**Mrs. Marc Law Chosen To Represent Women Voters Abroad**

Mrs. Marc Law, former vice president of the National League of Women Voters, will leave November 1 to spend a period of four months in Italy. She has been appointed by the trustees of the Carrie Chapman Catt Memorial Fund as their representative.

A Memorial Fund was created by the League in 1947 to honor its founder, Carrie Chapman Catt. Its chief aim is to educate foreign women seeking aid in democratic citizenship.

"The methods of teaching are on a completely non partisan basis," state trustees of the fund, "and include those methods which have been tested by the League of Women Voters during twenty-eight years of work with women in the United States."

According to reports recently received from the League's national headquarters, letters have been pouring in from women of foreign countries who have recently been granted the right to vote. "Letters by the dozens have been received from France, Italy and Japan, asking for copies of material for training citizens and leaders. They want to know how to organize and conduct meetings; how to set up a constitution and how to train speakers. They do not ask help in making political decisions, but aid in teaching their own people so that they can make those decisions wisely."

Mrs. Law, chosen as the first representative to visit foreign groups under provision of the Fund, is well trained in, and familiar with, the ideals of the League. She will meet with small groups of citizens in Italy and discuss with them their problems and working techniques. This plan has received the approval of the State department.

**World Wide Interest Is Manifested In Chicago Railroad Fair**

Evidence that word of the mammoth Railroad Fair's demonstrated public appeal is reaching all corners of the globe is contained in inquiries and requests for printed matter now reaching Fair officials from many foreign countries. Scandinavian Air Lines and railways in Brazil, as well as individual correspondents, writers and publications in many other countries have been among recent organizations and persons contacting the Fair.

The U. S. Army also has shown great interest. Cameramen from the Army's Civil Affairs Division have taken moving pictures of the Fair for showing in occupied areas of Japan, Germany, Austria and Korea, and for national news-reel release. In addition, the Army has taken separate moving pictures of the Fair for showing at Fort Sheridan, Ill., and in veterans' hospitals across the country.

**Receipts From State Gasoline Taxes**

Lake county and its principal municipalities received \$229,247 in allotments from Illinois state gasoline taxes in the first six months of 1948, compared with \$201,186 in the same period of 1947, according to a statistical analysis prepared by Barcus, Kindred & Company, specialists in Illinois municipal bonds. This was an increase of \$28,061.

The increase was due to steadily rising gasoline consumption which boosted motor fuel taxes, the financial firm declared.

Lake county proper received \$144,236 in allotments in the first six months of 1948, a gain of \$18,400.

Deerfield received \$2,674, an increase of \$302. The 1948 half-yearly allotments to other Lake county municipalities with increase over 1947 shown in parentheses were: Waukegan \$39,805 (\$4,536)—Highland Park \$17,188 (1,919)—North Chicago \$9,602 (\$1,122)—Lake Forest \$8,226 (\$914)—Zion \$7,516 (\$8683).

**Eddie Cantor To Address Meeting At Sherman Hotel September 9th**

More than a thousand women, representing Jewish women's organizations and neighborhoods in every section of the city, will meet at an all-day session, Thursday, September 9th, in the Sherman Hotel to hear Eddie Cantor, world famous star of stage screen and

radio, and to plan their part in Chicago's Combined Jewish Appeal.

Known as the Workshop, this event will begin at 10:00 a.m., on September 9th, in the Bal Tabarin of the Sherman Hotel, and will continue through luncheon and the afternoon, in the Grand Ballroom of the hotel.

Local sponsors for this event include Mrs. Louis J. Cohn, 334 North Sheridan road, Highland Park; Mrs. Walter E. Heller, 2425 North Ridge Avenue, Highland Park.

Mr. Cantor, who has just returned from an extensive trip to Europe, is making this special trip to Chicago because of his devoted interest in the plight of Jewish men, women and children in Europe and the resettlement opportunities for them in Israel. Mr. Cantor will speak in behalf of this city's single and united Campaign for approximately \$15,000,000 with which to carry on the far-flung work of relief, reconstruction and resettlement. Chicago's Combined Jewish Appeal is part of a large national effort to raise \$250,000,000 for this work.

**Going To College?—Can We Help You?**

What's the enrollment? How much is tuition? Do I meet entrance requirements? And how about scholarships? From Amherst through Yale, from California to Maine, the Highland Park Public Library has school catalogs and reference material to answer your college problems.

It's a good idea to remember that crowded colleges and universities mean applications have to be in sooner to insure acceptance, so don't delay in making your inquiries.

Miss Cora Hendee, the librarian, tells us that she will order on request any bulletins which the library may not have now. And furthermore, the library has just acquired an excellent reference for prospective college students. It's called "American Universities and Colleges", was published in 1948, and has all sorts of up-to-the-minute information on both undergraduate and professional education. Other references which might help are "A Guide to Colleges, Universities, and Professional Education." Other references which might help are "A Guide to Colleges, Universities, and Professional Schools in the United States" and "The College Blue Book."

Don't hesitate to ask your librarian for help. She will be glad to show you where to find college entrance information. Maybe if you're considering two or three different schools you'll find the solution waiting in the Highland Park Public Library.

**Highland Park Public Library Completes Staff Changes**

Miss Cora Hendee, librarian at the Highland Park Public Library, announced today that staff changes for the ensuing year have been completed. Three new members have taken positions on the staff and one former member is returning after an absence of a year.

The new staff includes Mrs. S. D. Coleman of 286 Beech Street, formerly the science librarian at Northwestern University, who on August 17 became Highland Park's catalog librarian. Mrs. Coleman succeeds Miss Helen Flinn, who resigned to take a library position with the government in Washington, D. C.

Another newcomer is Mrs. D. W. McCabe, circulation assistant and public relations aid. She has had an unusually varied background as chemical laboratory technician, business trainee for the Johns-Manville Sales Corporation, and English instructor in the Lake Forest College evening session. Mrs. McCabe replaces Miss Elizabeth Evans of 236 Walker Avenue, Highland Park, who is resigning on August 31 to become the bride of Mr. Paul Brown of Lake Forest.

On September 7 Miss Ruth Dickinson, formerly a member of the Highland Park library staff, will return as reference assistant. Miss Nancy Huhn of Deerfield has left the library to continue her studies at Lake Forest College and has been succeeded by Mrs. Jack Cramer of 347 Central Avenue.
