"I'm Bright as a Button..."

"I wake up feeling bright as a button... since I've been sleeping under my electric blanket. Its gentle warmth lulls me to sleep in a jiffy... and helps me really stretch out and relax. I think it's wonderful, too, that just one blanket keeps me so completely comfortable, in spite of changing temperatures. Small wonder I wake up bright-eyed and rested."

It's easy to enjoy this modern sleeping comfort... just set the dial to the temperature you want, turn on the switch, and fall asleep assured of being comfortably warm until you awake in the morning. No matter how the temperature in your room drops or rises, the automatic control of your electric bedcover will make sure you stay just as warm as you want to be. Fresh air fiends can open the windows as wide as they like... and still sleep in warm comfort.

You'll find electric bedcovers are easy to care for, too... blankets can be laundered and comforters cleaned with no trouble at all. And if you're interested in cutting fuel bills you can still sleep in comfort when the heat is turned down low. You'll be bright as a button when you sleep under electric bedcovers.

... because my Electric Blanket gives me real sleeping comfort!

There are several types of electric bedcovers from which you may choose. Electric Sheets \$29.95; Blankets (Twin Bed Size) from \$39.95; Blankets (Double Bed Size) from \$41.95; Comforters \$49.95. All prices include Federal Excise Tax.
