N.U.'s Speech School Leads And The Need For Effective Speech

Do you want to be successful? If you do, you must know how to speak, and speak effectively.

Effective speech is a companion to success. Usually, an able speaker is an able man. And usually an able man is a leader.

And that's what we need now more than ever before—leaders!

Northwestern's School of Speech, the finest in the world, is teaching over 1000 young men and women the art of public speaking each year.

The job is done with excellent results, thanks to the speech school's unbeatable faculty, headed by likeable Dean James McBurney, Highland Park's Lew Saret and other leading speech professors.

People all over the nation are realizing the importance of good speech and that's why N.U.'s school, built to house 350 students, now has an enrollment nearing 1000—and hundreds more anxious to attend.

FAR AHEAD OF OTHERS . . .

To keep its outstanding lead in the field of speech, N.U.'s officials recruited speech experts from all over the nation.

The officials believe the best professors are more important to the speech school than new buildings and new equipment.

That's why so much emphasis in the past was put on recruiting outstanding professors to teach at the school.

Well, now that each department in the school is staffed by leading men and women, officials believe it's time to consider new equipment.

That's why a group of us were called together the other evening to discuss a positive plan to improve school of speech facilities.

Needed—in addition to a new building—were a new electronic lighting board for N. U.'s sold-out weeks-in-advance theater; also, a new theater curtain; a campus radio wiring installation that'll permit radio students to practice day-long radio programming; and television equipment to keep pace with swift progress made in this field.

All in all, a cost of \$66,500. This money will help keep the speech school way out in front.

LOYAL GROUP . . .

In no other school hereabouts is there more loyalty than that shown by alumni of this great school.

We have a feeling this money—and more—will be raised.

If any of you speech school "alumni" out front want to help, please get in touch with Dean McBurney.

WISH WE'D SAID IT! . . .

"Be a man of distinction—switch to God!"

TASTY FOOD . . .

Since high school days we've enjoyed the tasty food at Villa De Metre, in No Man's Land, between Wilmette and Kenilworth.

Results have been excellent. Depositors and bankers have found the system efficient and convenient.

We think it would work well in Highland Park, too.

You'd buy checks from the bank, all printed on post cards.

Then, when a bill came in you'd merely fill out the post card check (providing, of course, you had an account at the bank), and mail it to a merchant, in payment of your bill.

SAFE AND EASY, TOO . . .

The merchant then has a record of who paid his bill.

You've saved the time usually spent addressing an envelope, sealing it, stamping it and mailing it.

When the "check" is returned to you, you have a record of your paid bill, when it was paid (official government postmark), and so on.

Is it safe?

Yep.

Here's why:

Only honest postal clerks and your merchants see the check. And they surely can be trusted.

Here's a safe, speedy way to handle those oh-so-regular monthly bills. It's easy for you; it's easy for your creditors; it's easy for the banker.

We urge the convenient use of post card checks.

Are you listening, Highland Park bankers?

Highland Park Frosh Soph Drop Pair Of Games Over Week End

The Frosh-Soph team of the Highland Park high school ran into some difficulties last week end as they dropped two games on successive nights. Evanston took them by a 26 to 23 score and Niles flattened the small fry by a 35 to 30 count.

Against Evanston the local cagers seemed completely lost on the large Wildkit floor and after holding their opponents to a 9 to 9 score at the end of the first quarter, they could only score 3 points in the second period and left the floor at half time with the score 19 to 12 in favor of Evanston.

Although outscoring the Wildkits 11 to 7 in the last half the Blue and White were unable to overcome the lead they gave up in that fatal second quarter and took it on the chin 26 to 23.

Baldwin and Freeman were the high point men for the local cagers with 8 points each while Ponsi, with 1 point; Moore, with 3 points and F. Picchietti, with 3 points brought up the rear as far as the scoring was concerned.

King of Evanston, with 5 field goals and 1 free throw, was high scorer of the game.

On Saturday night the local quintet ran up against an inspired Niles squad and try as they did, could not pull the game out of the fire.

Niles took a 10 to 4 lead at the end of the first quarter and held a 19 to 17 lead at half time. Each team scored 6 points in the third period to make the score 25 to 23 at the end. Niles then took command and the game ended 35 to 30 for the visitors.

Moore was high point man for the local team with 8 points. Ponsi, with 7 points; Freeman, with 5

Maiman and Haines Basketball Team Upset Russells

The Maiman and Haines Sport Shop basketball team took an early lead in the final game of the Community Basketball League at Lincoln gym Monday evening and held the lead to the finish. Russells have won all their games to date and expect an easy victory from the (Kids team) of Maiman and Haines Sport Shop. Harder scored 20 points for the winners with Bonamarte 13 points as runner up. Crovetti scored 22 points for Russells. The final score of the game was Maiman and Haines 48 Russells, 43.

In the wind-up game Duffy and Duffy team came from behind after trailing 9 to 12 at the half and won their game from Haven Hot Shots by a score of 33 to 27. Digani scored 10 points for the winners and B Rasmussen scored 8 points for the losers.

Kurz Resigns—

(Continued from page 1) a graduate of the University of Illinois, class of 1933, and served as a Lieutenant in the United States Navy from 1944 to 1946, during which time he was stationed at Princeton, New Jersey and Great Lakes, Illinois. Mr. McGuffin is Assistant Cashier at the Continental Illinois National Bank and Trust Company of Chicago and is the newly elected president of the Briargate Community Club of Highland Park.

All-Star Boxing—

(Continued from page 1) Herb Strecker, a newcomer in the Highland Park area, who has great possibilities, according to Mel Mullins, Highland Park coach, will be pitted against Sergeant of Waukegan. This bout should prove to be the thriller of the evening. Mullin states as both boys will be in top shape.

In the windup two of Lake County's outstanding athletes and boxers are being matched. Ray Sorg of Fox Lake will face Ken Pratt of Libertyville. Pratt won all of his fights this season at the Lake County Stadium.

An added surprise attraction is in store for the fans for the evening. Along with a donation for the March of Dimes to be presented to Postmaster Dan Cobb, Tony Zale, ex-middleweight champion, is being sought as the guest referee for the windup bout.

Arrangements are being made for broadcasting these bouts over Waukegan's new radio station WKRS.

points; D. Picchietti, with 1 point; Baldwin, with 6 points and F. Picchietti, with 3 points did the scoring for the Blue and White.

Little Giants—

(Continued from page 1) to score for the Parkers, the score then read 32 to 29. Neither team could score in the closing seconds of the game and the Carlson coached lads walked off (after being mobbed by happy Highland Parkers) the winners in one of the biggest upsets of the year.

The two Highland Park guards proved to be the big guns for the winners with Tagliapietra hitting for 5 field goals and 2 free throws good for 12 points to take scoring honors for the game; Sheehan sank 5 field goals for 10 points; Siegle hit for 1 field goal and 1 free throw for 3 points; Don Coleman hit 2 field goals and 3 free throws for 7 points to complete the Parkers scoring for the night.

Tritschler led the Evanston team with 4 field goals and 3 free throws for 11 points.

It is too bad that Highland Park does not have enough school spirit to follow the boys when they play away from home, for if they had turned out at Evanston last Friday they would have seen the most exciting ball game played in many years by the Blue and White.

Defeat Niles 45 to 44

The Highland Park varsity also took an exciting contest from the Niles Trojans last Saturday evening by a 45 to 44 count. They had to come from behind to capture the game in the closing minutes and then hold the ball until the game finally ended.

Teacher had asked Johnny, a pupil in the third grade, if the world was round.

"No," he answered. "Is it flat?" she inquired. "No," replied Johnny. Perplexed, the schoolmarm asked, "Well, Johnny, if it isn't round it isn't flat, then tell me, what is it?"

"Pop says it's crooked," came the reply.
