A few short talks, and promptly at 11:00 o'clock the group will come to attention, three volleys to be fired by the joint Firing Squad, to be followed by Taps.

At 6:30 in the evening, all members of the Post are urged to attend the Frolics. That's what they call it, the Frolics—Refreshments and supper—entertainment. A gay evening has been planned for you. All of this will cost you only 10 dimes or one dollar because the Post is paying part of the expense.

what's COOKING We like the plain talk contained in Warner & Swasey (Machine Tool) ads. A recent one said: "You never see a happy Communist. Communism is a sour "ism" based on envy and hatred of successful people. If Communists spent less time in hating and more in "humping", as genuine Americans do, they would have the things they envy. And then, they'd be happy. But, they wouldn't be Communists." Just received a shipment of smaller gas ranges, 20 inches, 36 inches, 38 inches, 40 inches wide and wider . . .
