Notes About Town

Thanks to likeable Fred W. Richman, and to his fellow Kiwanians, for inviting the PRESS to their recent meeting.

It was a pleasure chatting with this group of successful Highland Park leaders

The food was tasty.

The conversation interesting.

The informal—but well delivered!—speech by Fred W. Burkhardt, thought-provoking.

Mr. Burkhardt spoke about his recent visit to bomb-gutted Germany.

His views were new and informative about a bombed-out nation attempting to re-build.

Highland Park can be justly proud of its Kiwanis Club.

Thanks to Mr. H. J. Beik, the new president, and to all the others who made the evening enjoyable

WONDER WHO?

Wonder who that athletic woman is who bicycles up and down the North Shore each day?

You've seen her, I know. Rain or shine, she's out, pedaling away.

Usually garbed in attractive clothes, she is always seen—by this writer, at least—pedaling southward on Greenbay Road, and rather early in the morning, too.

We admire her for her tenacity of purpose

There's no better exercise than bicycle riding . . . and her appearance reflects health

NEW LIGHTS?

Are those new lights being installed on the south side of the street, by Garnett's?

If so, they'll surely do a good job of lighting our Central Avenue, a street that gets better-looking all the time

FINE STEAKS, CHICKEN

We've only sampled the chickens—and they're real tasty—at the new Highland Market.

We're told the steaks are just as good

Recommend a visit there one day soon, Mrs. Highland Parker!

PARTING THOUGHT

Remember, it's more fun to give than to receive.

Singer and Comedian Renew Acquaintance In Kansas City

Miss Marie Lawler, who won an award in the Harvest Moon Festival in 1946, and a chance to sing on Bob Hope's program, recently had a chance to renew the acquaintance of that genial gentleman. According to Kup's column in Friday's Sun-Times, Hope, who was in Kansas City at the time she was singing at the Bellerive Hotel, recognized her and paid her the compliment of a visit, giving a half-hour show there, himself.

Miss Lawler left on Monday night for Des Moines, Ia., where she has a two weeks' singing engagement. She is the daughter of Mrs. Grace Lawther of Highwood.

"Please help me!"

It was just 2:13 in the afternoon when an Illinois Bell operator answered a call on her switchboard and heard a woman screaming.

Swiftly, she turned the call over to her supervisor, Mrs. Edna R. Lejar, who succeeded in calming the frightened woman.

"Please help me!" pleaded the voice. "My baby's choking!"

Mrs. Lejar, a mother of two sons herself, gave instructions on how to relieve the choking infant. Then she got the customer's home address, called the Fire Department and ordered an inhalator squad to the scene.

Finally, she checked her emergency

list of doctors, located one in the neighborhood and asked him to rush to the woman's home. All this took just two minutes from the time the first signal appeared on the switchboard . . . two minutes that averted a tragedy.

Mrs. Lejar received the Telephone Company's coveted Vail Award for her cool-headed efficiency. But she prizes even more the knowledge that she was instrumental in saving the baby's life.

The value of your telephone is immeasurable in emergencies. And it's still a big bargain in everyday activities, too. It saves time, worry . . . and money. Illinois Bell Telephone Company.
