of the two top teams in the League. It is important that teams desiring to play in this League have a representative present at the Community Center June 2nd to talk over and help plan rules and organization of the League. Teams must be from Highland Park or its immediate vicinity.

Simmons College Club Organized

Local alumnae of Simmons College, Boston, at a meeting at the Chicago College Club Tuesday night, May 4, organized the Simmons College Club of Chicago and Vicinity. Miss Helen L. Deacon, secretary of the Simmons College Alumnae Association, came from Boston to assist in the formation of the group.

The club will carry on an active public relations program designed to broaden the recognition of Simmons College.

Among those active in organizing the Simmons College Club were Mrs. C. B. McDougal, Highland Park; Mrs. R. H. Chrisman, Winnetka; Mrs. E. S. Clark, Evanston; and Miss Martha Richardson, Kenilworth.
